## Ultimate Innovations Folding Garden Chair with Storage

# Ultimate Innovations Folding Garden Chair with Storage User Manual

MODEL: FOLDING GARDEN CHAIR WITH STORAGE

Brand: Ultimate Innovations

### Introduction

---

The Ultimate Innovations Folding Garden Chair with Storage is designed for outdoor use, providing a comfortable and portable seating solution. Constructed with a durable steel metal frame and heavy-duty canvas, it supports up to 250 pounds (113 kg). This chair features a detachable storage bag with multiple pockets, ideal for organizing gardening tools, personal items, or other small accessories. Its foldable design ensures easy transport and compact storage.

### Safety Information

---

Please read and understand all safety instructions before using this product. Failure to follow these instructions may result in injury or damage to the product.

- Always ensure the chair is fully open and stable on a flat, level surface before sitting.
- Do not exceed the maximum weight capacity of 250 pounds (113 kg).
- Keep fingers and other body parts clear of moving parts when folding or unfolding the chair to prevent pinching.
- Do not stand on the chair. It is designed for seating only.
- Supervise children when they are near or using the chair.
- Store the chair in a dry, protected area when not in use to prevent rust or material degradation.
- Avoid exposing the chair to extreme weather conditions for prolonged periods.

### Package Contents

---

- 1 x Ultimate Innovations Folding Garden Chair
- 1 x Detachable Storage Bag

## Setup Instructions

---

1. Carefully remove the folding garden chair and detachable storage bag from the packaging.
2. Place the chair on a flat, stable surface. Gently pull the chair's legs apart until the frame fully extends and locks into an open, stable position. Ensure all four legs are firmly on the ground and the chair feels secure before use.
3. Attach the detachable storage bag to the side of the chair. The bag typically features straps or buckles that secure it to the chair's frame. Ensure it is firmly attached to prevent it from falling off during use.

This image displays the Ultimate Innovations Folding Garden Chair with Storage in its compact, folded state, highlighting its portability and ease of storage. The red canvas and metal frame are visible.

## Operating Instructions

---

Once the chair is set up and stable, it is ready for use.

- **Seating:** Sit comfortably on the heavy-duty canvas seat. Ensure your weight is evenly distributed.
- **Storage:** Utilize the various pockets on the detachable storage bag to keep your gardening tools, water bottle, phone, or other small personal items organized and within easy reach.
- **Portability:** To move the chair, lift it by the steel frame or the integrated canvas straps. For longer distances, fold the chair for easier transport.
- **Folding for Storage:** To fold the chair, gently push the legs inward towards each other until the chair collapses into its compact form. Secure any straps if present to keep it folded.

## Maintenance

---

Regular maintenance will help prolong the life and appearance of your garden chair.

- **Cleaning the Canvas:** Clean the canvas seat and storage bag with a damp cloth and a mild soap solution. Avoid harsh chemicals or abrasive cleaners. Rinse thoroughly with clean water and allow to air dry completely before folding or storing.
- **Frame Care:** Periodically inspect the steel metal frame for any signs of dirt, moisture, or rust. Wipe the frame clean with a damp cloth and dry immediately. If rust appears, gently remove it with a fine-grade steel wool and apply a rust-inhibiting primer if necessary.
- **Storage:** When not in use, especially during off-seasons or inclement weather, store the chair in a dry, protected environment such as a shed, garage, or indoors. This prevents exposure to elements that can cause wear and tear.
- **Fasteners:** Check the fasteners on the detachable storage bag periodically to ensure they are secure and not damaged.

## Troubleshooting

---

If you encounter any issues with your garden chair, refer to the following common problems and solutions:

- **Chair feels unstable:** Ensure all four legs are fully extended and locked into place. Verify the chair is on a flat, level surface. Uneven ground can cause instability.
- **Difficulty folding or unfolding:** Check for any obstructions in the folding mechanism. Apply gentle, even pressure when folding or unfolding. Do not force the mechanism.
- **Storage bag not staying attached:** Ensure the straps or buckles of the detachable storage bag are correctly aligned and securely fastened to the chair's frame.
- **Squeaking noises:** A small amount of lubricant (e.g., silicone spray) can be applied to the pivot points of the frame if squeaking occurs. Wipe off any excess.

## Specifications

---

Feature	Detail
Brand	Ultimate Innovations
Model	Folding Garden Chair with Storage
Material	Alloy Steel frame, Heavy-Duty Canvas seat and bag
Product Dimensions (Open)	14.57"D x 11.81"W x 16.54"H (37cm D x 30cm W x 42cm H)
