Arcchio 9939025

Arcchio LED 'Albiona' Pendant Lamp Instruction Manual

Model: 9939025 | Brand: Arcchio

Introduction

Welcome and thank you for choosing the Arcchio LED 'Albiona' pendant lamp. This manual provides essential information for the safe installation, operation, and maintenance of your new lighting fixture. Please read these instructions carefully before beginning installation and retain them for future reference.

Safety Information

To ensure safe operation and prevent damage, please observe the following safety guidelines:

- **Electrical Installation:** Installation should be performed by a qualified electrician in accordance with all local and national electrical codes.
- **Power Disconnection:** Always disconnect the main power supply at the circuit breaker or fuse box before attempting any installation, maintenance, or cleaning.
- **Voltage:** Ensure the supply voltage matches the lamp's specified voltage (230 Volts).
- **Handling:** Handle the lamp with care to avoid damage to the LED components or the structure.
- **Environment:** This lamp is rated IP20, meaning it is protected against solid objects larger than 12.5mm but has no protection against water. Do not install in damp or wet locations.
- **Light Source:** The LED light sources are integrated and not user-replaceable. Do not attempt to open or modify the LED modules.

Package Contents

Please verify that all components are present and undamaged before proceeding with installation. If any parts are missing or damaged, contact your retailer.

- Arcchio LED 'Albiona' Pendant Lamp Assembly
- Ceiling Rose with integrated LED drivers
- Mounting Hardware (screws, wall plugs)
- Instruction Manual

Setup and Installation

Important: Installation should be performed by a qualified electrician to ensure safety and compliance with local electrical codes.

1. **Prepare for Installation:** Turn off the main power supply to the installation area at the circuit breaker. Ensure the power is off using a voltage tester.
2. **Mark Drilling Points:** Position the ceiling rose against the ceiling at the desired installation location. Mark the drilling points for the mounting screws.
3. **Drill Holes and Insert Wall Plugs:** Drill holes at the marked points and insert appropriate wall plugs suitable for your ceiling material.
4. **Connect Wiring:** Open the ceiling rose. Connect the household electrical wires to the terminal block inside the ceiling rose, ensuring correct polarity (Live, Neutral, Earth). Secure all connections.
5. **Mount Ceiling Rose:** Secure the ceiling rose to the ceiling using the provided screws.

6. **Adjust Suspension Cables:** Carefully adjust the length of the suspension cables to achieve the desired height and orientation of the lamp rings. Ensure the rings are balanced.
7. **Final Check:** Double-check all connections and ensure the lamp is securely mounted.
8. **Restore Power:** Turn the main power supply back on.

