Amway SA8 Delicate 500ml

Amway Home SA8 Delicate Concentrated Liquid Laundry Detergent

Model: SA8 Delicate 500ml

PRODUCT OVERVIEW

The Amway Home SA8 Delicate Concentrated Liquid Laundry Detergent is formulated for gentle yet effective cleaning of delicate fabrics. This concentrated liquid detergent is designed to provide excellent cleaning performance while being gentle on clothes, helping to maintain their quality and color. It is suitable for both hand washing and machine washing.

Image: A 500ml bottle of Amway Home SA8 Delicate Concentrated Liquid Laundry Detergent. The white bottle features a label with the Amway Home logo, 'SA8 Delicate', and an image of various delicate clothing items.

PREPARATION FOR USE

Before washing, always check the care labels on your garments for specific washing instructions. Sort laundry by color and fabric type. For heavily soiled items, pre-treating may be beneficial. Ensure the detergent bottle is shaken gently before use to ensure consistent concentration.

USAGE INSTRUCTIONS

Machine Washing:

- Add the recommended amount of detergent to your washing machine's dispenser drawer.
- For standard loads, a small amount is typically sufficient due to its concentrated formula. Refer to your washing machine's manual for specific detergent compartment usage.
- Select the appropriate wash cycle and water temperature for your delicate garments as per their care labels.

Hand Washing:

- Pour a small amount of detergent into a basin or sink filled with water.
- Gently agitate the water to dissolve the detergent.
- Submerge your delicate garments and gently squeeze the fabric to allow the detergent to penetrate.

Avoid harsh scrubbing or twisting.

- Rinse thoroughly with clean water until all suds are gone.

STORAGE AND CARE

To maintain the quality and effectiveness of your Amway Home SA8 Delicate Concentrated Liquid Laundry Detergent, store it in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure the cap is tightly closed after each use to prevent spillage and maintain product integrity. Keep out of reach of children and pets.

TROUBLESHOOTING

- **Stains Not Fully Removed:** For stubborn stains, consider pre-treating the stain directly with a small amount of detergent before washing, or increase the detergent dosage slightly for heavily soiled items. Always test on an inconspicuous area first.
- **Excessive Suds:** If too many suds are produced, especially in high-efficiency machines, reduce the amount of detergent used in subsequent washes. This concentrated formula requires less product.
- **Residue on Clothes:** Ensure garments are thoroughly rinsed. If residue persists, it may indicate too much detergent was used or the rinse cycle was insufficient. Re-rinse the garments.

If you encounter persistent issues not covered here, please refer to the manufacturer's official website for further assistance or contact their customer support.

SPECIFICATIONS

Product Dimensions	3.94 x 3.15 x 2.36 inches; 1.26 Pounds
Item Form	Liquid
Scent	Floral
Unit Count	16.91 Fluid Ounces (500ml)
Material Type Free	Dye Free, Bleach Free, Sulfate Free, Phosphate Free
Manufacturer	Amway
Date First Available	July 25, 2016
