OVO KIT-LV30DP+

OVO Central Vacuum Deluxe Plus Kit B 30' Instruction Manual

Model: KIT-LV30DP+

1. PRODUCT OVERVIEW

The OVO Central Vacuum Deluxe Plus Kit B 30' provides a comprehensive set of tools for efficient home cleaning. This kit includes a 30-foot low-voltage hose with ON/OFF switch control, an air-driven carpet beater, a 12-inch premium floor brush, and various cleaning accessories for different surfaces.

Image 1: All components of the OVO Central Vacuum Deluxe Plus Kit, including the hose, telescopic wand, air-driven carpet beater, floor brush, and small accessory tools.

2. SETUP AND ASSEMBLY

2.1 Hose Connection

The 30-foot low-voltage hose is designed for easy connection to most standard central vacuum inlets. Ensure your inlet has a 1.5-inch inner diameter and two low-voltage pins (metal prongs) inside for proper function of the ON/OFF switch.

COMPATIBLE WITH MOST INLETS

1. INSIDE DIAMETER OF THE INLET MUST BE 1 1/2"
2. INLET MUST HAVE THE 2 PINS INSIDE

Image 2: Demonstrates how to connect the hose to a central vacuum inlet, highlighting the required 1.5-inch inner diameter and two internal pins for low-voltage operation.

2.2 Attaching Accessories

The telescopic steel wand adjusts from 25.5 inches to 38 inches for reaching various areas. Attach the desired cleaning tool to the end of the wand.

Image 3: Shows the adjustable telescopic wand and the 12-inch premium pivoting neck floor brush, designed for hard surfaces.

2.3 Hose Features

The hose features a swivel handle to prevent kinking and an integrated ON/OFF switch for convenient operation. The hose is lightweight, flexible, and crushproof.

LIGHTWEIGHT, FLEXIBLE, CRUSHPROOF LOW-VOLTAGE HOSE

PREVENT HOSE KINKING

3. OPERATING INSTRUCTIONS

3.1 Powering On/Off

Once the hose is securely connected to the central vacuum inlet, use the ON/OFF switch located at the handle to activate or deactivate the central vacuum system.

3.2 Using the Air-Driven Carpet Beater

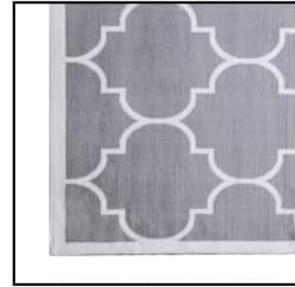

The air-driven carpet beater utilizes vacuum airflow to power its wrap-around bristles agitator. It is ideal for cleaning entrance carpets, rugs, and shallow carpets. **Note: This kit is NOT to be used with electric carpet beater or electrical powerhead.**

AIR-DRIVEN CARPET BEATER

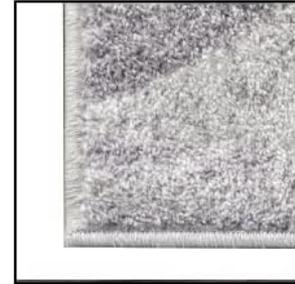

**SUPERIOR TURBO CARPET BEATER
POWERED BY VACUUM AIRFLOW**

3.3 Using the 12" Premium Floor Brush

The 12-inch premium pivoting neck floor brush is equipped with soft horsehair bristles, designed to clean hard floor surfaces without causing damage. It effectively collects dust and surface debris from hardwood, tile, stone, concrete, vinyl, and linoleum.

3.4 Utilizing Soft Bristle Brush Assortment

The kit includes a dusting brush for delicate furniture, an upholstery brush for soft cleaning on fabrics, and a crevice tool for reaching cracks and tight spaces.

OTHER CLEANING TOOLS AND EASY STORAGE ACCESSORIES INCLUDED

Image 6: Displays the dusting brush, upholstery brush, and crevice tool, along with a chrome hose hanger and accessory bag for organized storage.

4. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your central vacuum kit.

- **Hose Care:** The crushproof design helps prevent damage, but avoid excessive bending or sharp objects.
- **Brush Cleaning:** Periodically remove hair and debris from the carpet beater and floor brush bristles.
- **Accessory Storage:** Use the provided accessory bag and chrome hose hanger to keep components organized and protected when not in use.

Image 7: An example of organized storage for the central vacuum hose and accessories using the provided hanger and bag.

5. TROUBLESHOOTING

If you encounter any issues, refer to the following common troubleshooting tips:

- **No Suction:** Check if the hose is properly inserted into the inlet and if the ON/OFF switch is activated. Ensure the central vacuum unit itself is powered on and the dust bag/canister is not full.
- **Carpet Beater Not Spinning:** Verify that the hose is correctly connected and the central vacuum unit is providing sufficient airflow. The air-driven beater relies on vacuum suction to operate.
- **Hose Kinking:** The swivel handle is designed to minimize kinking. Ensure the hose is not twisted excessively during use.

For further assistance, please contact technical support.

6. SPECIFICATIONS

Feature	Detail
Brand	OVO
Model Name	Central Vacuum Deluxe Plus Accessory Kit
Model Number	KIT-LV30DP+
Hose Length	30 Feet
Special Feature	Lightweight, ON/OFF Switch at Handle, Swivel Handle, Crushproof
