

Pyle PLINTBL10

Pyle PLINTBL10 Double DIN Car Stereo Receiver User Manual

Model: PLINTBL10

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Pyle PLINTBL10 Double DIN Car Stereo Receiver. Please read this manual thoroughly before using the device to ensure proper functionality and to prevent damage.

The Pyle PLINTBL10 is a versatile car multimedia player featuring an Android 8.1 operating system, a 10.1-inch HD touchscreen, Bluetooth connectivity, GPS navigation, AM/FM radio, and mirror link capabilities for Android and iOS devices.

2. WHAT'S IN THE BOX

Before installation, please verify that all components are present:

- 10.1 Inch Android Car Stereo
- GPS Antenna
- External Microphone
- (2) USB Adapter Cables
- (2) Installation Brackets
- RCA Cables
- Universal Power Cord
- ISO Power Cord

3. SETUP AND INSTALLATION

Proper installation is crucial for optimal performance. It is recommended that installation be performed by a qualified professional.

3.1 Wiring Diagram

Refer to the following diagram for connecting the power, audio, and accessory cables to the back panel of the unit.

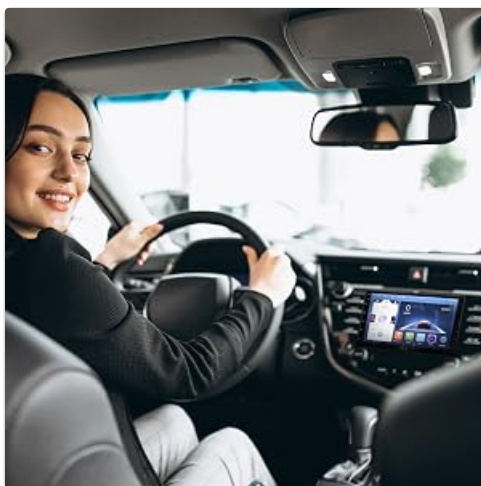

Figure 3.1: Back Panel Wiring Connections.

Key Connections:

- **Power Cable:** Connects to the vehicle's power supply.
- **Radio Antenna:** Connects to the vehicle's FM/AM antenna.
- **GPS Antenna:** Connects to the included GPS antenna for navigation functionality.
- **USB Inputs:** For connecting USB devices, mirror link, and USB car recorder.
- **RCA Inputs/Outputs:** For audio/video input and output, including rearview camera input.

3.2 Initial Power-On

After successful wiring, turn on your vehicle's ignition. The unit should power on automatically. Follow the on-screen prompts for initial setup, including language selection and time zone settings.

4. OPERATING INSTRUCTIONS

The Pyle PLINTBL10 features a user-friendly interface with a high-sensitivity capacitive touchscreen.

4.1 Touch Screen Operation

Navigate through menus and control functions by touching the icons and elements on the 10.1-inch HD display. The interface is designed for intuitive use.

Figure 4.1: Touch Screen Control Interface.

4.2 Bluetooth Connectivity

The unit includes built-in Bluetooth for wireless music streaming and hands-free calling. To connect your device:

1. Go to the Bluetooth settings on the car stereo.
2. Enable Bluetooth on your smartphone or other device.
3. Search for available devices on your phone and select "Pyle PLINTBL10" (or similar name).
4. Confirm the pairing code if prompted.

Once connected, you can stream audio and make/receive calls directly through the car stereo. The unit supports contact list import and features a digital phone dial pad display.

4.3 GPS Navigation

The Pyle PLINTBL10 features Android 8.1 GPS navigation. Ensure the GPS antenna is properly installed for accurate positioning. You can use pre-installed navigation apps or download others from the app store.

Figure 4.3: GPS Navigation in Use.

4.4 AM/FM Radio

Access the AM/FM radio function from the main menu. You can scan for stations, save presets, and switch between AM and FM bands. The unit has 30 station memory slots.

4.5 Media Playback

The unit supports various digital media files including JPEG, MP3, MP4, AVI, and WAV. You can play media from USB drives. The 1080P HD display ensures clear video playback.

4.6 Mirror Link

The mirror link function allows you to sync your Android or iOS smartphone to the car stereo's display via USB. This enables you to view and interact with your phone's content, such as navigation, videos, and apps, on the larger screen.

4.7 Rearview Camera Support

The unit supports rearview camera input. When a compatible camera is connected and the vehicle is in reverse, the display will automatically switch to the camera feed, assisting with parking and maneuvering.

4.8 Audio Controls

Customize your audio experience with the built-in EQ audio controls. Adjust brightness, contrast, and color settings for the display to suit your preferences.

Your browser does not support the video tag.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Pyle PLINTBL10 car stereo, follow these general maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the touchscreen and exterior. Avoid abrasive cleaners or solvents that could damage the surface.
- **Temperature:** Avoid exposing the unit to extreme temperatures, both hot and cold, for extended periods.
- **Software Updates:** Periodically check for available software updates to ensure the system is running the latest version, which may include performance improvements and bug fixes.
- **Cable Connections:** Ensure all cables are securely connected. Loose connections can lead to intermittent issues.

6. TROUBLESHOOTING

If you encounter issues with your Pyle PLINTBL10, refer to the following common troubleshooting steps:

- **No Power:** Check all power connections. Ensure the vehicle's ignition is on and the fuse is not blown.
- **No Sound:** Verify speaker connections. Check volume settings and ensure the mute function is not active.
- **Bluetooth Connection Issues:** Ensure Bluetooth is enabled on both the stereo and your device. Try unpairing and re-pairing the device. Clear previous Bluetooth connections if necessary.
- **GPS Not Working:** Confirm the GPS antenna is properly connected and has a clear view of the sky. Check navigation app settings.
- **Touchscreen Unresponsive:** Try restarting the unit. If the issue persists, a factory reset might be necessary (refer to system settings).
- **System Slow/Lagging:** Close unnecessary background applications. Ensure sufficient storage space. A factory reset can often resolve persistent performance issues.

For more complex issues, contact Pyle customer support or consult a professional installer.

7. SPECIFICATIONS
