KUIYN T8

KUIYN T8 Mechanical Gaming Keyboard and Mouse User Manual

Model: T8 | Brand: KUIYN

INTRODUCTION

This manual provides comprehensive instructions for the KUIYN T8 60% Mechanical Gaming Keyboard and Optical Gaming Mouse combo. This compact and high-performance set is designed for an enhanced gaming and typing experience across various platforms including PC, Mac, PS4, and XBOX. Please read this manual carefully to ensure proper setup, operation, and maintenance of your new gaming peripherals.

SETUP GUIDE

Follow these steps to set up your KUIYN T8 keyboard and mouse:

1. **Unpacking:** Carefully remove the keyboard, mouse, and any included accessories (such as the Type-C cable, key puller, and mouse pad) from the packaging.

2. **Connect the Keyboard:** Connect the Type-C end of the provided USB cable to the keyboard's Type-C port. Connect the standard USB-A end of the cable to an available USB port on your computer or gaming console (PC, Mac, PS4, XBOX).

3. **Connect the Mouse:** The mouse is also wired. Connect its USB-A cable to another available USB port on your device.

4. **Initial Recognition:** Your operating system should automatically detect and install the necessary drivers. This may take a few moments.

5. **Mouse Pad Placement:** Place the included mouse pad on your desk for optimal mouse performance.

OPERATING INSTRUCTIONS

Keyboard Operation

The KUIYN T8 keyboard features a 68-key compact layout with various functions accessible via key combinations.

- **Function (Fn) Key:** The Fn key is used in combination with other keys to access multimedia controls, lighting adjustments, and other special functions.
- **RGB Backlight Adjustment:**

  - **Switch Modes:** The keyboard supports 18 different pre-setting Chroma RGB LED light effect modes. Specific key combinations (e.g., Fn + certain keys, often indicated by icons on the keycaps) are used to cycle through these modes.

- ◦ **Adjust Brightness:** Increase or decrease backlight brightness using designated key combinations (e.g., Fn + ↑/↓).
- ◦ **Adjust Speed:** Change the speed of dynamic lighting effects using designated key combinations (e.g., Fn + ←/→).

- **Anti-Ghosting:** The keyboard features full-key anti-ghosting, ensuring that all key presses are registered accurately, even during rapid, simultaneous inputs.
- **Special Key Design:** The space bar and ESC key feature a unique wolf head pattern.

Image: An illustration demonstrating the compact size of the gaming keyboard, comparing its footprint to a standard full-size keyboard layout.

Mouse Operation

The KUIYN T8 optical gaming mouse offers precise control and customizable settings.

- **DPI Adjustment:** The mouse features 6 adjustable DPI levels: 800, 1600, 2400, 3200, 4800, and 6400 DPI. Use the dedicated DPI button (usually located near the scroll wheel) to cycle through these settings. Each DPI level may correspond to a different RGB backlight color for easy identification.
- **RGB Backlight:** The mouse includes 6 kinds of RGB backlight effects. These typically change automatically or can be adjusted via software (if available, not specified in provided data) or a dedicated button.
- **Honeycomb Design:** The lightweight honeycomb shell design contributes to the mouse's 96g weight, enhancing maneuverability.
- **Durability:** The mouse is built to withstand 20g acceleration and has a 50 million button life.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your KUIYN T8 gaming set.

- **Cleaning the Keyboard:**

  - Disconnect the keyboard before cleaning.
  - Use a soft, dry cloth to wipe down the keycaps and frame.
  - For dust and debris between keys, use compressed air.
  - The ABS fuel injection keycaps are designed for good light transmission and resistance to fading.

- **Cleaning the Mouse:**

  - Disconnect the mouse.

- Wipe the surface with a soft, slightly damp cloth. Avoid excessive moisture.
- Clean the optical sensor area gently with a cotton swab if tracking issues occur.

- **Cable Management:** Avoid sharp bends or kinks in the USB cables to prevent damage.
- **Storage:** When not in use for extended periods, store the keyboard and mouse in a clean, dry environment away from direct sunlight and extreme temperatures.

SPECIFICATIONS

Feature	Detail
Model Number	T8
Brand	KUIYN

TROUBLESHOOTING

If you encounter issues with your KUIYN T8 gaming set, please refer to the following common solutions:

- **Keyboard or Mouse Not Responding:**

  - Ensure both the keyboard's Type-C cable and the mouse's USB cable are securely plugged into your device's USB ports.
  - Try connecting the devices to different USB ports on your computer or console.
  - Restart your computer or gaming console.
  - Verify that no other software or drivers are conflicting with the devices.

- **RGB Backlight Not Working or Incorrect:**

  - Ensure the devices are properly connected and powered.
  - Cycle through the RGB modes using the designated key combinations on the keyboard or the DPI button on the mouse.

- Adjust brightness settings to ensure the backlight is not set to minimum.

- **Mouse Tracking Issues:**

  - Ensure the optical sensor on the bottom of the mouse is clean and free of debris.
  - Use the mouse on a clean, uniform surface, preferably the included mouse pad.
  - Adjust the DPI settings to a level suitable for your usage.

- **Keys Not Registering / Ghosting:**

  - The keyboard features full-key anti-ghosting, but ensure no physical obstruction is preventing key presses.
  - If a specific key is not working, it might indicate a hardware issue.

If problems persist after trying these steps, please refer to the warranty and support information.

WARRANTY AND SUPPORT

The KUIYN T8 Mechanical Gaming Keyboard and Mouse set comes with a **12-month warranty** from the date of purchase, as indicated on the product packaging. This warranty covers manufacturing defects and ensures reliable service.
For technical support, warranty claims, or any questions regarding your product, please contact KUIYN customer service. Contact details may be found on the product packaging or the official KUIYN website.
Please retain your proof of purchase for warranty validation.
