JEKCA 01S-M02

JEKCA Kokeshi Doll 01S-M02 Building Blocks Instruction Manual

Model: 01S-M02

1. INTRODUCTION

Thank you for choosing the JEKCA Kokeshi Doll 01S-M02 building block set. This manual provides detailed instructions for assembling your model, ensuring a rewarding and enjoyable building experience. JEKCA building blocks are designed for durability and intricate detail, utilizing a unique interlocking system for a sturdy final product.

This product is recommended for individuals aged 14 years and above.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small Parts. Not for children under 3 years. This product contains small components that may pose a choking hazard if swallowed. Keep all parts out of reach of young children.

This building set is intended for users aged 14 years and older. Adult supervision is recommended for younger builders within the recommended age range.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present in your package:

- Bricks (approximately 1460 pieces)
- Instruction Manual
- Pin Driver

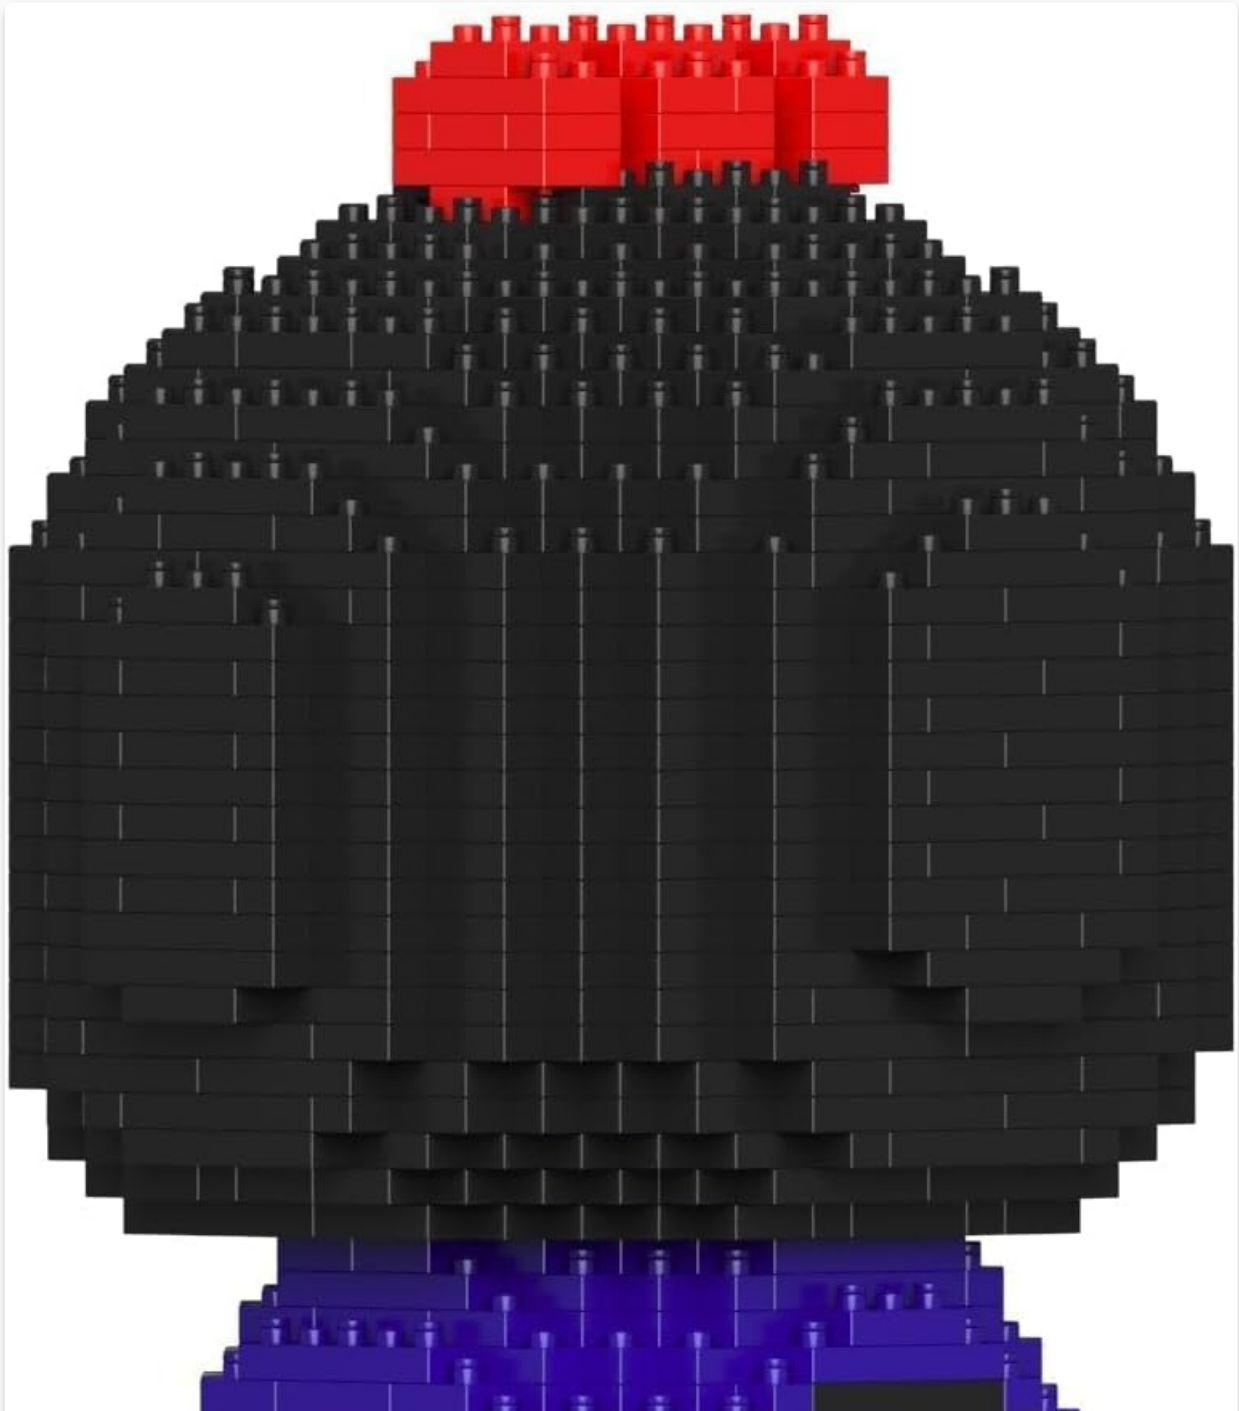

- Pins
- Quick Guide

4. ASSEMBLY INSTRUCTIONS

Follow the steps outlined in the included Instruction Manual and Quick Guide for detailed assembly. The JEKCA system uses a unique interlocking brick-through technology with pins to create a highly stable structure.

Key Assembly Steps:

1. **Connect Bricks:** Align the studs of one brick with the holes of another. Press firmly to connect.
2. **Insert Pins:** Once bricks are connected, insert the provided pins through the designated holes to secure them. Use the pin driver to gently push the pins completely through the bricks.
3. **Secure Pins:** Ensure pins are flush with the brick surface. The pins provide additional stability, making the model sturdy without the need for glue.

