AT-VALY DB-2105002

AT-VALY Folding Dining Table User Manual

Model: DB-2105002

1. Introduction

Thank you for choosing the AT-VALY Folding Dining Table. This versatile piece of furniture is designed to adapt to various spaces and needs, functioning as a dining table, computer desk, or side table with integrated storage. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your product.

2. Important Safety Information

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Do not exceed the maximum weight recommendation of**150 pounds (68 kg)** on the tabletop.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use the table on a flat, stable surface to prevent tipping.
- Avoid placing hot items directly on the tabletop without protective mats.
- When moving the table, especially when fully extended or loaded, use caution and ensure the casters are functioning correctly.

3. Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Tabletop Panels (Main, Left Drop Leaf, Right Drop Leaf)
- Metal Frame Components (Legs, Support Bars)
- Storage Shelves (2 units)
- Casters (Wheels)

- Hinges
- Hardware Pack (Screws, Allen Wrench)
- Assembly Manual

4. Assembly Instructions

Assembly typically requires two people. Follow these steps carefully. An assembly video is provided below for visual guidance.

4.1 Assembly Video Guide

Your browser does not support the video tag. Please update your browser to view this content.

Video Description: This video provides a step-by-step visual guide for assembling the AT-VALY Folding Dining Table. It demonstrates how to connect the metal frame components, attach the tabletop panels, install hinges, and secure the storage shelves. Follow along for clear instructions on each part of the assembly process.

4.2 Step-by-Step Guide

1. **Assemble the Metal Frame:** Begin by connecting the main metal frame components. Ensure all pieces are oriented correctly according to the diagrams in the included paper manual. Secure connections with the provided screws using the Allen wrench.
2. **Attach Casters:** Install the casters (wheels) to the designated points on the bottom of the metal frame. These allow for easy movement of the table.
3. **Prepare Tabletop Panels:** Lay the tabletop panels (main and drop leaves) flat on a protected surface. Attach the hinges to connect the main tabletop panel with the drop leaves. Ensure hinges are aligned and screws are tightened securely.
4. **Mount Tabletop to Frame:** Carefully lift and align the assembled tabletop onto the metal frame. Secure the tabletop to the frame using the pre-drilled holes and screws.
5. **Install Storage Shelves:** Insert the two storage shelves into their respective positions within the metal frame. Ensure they are level and securely seated.

After completing these steps, gently test the stability of the table and the functionality of the drop leaves and casters.

5. Operating Instructions

The AT-VALY Folding Dining Table offers multiple configurations to suit your needs.

5.1 Multi-functionality Overview

Your browser does not support the video tag. Please update your browser to view this content.

Video Description: This short video demonstrates the various functional configurations of the AT-VALY Folding Dining Table, including its use as a compact side table, a half-extended desk, and a fully extended dining table.

5.2 Folding and Extending the Table

- **Fully Extended (Dining Table):** To use as a full dining table, lift both drop leaves until they are level with the main tabletop. Ensure the support legs underneath each leaf are fully extended and locked into place for

stability.

- **Half Extended (Desk/Console):** For a compact desk or console, extend one drop leaf while keeping the other folded down. Ensure the extended leaf's support leg is securely in position.
- **Fully Folded (Side Table/Storage Unit):** To fold the table completely, release the support legs for both drop leaves and gently lower them. The table will transform into a compact unit with accessible storage shelves.

5.3 Using the Storage Shelves

The integrated shelves provide convenient storage for various items such as books, dishes, or decorative objects. Ensure items are placed evenly and do not exceed the weight capacity of the shelves.

Image Description: The AT-VALY Folding Dining Table shown in its fully folded configuration, serving as a compact side table next to a sofa. The integrated shelves are visible, holding books and other small items, demonstrating its storage capability.

6. Maintenance

- **Cleaning:** Wipe the tabletop and frame with a dry, soft cloth. For spills, use a slightly damp cloth and dry immediately. Avoid abrasive cleaners or harsh chemicals that may damage the finish.

- **Regular Checks:** Periodically inspect all screws, bolts, and hinges to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Caster Care:** Keep the casters free of debris to ensure smooth movement. If they become stiff, clean them and apply a small amount of silicone lubricant if necessary.
- **Avoid Excessive Moisture:** While the tabletop is water-resistant, prolonged exposure to moisture should be avoided to prevent damage.

7. Troubleshooting

- **Table is Wobbly:** Ensure all assembly screws are fully tightened. Check that the table is on a level surface. If using drop leaves, confirm their support legs are fully extended and locked.
- **Difficulty Folding/Extending Leaves:** Check hinges for any obstruction or damage. Ensure the support legs move freely. Lubricate hinges with a silicone spray if movement is stiff.
- **Casters Not Rolling Smoothly:** Inspect casters for trapped debris (hair, lint). Clean them thoroughly. If still an issue, ensure they are correctly installed and not damaged.
- **Parts Do Not Align During Assembly:** Double-check the orientation of all components against the assembly diagrams. Sometimes, parts can be installed backward. Do not force parts; disassemble and re-evaluate.

8. Specifications

Feature	Specification
Brand	AT-VALY
Model Name	Folding Dining Table
Model Number	DB-2105002
UPC	736809264502
Color	Gold
Product Dimensions (Folded)	31.4"D x 15.75"W x 29.53"H
Product Dimensions (Extended)	31.5"D x 55.1"W x 29.5"H
Item Weight	56.9 Pounds (25.8 kg)
Maximum Weight Recommendation	150 Pounds (68 kg)
Top Material Type	Engineered Wood (18MM Medium Density Fiberboard, melamine finished)
Frame Material Type	Metal (20MM powder-coated iron pipe)
Number of Shelves	2
Table Extension Mechanism	Drop Leaf
Is Foldable	Yes
Product Care Instructions	Wipe with Dry Cloth

Recommended Number of People for Assembly	2
