

CAROTE 10 PCS

CAROTE 10-Piece White Granite Nonstick Induction Cookware Set Instruction Manual

Model: 10 PCS

1. INTRODUCTION

Thank you for choosing the CAROTE 10-Piece White Granite Nonstick Induction Cookware Set. This manual provides essential information for the safe and effective use, maintenance, and care of your new cookware. Designed for durability and superior nonstick performance, this set is compatible with all cooktops, including induction.

2. PRODUCT COMPONENTS

Your CAROTE 10-Piece Cookware Set includes the following items:

- 9.5-inch Fry Pan
- 11-inch Fry Pan
- 2-quart Saucepan with Lid
- 4.5-quart Stockpot with Lid
- 4.5-quart Sauté Pan with Lid
- Spatula
- Steamer

Image 2.1: Complete CAROTE 10-Piece White Granite Cookware Set.

The set is crafted from reinforced die-cast aluminum with a white granite nonstick coating, ensuring durability and even heat distribution.

CAROTE 10-Piece White Granite Set

Image 2.2: Detailed view of each component included in the 10-piece set, showing frying pans, saucepans, stockpot, sauté pan, steamer, and spatula.

3. SETUP AND FIRST USE

Before using your new CAROTE cookware for the first time, please follow these steps:

1. Remove all packaging materials, labels, and tags from the cookware.
2. Wash each piece thoroughly with warm, soapy water using a soft sponge or cloth.
3. Rinse well and dry completely.
4. Condition the nonstick surface by rubbing a small amount of cooking oil over the entire interior surface with a paper towel. Heat the pan over low heat for 30 seconds, then let it cool. Wipe off any excess oil. This step helps optimize the nonstick properties.

Your CAROTE cookware is PFOA and PFOS free, ensuring a safer and healthier cooking experience.

Never
Stick”*

Image 3.1: Illustration highlighting the PFOA, Cadmium, and Lead-free composition of the cookware for safe cooking.

4. OPERATING INSTRUCTIONS

The CAROTE cookware set is designed for versatile cooking and is compatible with various heat sources:

- Induction Stovetops
- Electric Stovetops
- Gas Stovetops
- Ceramic Stovetops

Heat Settings: Use low to medium heat for most cooking tasks. The cookware heats up quickly and evenly due to its extended bottom design. High heat is generally not necessary and can damage the nonstick coating over time.

Nonstick Performance: The top-level, harder nonstick granite material provides 10x ultra nonstick performance, allowing food to release easily and making cooking more efficient.

5. MAINTENANCE AND CARE

Proper care will extend the life and performance of your CAROTE cookware:

- **Hand Wash Recommended:** It is recommended to hand wash the cookware as it is effortless to clean. Simply wipe it with a paper towel or rinse it with water.
- **Avoid Dishwasher:** This cookware is not dishwasher safe. Dishwasher detergents can be abrasive and may degrade the nonstick coating over time.
- **Use Non-Abrasive Utensils:** To protect the nonstick surface, use wooden, silicone, or plastic utensils. Avoid metal utensils, as they can scratch and damage the coating.
- **Cool Before Cleaning:** Allow cookware to cool completely before washing to prevent warping and thermal shock to the nonstick surface.
- **Storage:** When storing, place a soft cloth or paper towel between stacked pans to prevent scratching the nonstick surface.

Image 5.1: A hand easily wiping clean the nonstick surface of a pan with a paper towel, demonstrating its ease of cleaning.

6. TROUBLESHOOTING

While CAROTE cookware is designed for durability, here are some common issues and solutions:

- **Food Sticking:** Ensure the pan is properly conditioned (see Section 3). Always use a small amount of oil or butter. Avoid high heat, which can degrade the nonstick properties.
- **Discoloration:** Over time, slight discoloration may occur, especially if cooking at consistently high temperatures. This is normal and does not affect performance.
- **Warping:** Avoid sudden temperature changes (e.g., placing a hot pan under cold water). Always allow the pan to cool naturally before cleaning.
- **Handles Getting Hot:** While Bakelite handles are designed to stay cool, prolonged exposure to high heat, especially on gas stoves where flames extend up the sides, can cause them to warm. Use oven mitts if necessary.

7. SPECIFICATIONS

Feature	Detail
Brand	CAROTE
Model Number	10 PCS
Material	White Granite, Aluminum, Glass, Wood, Silicone
Color	Cream White
Number of Pieces	10
Handle Material	Bakelite
Nonstick Coating	10x Ultra Non-stick Granite Material
Compatibility	Induction, Electric, Gas, Ceramic Stovetops
Oven Safe	No
Dishwasher Safe	No (Hand Wash Recommended)
Material Type Free	PFOA Free
Item Weight	16.42 pounds
Product Dimensions	9.15 x 5.81 x 3.1 inches

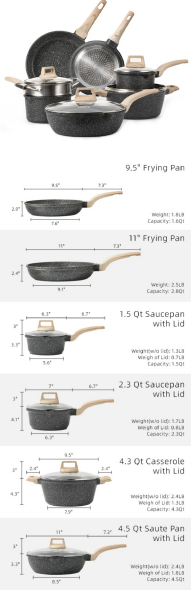

8. WARRANTY AND SUPPORT

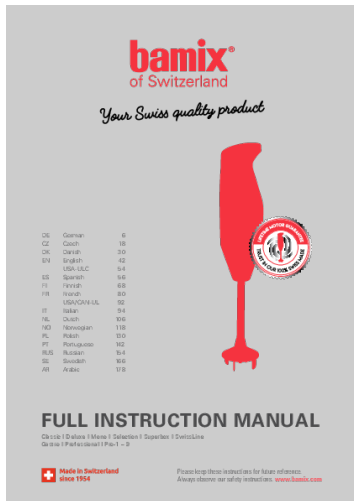

CAROTE provides a **12-month warranty** from the date of purchase. If you encounter any quality problems or have questions regarding your cookware set, please do not hesitate to reach out to CAROTE customer support. You will be guaranteed a satisfying solution.

For support, please visit the official CAROTE store or contact their customer service channels.

Thank you for choosing CAROTE.
