LEGO 31124

LEGO Creator 3 in 1 Super Robot Building Kit

Model: 31124 | Brand: LEGO

INTRODUCTION

The LEGO Creator 3 in 1 Super Robot Building Kit offers three distinct building and play experiences within a single set. Designed for young builders aged 6 and up, this kit allows for the construction of a posable Super Robot, a formidable Mech Dragon, or a sleek Jet Plane. Each model features articulated parts for dynamic play and display. This manual provides comprehensive instructions for assembly, maintenance, and troubleshooting to ensure an enjoyable building experience.

WHAT'S IN THE BOX

Your LEGO Creator 3 in 1 Super Robot Building Kit contains all the necessary LEGO building elements to construct any of the three models. The set includes 159 pieces designed for versatile assembly.

SETUP

Before beginning assembly, ensure you have a clean, flat surface to work on. Open the packaging carefully and sort the LEGO elements. The kit includes multiple instruction booklets, each dedicated to a specific model. Select the booklet for the model you wish to build first.

OPERATING INSTRUCTIONS

Follow the step-by-step instructions in the provided booklets to assemble your chosen model. Each model is designed for posability, allowing for various dynamic poses once completed.

Building the Super Robot

The Super Robot model features a posable head, legs, feet, arms, and hands, along with wings on its back. Assemble the robot by following the dedicated instruction booklet. Pay close attention to the ball joints for maximum articulation.

Building the Mech Dragon

Transform your Super Robot into a fearsome Mech Dragon. This model is also fully posable, allowing for imaginative play scenarios. Refer to the specific instruction booklet for the Mech Dragon build.

The Mech Dragon model, one of the three possible builds.

Building the Jet Plane

Alternatively, construct a brilliant LEGO Jet Plane with adjustable wings. This model is perfect for soaring through imaginary skies. Follow the dedicated instructions for the Jet Plane assembly.

The Jet Plane model, another exciting build option.

Model Features

Each model offers unique play features. The Super Robot is highly posable for action scenes. The Mech Dragon can be posed for dramatic battles. The Jet Plane features adjustable wings for various flight maneuvers. Remember, only one model can be built at a time as they share common pieces.

The three models that can be built from this single LEGO Creator 3 in 1 set.

MAINTENANCE

To keep your LEGO models in excellent condition, clean them regularly using a soft, dry cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and air dry. Avoid harsh chemicals or abrasive materials. Store LEGO elements in a cool, dry place away from direct sunlight to prevent discoloration and damage.

TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service.
- **Difficulty Assembling:** Ensure you are following the instructions step-by-step. Sometimes, a piece may be oriented incorrectly. Review the previous steps.
- **Loose Connections:** Make sure pieces are firmly pressed together. LEGO connections are designed to be snug.

SPECIFICATIONS

Attribute	Detail
Product Dimensions	7.52 x 5.55 x 1.81 inches
Item Weight	6.7 ounces
Item Model Number	6371103
Recommended Age	6 years and up

Number of Pieces	159
Release Date	March 1, 2022

SAFETY INFORMATION

This product contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger children. Please ensure all pieces are kept out of reach of infants and toddlers.

WARRANTY AND SUPPORT

For any questions regarding your LEGO Creator 3 in 1 Super Robot Building Kit, including missing pieces or assembly assistance, please visit the official LEGO customer support website or contact their service hotline. Specific warranty details are typically provided with the product packaging or on the manufacturer's website.
