Costzon Kids Table and Chair Set

Model: JX1128

Brand: Costzon

INTRODUCTION

Thank you for choosing the Costzon Kids Table and Chair Set. This versatile 3-in-1 activity set is designed to provide a functional and engaging space for children's activities, including learning, drawing, playing, and eating. It features a reversible tabletop, ample storage, and a sturdy wooden construction, ensuring durability and safety for your child.

This manual provides essential information for the proper assembly, operation, maintenance, and troubleshooting of your new table and chair set. Please read it thoroughly before use and retain it for future reference.

SETUP AND ASSEMBLY

The Costzon Kids Table and Chair Set requires assembly. Please ensure all components are present before beginning. While chair assembly is generally straightforward, the table may require slightly more attention. Follow the included assembly instructions carefully. It is recommended to have a second person assist with assembly for easier handling of larger components.

- Unpack all components and verify against the parts list in the separate assembly guide.
- Assemble the chairs first, ensuring all screws are tightened securely but do not overtighten to avoid stripping the wood.
- Proceed with table assembly, paying close attention to the orientation of the crossbars and leg attachments.
- Once assembled, check all connections for stability and tighten any loose screws.

OPERATING INSTRUCTIONS

This 3-in-1 activity set offers multiple functionalities to suit various needs:

Multipurpose Tabletop

The tabletop is reversible and removable, providing three distinct modes of use:

- **Standard Tabletop:** One side of the tabletop is a smooth surface suitable for reading, eating, and general play.
- **Blackboard:** The reverse side of the tabletop features a blackboard surface, perfect for drawing and writing with chalk.
- **Storage/Activity Bin:** By removing the tabletop entirely, the table transforms into a large storage space or an activity bin, ideal for building blocks, crafts, or sensory play.

Integrated Storage

Both the table and chairs are designed with built-in storage. The table has a large compartment under the removable tabletop, and each chair includes a storage box underneath the seat. These spaces are ideal for organizing books, toys, and art supplies, helping to keep the play area tidy.

MAINTENANCE

To ensure the longevity and cleanliness of your Costzon Kids Table and Chair Set, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage to the wood. Avoid abrasive cleaners or harsh chemicals.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to maintain stability and safety.
- **Wood Care:** Protect the wood from prolonged exposure to direct sunlight or extreme temperature changes, which can cause warping or cracking.
- **Fabric Bins:** The fabric storage bins can be spot cleaned with a mild detergent and air-dried.

TROUBLESHOOTING

If you encounter any issues with your Costzon Kids Table and Chair Set, consider the following common solutions:

- **Wobbly Table/Chairs:** This is most often due to loose screws. Carefully inspect all assembly points and tighten any loose fasteners. Ensure the furniture is placed on a flat, even surface.
- **Tabletop Not Sitting Flush:** Check for any debris in the tabletop groove or if the tabletop is inserted incorrectly. Ensure the internal storage area is clear of obstructions.
- **Sharp Edges/Splinters:** While the product is designed with smooth edges, wood can sometimes develop minor imperfections. Regularly inspect the furniture for any sharp points or splinters, especially after prolonged use. If found, gently sand the area smooth.
- **Damage During Use:** If any part of the furniture becomes damaged, discontinue use immediately to prevent injury. Contact customer support for replacement parts or guidance.
