HUBBLE CONNECTED HCSNPLP-1

Hubble Nursery Pal Link Premium - 5-Inch Smart Security Baby Monitor

Model: HCSNPLP-1 | Brand: HUBBLE CONNECTED

INTRODUCTION

The Hubble Nursery Pal Link Premium is a smart video baby monitor designed to provide comprehensive monitoring of your child. It combines a dedicated 5-inch parent unit with smart features accessible via the HubbleClub app, ensuring you stay connected and informed.

SETUP

1. Unboxing and Components

Ensure all components are present:

- Parent Unit (5-inch display)
- Baby Camera Unit
- Power Adapters (for both units)
- Quick Start Guide

2. Powering On

Connect the power adapter to the Baby Camera Unit and plug it into a power outlet. Connect the power adapter to the Parent Unit and plug it into a power outlet. The Parent Unit has a built-in 3000mAh battery for portable use.

3. Pairing Camera and Monitor

The units are typically pre-paired. If not, follow the on-screen instructions on the Parent Unit to pair the camera. Ensure both units are within range.

Image: A close-up of the 5-inch parent unit screen, showing a clear view of a baby in a crib.

4. App Installation & Setup (HubbleClub)

Download the HubbleClub app from your device's app store. Create an account and follow the in-app instructions to connect your monitor. This enables remote access and additional smart features.

OPERATING INSTRUCTIONS

1. Parent Unit Functions

- **Screen:** The 5-inch diagonal color screen provides a live video feed.
- **Buttons:** Navigate menus and control camera functions using the directional pad and menu buttons.
- **Two-Way Talk:** Press and hold the microphone button on the parent unit to speak to your baby through the camera.
- **Volume:** Adjust the audio volume of the parent unit to hear your baby clearly.
- **Brightness:** Adjust screen brightness for optimal viewing in different lighting conditions.

2. Camera Functions

- **Digital Pan, Tilt, and Zoom:** Use the parent unit controls or the HubbleClub app to digitally adjust the camera's view.
- **Night Vision:** The camera automatically switches to infrared night vision in low light, providing a clear black and white image.
- **Temperature Sensor:** Monitors the room temperature and displays it on the parent unit and app.

3. HubbleClub App Features

The HubbleClub app enhances your monitoring experience with advanced functionalities:

- **Live Streaming & 24-Hour Recording:** Access a live video feed and review recorded footage from your smart device via Wi-Fi.
- **BabyZone:** Set virtual boundaries to receive alerts if your baby moves out of a designated area.
- **Growth Tracker:** Log and track your baby's sleep, feeding, diaper changes, and growth milestones.
- **Parenting Tips & Articles:** Access expert advice on sleep, nutrition, and development.
- **Motion, Sound, and Temperature Alerts:** Receive notifications on your smart device for detected activity or temperature changes.
- **Preloaded Lullabies & Audiobooks:** Play soothing sounds directly from the app to help your baby sleep.
- **Personal Audio Recordings:** Record your own voice or songs to play for your baby.
- **Smart Scheduling:** Customize when you receive motion detection notifications.
- **Do Not Disturb:** Manage notifications to avoid interruptions during specific times.

Your browser does not support the video tag.

4. Range and Connectivity

The monitor offers a 1,000-ft range for reliable monitoring within your home. Wi-Fi connectivity allows remote access and extended features through the HubbleClub app.

MAINTENANCE

1. Cleaning

Wipe both the Parent Unit and Baby Camera Unit with a soft, dry cloth. Do not use abrasive cleaners or solvents.

2. Battery Care

To prolong battery life, avoid extreme temperatures and fully discharge and recharge the Parent Unit battery periodically.

TROUBLESHOOTING

Issue	Possible Cause	Solution
No signal/Poor image	Out of range, interference, low battery.	Move units closer, reduce interference (e.g., other electronics), charge Parent Unit.
No sound/Poor sound	Volume too low, microphone muted.	Increase volume, check microphone settings.
App connectivity issues	Weak Wi-Fi, incorrect login, app outdated.	Check Wi-Fi signal, re-enter login details, update app.

SPECIFICATIONS

Feature	Detail
Model Number	HCSNPLP-1
Screen Size	5-inch Diagonal Color Screen
