

## Satisfyer 4009940

# Satisfyer Epic Duo User Manual

Model: 4009940

## 1. INTRODUCTION

The Satisfyer Epic Duo is a vibrating penis and testicle ring designed to enhance sensations and stamina. It features app control for customizable experiences and is made from body-friendly silicone.

This manual provides instructions for the safe and effective use, setup, operation, and maintenance of your Satisfyer Epic Duo.

## 2. SAFETY INFORMATION

- **Material Safety:** The device is made from medical-grade silicone. If you experience any irritation, discontinue use.
- **Cleaning:** Always clean the device before and after each use with warm water and a mild toy cleaner or antibacterial soap. Rinse thoroughly.
- **Lubrication:** Use only water-based lubricants with this device to prevent damage to the silicone material.
- **Waterproof:** The device is IPX7 waterproof, suitable for use in the shower or bath. Do not submerge deeper than 1 meter for more than 30 minutes.
- **Charging:** Use only the provided magnetic USB charging cable. Do not use the device while charging.
- **Storage:** Store in a clean, dry place away from direct sunlight and extreme temperatures. Keep out of reach of children.
- **Medical Conditions:** Consult a healthcare professional before use if you have any medical conditions, especially those affecting circulation or skin sensitivity.
- **Legal Disclaimer:** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by EIS GmbH is under license. Apple, the Apple logo and Apple Watch are trademarks of Apple Inc., The Android name and the logo are trademarks and property of Google LLC.

### 3. PACKAGE CONTENTS

---

The Satisfyer Epic Duo package typically includes:

- 1 x Satisfyer Epic Duo device
- 1 x Magnetic USB charging cable
- 1 x User Manual (this document)

### 4. SETUP

---

#### 4.1 Charging the Device

1. Locate the magnetic charging contacts on your Satisfyer Epic Duo.
2. Connect the magnetic USB charging cable to these contacts. Ensure a secure connection.
3. Plug the USB end of the cable into a standard USB power adapter (not included) or a computer's USB port.
4. The indicator lights on the device will show charging status. Refer to the device's specific light

patterns for full charge indication (usually solid light or light turning off).

5. A full charge typically takes approximately 2-3 hours.

#### 4.2 Connecting to the Satisfyer Connect App

The Satisfyer Epic Duo can be controlled via the Satisfyer Connect App, available for iOS and Android devices.

1. Download the "Satisfyer Connect" app from the Apple App Store or Google Play Store.
2. Ensure your device is charged and turned off.
3. Enable Bluetooth on your smartphone.
4. Open the Satisfyer Connect App.
5. On the Satisfyer Epic Duo, press and hold the power button for 5 seconds until you feel a double pulse. This indicates the device is in Bluetooth pairing mode.
6. Follow the in-app instructions to connect your device. Once connected, you can control the vibrations, create patterns, and explore other features.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Basic Operation

## Comfortable to Hold and Easy to Use:

Image: The Satisfyer Epic Duo device with labels pointing to the power button and program cycle button.

- **Power On/Off:** Press and hold the power button (marked with a circle and vertical line) for 2 seconds to turn the device on or off.
- **Change Vibration Programs:** While the device is on, press the program button (marked with three vertical bars) to cycle through the 12 available vibration programs.

### 5.2 Application

The Epic Duo is designed to be placed around the shaft of the penis and the testicles. The flexible loops accommodate different sizes and provide restricted blood flow for enhanced stamina. The vibrating tip is positioned to provide stimulation.

The device can be used for solo pleasure or with a partner, with the vibrating tip offering clitoral stimulation during partnered use.

## 6. MAINTENANCE

## 6.1 Cleaning

Proper cleaning ensures hygiene and prolongs the life of your device.

1. Always clean the Satisfyer Epic Duo before and after each use.
2. Wash the device with warm water and a mild toy cleaner or antibacterial soap.
3. Rinse thoroughly to remove all soap residue.
4. Dry the device completely with a lint-free cloth or allow it to air dry.

## 6.2 Storage

Store your Satisfyer Epic Duo in a clean, dry, and dust-free environment. Avoid direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent material degradation.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Battery is depleted.	Charge the device using the provided USB cable. Ensure the magnetic contacts are clean and properly aligned.

Problem	Possible Cause	Solution
Device does not vibrate or vibrations are weak.	Low battery. Device malfunction.	Recharge the device. If the issue persists after charging, contact customer support.
Cannot connect to the Satisfyer Connect App.	Bluetooth is off. Device not in pairing mode. App issue.	Ensure Bluetooth is enabled on your phone. Put the device into pairing mode (hold power button for 5 seconds). Restart the app or your phone. Ensure the app is updated to the latest version.
Device feels too tight or uncomfortable.	Incorrect placement or individual anatomical variation.	Adjust the placement of the ring. The silicone is flexible, but if discomfort persists, discontinue use.
