2. Important Safety Information

To prevent injury or damage to the product, always adhere to the following safety guidelines:

- Always follow the assembly instructions provided.
- Do not exceed the maximum weight recommendation of 250 pounds.
- Exercise caution when folding and unfolding the table to avoid pinch points.
- Secure the table properly to prevent tipping or collapse.
- Always use a dry cloth for cleaning to prevent damage or injury.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Tabletop sections (3 pieces, pre-attached with hinges)
- Metal frame components
- Storage shelves (2 pieces)
- Caster wheels (2 pieces)
- Assembly hardware (screws, bolts, etc.)
- Assembly tools (screwdriver, wrench - may vary)

4. Setup and Assembly

Assembly typically requires two people. Follow these steps carefully:

1. **Assemble the Metal Frame:** Connect the metal frame components as shown in the diagram, ensuring all parts are securely fastened. The frame forms the base and support structure for the table.
2. **Attach Caster Wheels:** Secure the two caster wheels to the designated legs of the frame. These wheels allow for easy movement of the table.
3. **Prepare Tabletop Sections:** Lay out the tabletop sections on a clean, flat surface. Ensure the pre-attached hinges are correctly aligned.
4. **Attach Tabletop to Frame:** Carefully lift the assembled metal frame and align it with the pre-drilled holes on the underside of the tabletop sections. Secure the tabletop to the frame using the provided screws.
5. **Install Storage Shelves:** Insert the two storage shelves into their respective positions within the metal frame. Ensure they are level and stable.

5. Operating Instructions

The AT-VALY Folding Dining Table offers versatile configurations to suit various needs:

5.1. Fully Extended Dining Table

To use as a full dining table, extend both drop leaves outwards until they are fully horizontal and supported by the underlying frame. This configuration provides the largest surface area for dining or other activities.

5.2. Half-Folded Desk or Console Table

For a compact workspace or console table, fold down one of the drop leaves. The remaining extended half provides ample space for a laptop, books, or decorative items. The integrated shelves remain accessible for storage.

5.3. Fully Folded Side Table or Storage Unit

To maximize space, fold down both drop leaves. The table transforms into a narrow side table or a compact storage unit, ideal for small rooms. The caster wheels allow for easy repositioning.

6. Maintenance

- **Cleaning:** Wipe the table surfaces with a dry, soft cloth. For stubborn marks, use a slightly damp cloth with mild soap, then dry immediately. Avoid abrasive cleaners or harsh chemicals.
- **Hardware Check:** Periodically inspect all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.
- **Caster Wheels:** Keep the caster wheels free of debris to ensure smooth movement.
- **Avoid Excessive Moisture:** Do not expose the table to excessive moisture or direct sunlight for prolonged periods, as this may cause damage to the materials.

7. Troubleshooting

Problem	Possible Cause	Solution
Table is wobbly.	Loose hardware. Uneven floor.	Check and tighten all screws and bolts. Adjust the table's position or use shims if the floor is uneven.
Drop leaves do not extend smoothly.	Hinges are stiff or obstructed.	Ensure hinges are clean and free of debris. Apply a small amount of silicone lubricant if necessary.
Caster wheels do not roll freely.	Debris caught in wheels. Wheels are locked.	Clean any debris from the wheels. Ensure the wheel locks are disengaged.
