The DEWINNER chairs require assembly. The process is straightforward and typically takes 5-15 minutes per chair. Please ensure all components are present before beginning assembly.

2.1. Package Contents

Before starting, verify that your package contains the following:

- Chair seats (6 units)
- Leg frames (6 sets)
- Assembly hardware (screws, washers, Allen key)
- Instruction manual

2.2. Step-by-Step Assembly

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

check and tighten any loose screws to maintain structural integrity.
