4. SETUP

4.1 Charging the Headset

1. Connect the MicroUSB charging cable to the charging port on the headset.
2. Connect the other end of the cable to a USB power source (e.g., computer, wall adapter).
3. The indicator light will show charging status. A full charge typically takes approximately 1 hour.
4. Once fully charged, disconnect the charging cable.

Note: For optimal battery life, fully charge the headset before first use.

4.2 Pairing with a Device

1. Ensure the headset is turned off.

2. Press and hold the Multifunction Button until the indicator light flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, laptop, etc.), enable Bluetooth and search for available devices.
4. Select "TS-1242" (or similar name) from the list of found devices.
5. Once paired, the indicator light on the headset will flash blue slowly, and a voice prompt will confirm the connection.

The headset can connect to two devices simultaneously. After pairing with the first device, turn off its Bluetooth. Pair with the second device. Then, re-enable Bluetooth on the first device, and the headset should connect to both.

4.3 Wearing the Headset

Choose the appropriate earbud adapter and earclip for a comfortable and secure fit. The earclip can be rotated to fit either the left or right ear.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the Multifunction Button for approximately 3 seconds until the indicator light flashes blue.
- **Power Off:** Press and hold the Multifunction Button for approximately 5 seconds until the indicator light flashes red and then turns off.

5.2 Call Management

- **Answer Call:** Short press the Multifunction Button.
- **End Call:** Short press the Multifunction Button during a call.
- **Reject Call:** Press and hold the Multifunction Button for 2 seconds.
- **Redial Last Number:** Double-click the Multifunction Button.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple-click the Multifunction Button.

5.3 Music Playback

- **Play/Pause:** Short press the Multifunction Button.
- **Next Track:** Press and hold the Volume Up button.
- **Previous Track:** Press and hold the Volume Down button.
- **Volume Up:** Short press the Volume Up button.
- **Volume Down:** Short press the Volume Down button.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headset. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The headset is IPX5 water resistant, meaning it can withstand splashes and light rain. Do not submerge the headset in water or expose it to heavy rain.
- **Battery Care:** To preserve battery life, charge the headset regularly, even if not in frequent use. Avoid fully discharging the battery for extended periods.

**Precision Molding