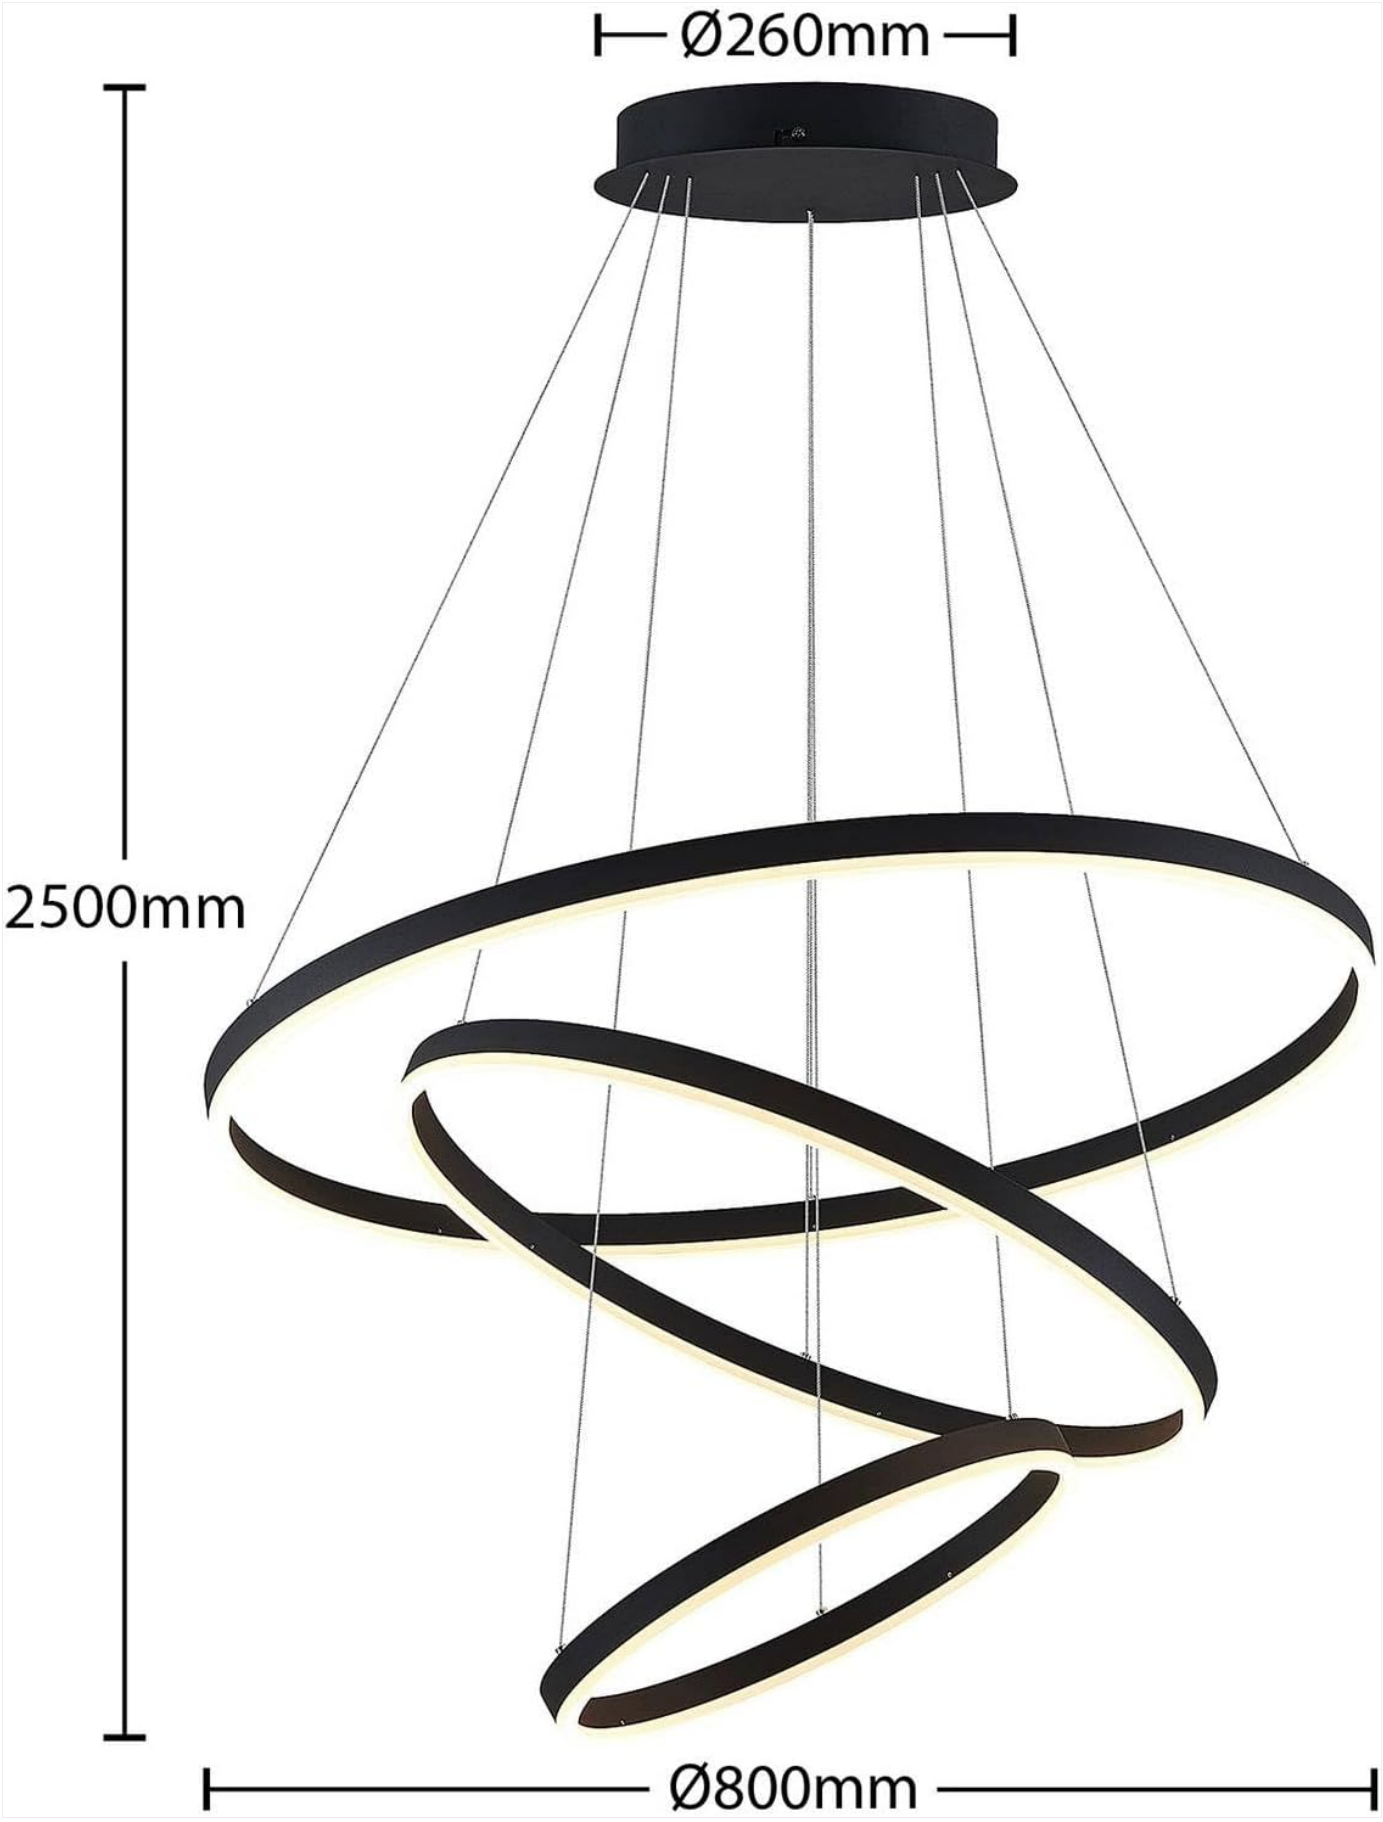

Image: Dimensional diagram of the Arcchio Albiona pendant lamp, showing a diameter of 800mm for the largest ring, a ceiling rose

diameter of 260mm, and an adjustable maximum height of 2500mm.

Operating Instructions

The Arcchio 'Albiona' LED pendant lamp is designed for simple operation via a standard wall switch.

- **Turning On/Off:** Use your existing wall switch to turn the lamp on or off.
- **Light Output:** The integrated LEDs provide a consistent light output suitable for various indoor environments.

Maintenance

Proper care will ensure the longevity and appearance of your Arcchio 'Albiona' pendant lamp.

- **Cleaning:** Disconnect power before cleaning. Wipe the lamp gently with a soft, dry, lint-free cloth. Do not use abrasive

cleaners, solvents, or harsh chemicals, as these can damage the finish or LED components.

- **LED Care:** The integrated LED light sources are designed for a long lifespan and do not require replacement. Do not attempt to service or replace the LEDs yourself.

Troubleshooting

If you encounter any issues with your lamp, refer to the following table for common problems and solutions.

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply; loose wiring connection; faulty wall switch.	Check circuit breaker. Ensure all wiring connections are secure (consult an electrician). Test wall switch.
Light flickers.	Loose wiring connection; incompatible dimmer switch (if applicable); power fluctuations.	Check wiring connections (consult an electrician). Ensure power supply is stable.
Lamp is damaged.	Physical impact; manufacturing defect.	Do not attempt repairs. Contact your retailer or a qualified technician.

Specifications

Feature	Detail
Brand	Arcchio
Model Number	9939025
Dimensions (L x W x H)	80 x 80 x 250 cm (adjustable height)
Weight	4.66 Kilograms
Material	Metal
Colour	Black, White (LED elements)
Light Source Type	Integrated LED
Total Wattage	111.6 Watts
Voltage	230 Volts
IP Rating	IP20
Number of Lights	3 (rings)
Power Source	Corded Electric
Switch Installation Type	Ceiling Mount
