## Hot Wheels L2593

# Hot Wheels Zombot Toy Car Instruction Manual

Model: L2593

## 1. INTRODUCTION AND OVERVIEW

---

The Hot Wheels Zombot is a 1:64 scale die-cast toy car, part of the Hot Wheels collection. This specific model, L2593, features a distinctive blue finish and a unique Zombot design. It is designed for manual play and does not require batteries or assembly. This manual provides essential information for the proper use and care of your Hot Wheels Zombot.

## 2. SETUP

The Hot Wheels Zombot toy car comes fully assembled and ready for immediate play. No batteries or additional setup are required before use.

- Remove the car from its packaging.
- Ensure the wheels are free to rotate.
- The car is now ready for play.

### 3. OPERATING INSTRUCTIONS

---

The Hot Wheels Zombot operates manually. It is designed for push-and-play action on various surfaces.

1. Place the Hot Wheels Zombot on a flat, smooth surface or a compatible Hot Wheels track (sold separately).
2. Gently push the car forward to initiate movement.
3. The car will roll smoothly, allowing for imaginative play scenarios.

### 4. MAINTENANCE

---

Proper maintenance will help preserve the condition and functionality of your Hot Wheels Zombot.

- **Cleaning:** Wipe the car with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the paint finish or internal components.
- **Storage:** Store the toy car in a dry place, away from direct sunlight and extreme temperatures, to prevent fading or material degradation.
- **Inspection:** Periodically check the wheels and axles for any signs of damage or obstruction.

### 5. TROUBLESHOOTING

---

If you encounter issues with your Hot Wheels Zombot, consider the following:

Problem	Possible Cause	Solution
Car does not roll smoothly	Debris caught in wheels or axles; bent axle.	Inspect wheels and axles for hair, lint, or other obstructions and carefully remove them. Check if axles are bent and gently attempt to straighten if possible.
Paint chipping or fading	Rough handling; exposure to harsh chemicals or direct sunlight.	Handle the car with care. Avoid using abrasive cleaners. Store away from direct sunlight.
