# Lola From Rio Densidade Acidifying Hair Cream User Manual

Model: 30200100433 | Brand: Lola

## INTRODUCTION

---

The Lola From Rio Densidade Acidifying Hair Cream is formulated to improve hair resistance, align and smooth cuticles, and help prevent breakage and fall. This product specifically balances hair pH (3.0/4.0) and offers protection against damage from chemical processes, modeling tools, pollution, and heavy metals present in water. It is designed to restore hair health and vitality.

## How to Use

---

For optimal results, follow these steps:

1. After shampooing, gently remove excess water from your hair with a towel.
2. Apply a generous amount of the Densidade Acidifying Hair Cream evenly from the roots to the ends of your damp hair.
3. Gently massage the product into your hair.

4. Leave the product on for 5 to 15 minutes.
5. Rinse thoroughly with water until all product is removed.
6. **Frequency:** Use weekly or as needed, especially after chemical treatments, to balance hair pH.

## How to use

After shampooing, remove excess water with a towel. Apply a generous amount from roots to ends and gently massage into the hair.

Leave on for 5 minutes. Rinse thoroughly.

Use weekly or after chemical treatments to balance pH.

# STEPS TO USE

## STEP 1 MASK

Apply from roots to ends.  
Massage gently and leave it on  
for 5 minutes.

To restore the hair's natural pH,  
strengthen the fiber, and smooth  
the cuticle. Rinse thoroughly.

## STEP 2 MASK

Spread it evenly throughout the  
hair. Leave for up to 5 minutes  
and rinse.

## STEP 3 MASK

Apply directly to a clean, dry  
scalp.

Massage gently and leave on  
overnight—no need to rinse.