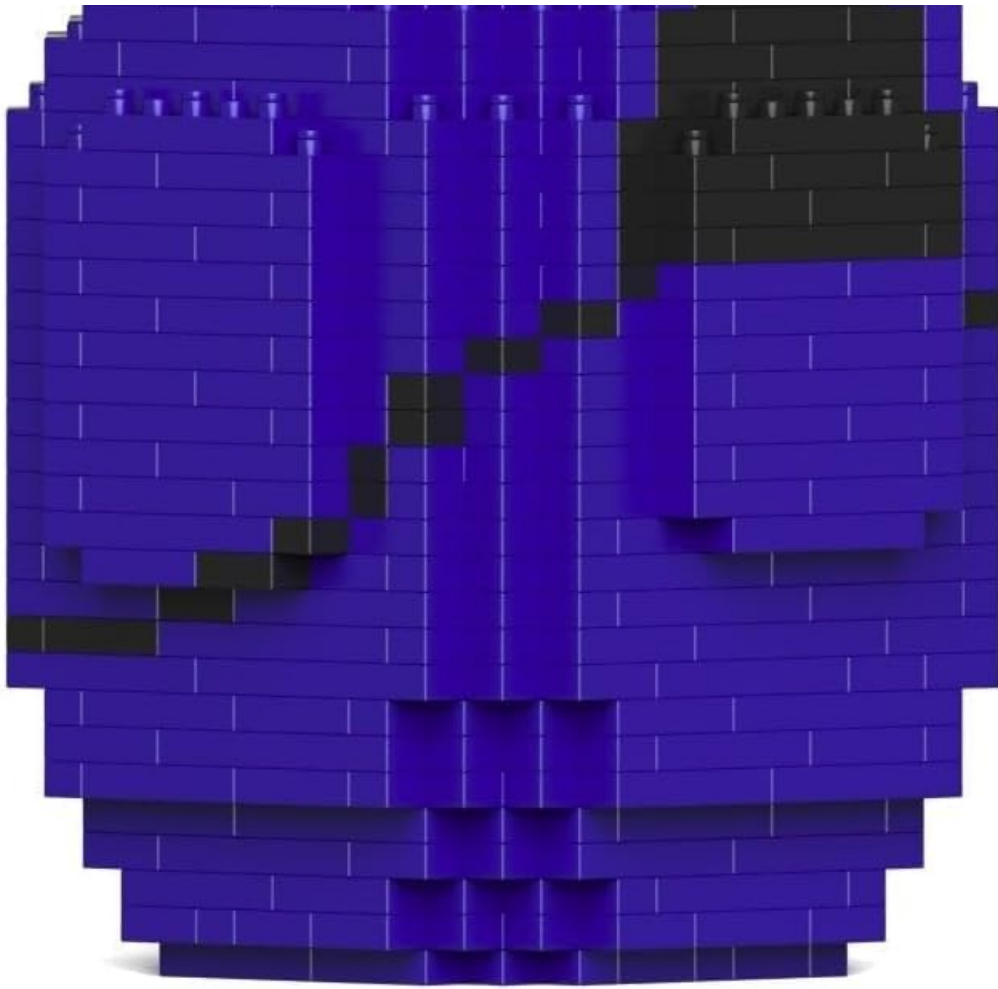

Image: Visual guide demonstrating the three primary steps for connecting JEKCA bricks using pins and the pin driver.

Refer to the detailed diagrams in your physical instruction manual for specific brick placement and pin insertion points for the Kokeshi Doll model.

5. CARE AND MAINTENANCE

To maintain the appearance and integrity of your JEKCA Kokeshi Doll model:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose bricks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** While JEKCA models are sturdy, avoid dropping or applying excessive force to prevent potential damage or disassembly.

6. TROUBLESHOOTING

Missing Pieces:

If you find any pieces missing from your set, please contact JEKCA customer support with your product model number and details of the missing components. Refer to the parts list in your instruction manual to identify specific missing bricks or pins.

Difficulty Interlocking Bricks:

Ensure that the bricks are correctly aligned before applying pressure. The pins should slide smoothly through the designated holes. If a pin is difficult to insert, check for any obstructions or misalignments. Do not force pins, as this may damage the bricks or pins.

7. PRODUCT SPECIFICATIONS

Specification	Detail
Model Name	Kokeshi Doll 01S-M02
Model Number	ST28JPY06-M02
Brand	JEKCA
Material	Plastic
Number of Pieces	Approximately 1460
