# Sofucor 52" Ceiling Fan with Lights and Remote Control User Manual

Brand: Sofucor | Model: 72a0562d-97b0-4f33-997e-b34f8667172a

## 1. PRODUCT OVERVIEW

The Sofucor 52-inch ceiling fan features a unique wave design with three solid wood blades and integrated dimmable LED lighting. It is equipped with an upgraded DC motor for quiet and energy-efficient operation, suitable for both indoor and covered outdoor spaces like patios. The fan offers multiple speed settings, a timing function, and reversible motor direction for year-round comfort.

A full view of the Sofucor 52-inch ceiling fan featuring three light wood grain blades and an integrated LED light, designed for modern indoor and outdoor spaces.

## Key Features:

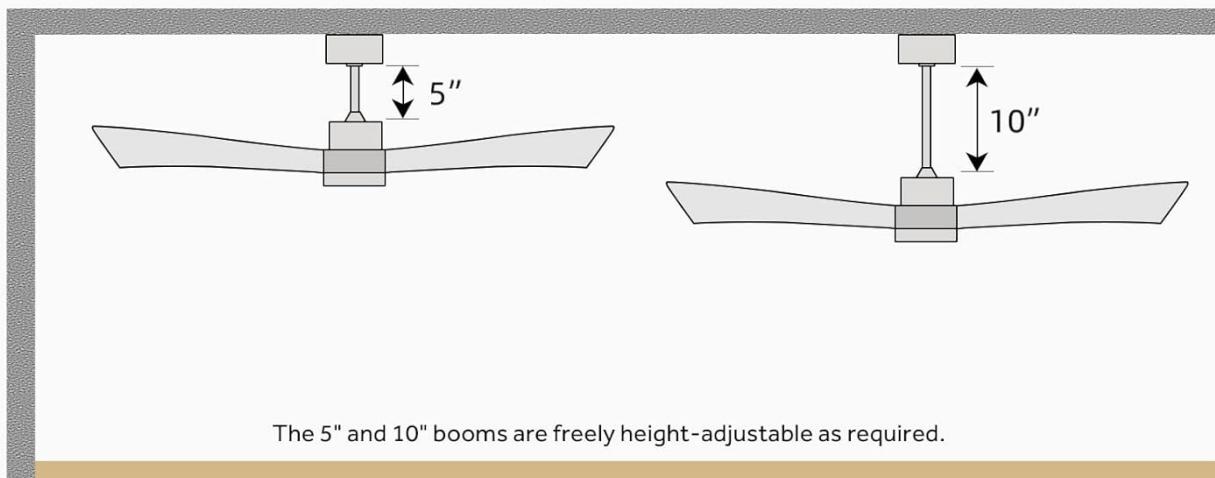

- **Wave Unique Design:** Draws inspiration from ocean's graceful wave formations for a stylish profile.
- **Multi-speed & Ultra Quiet:** 1-6 speed modes with an upgraded DC motor for quiet operation.
- **Multi-function Remote Control:** 0-100% brightness adjustment, 1-6 speeds, 1/4/8 hours timer, reversible DC motor.

- **Energy Efficiency:** Thickened DC motor provides up to 75% energy saving.
- **Multi-scenes & Year Around:** 5" and 10" downrods for various ceiling heights; reversible motor for summer cooling and winter air circulation.

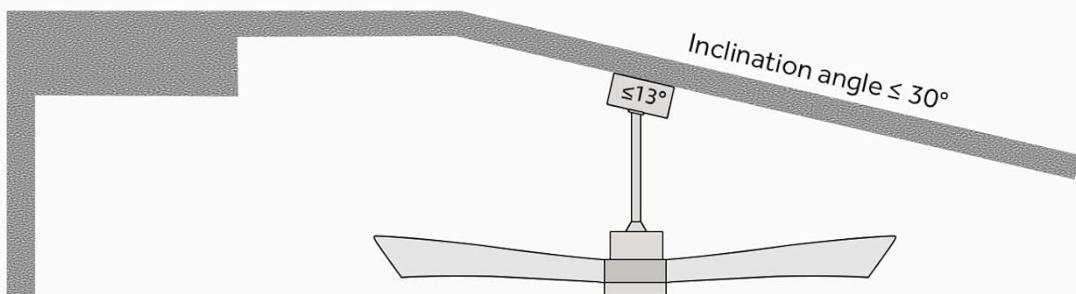

## 2. SETUP AND INSTALLATION

Proper installation is crucial for the safe and optimal performance of your Sofucor ceiling fan. It is recommended to have the fan installed by a qualified electrician. Detailed installation videos and manuals are typically provided with the product to guide you through the process.

### 5"/ 10"Downrod Options ( packed )

### Flat / Sloped Ceiling Compatible

The ceiling fan can be tilted up to 13 degrees and can be installed on an inclined plane.

The fan comes with 5-inch and 10-inch downrods to accommodate different ceiling heights. It is compatible with both flat ceilings and sloped ceilings up to 13 degrees.

# Wide Application

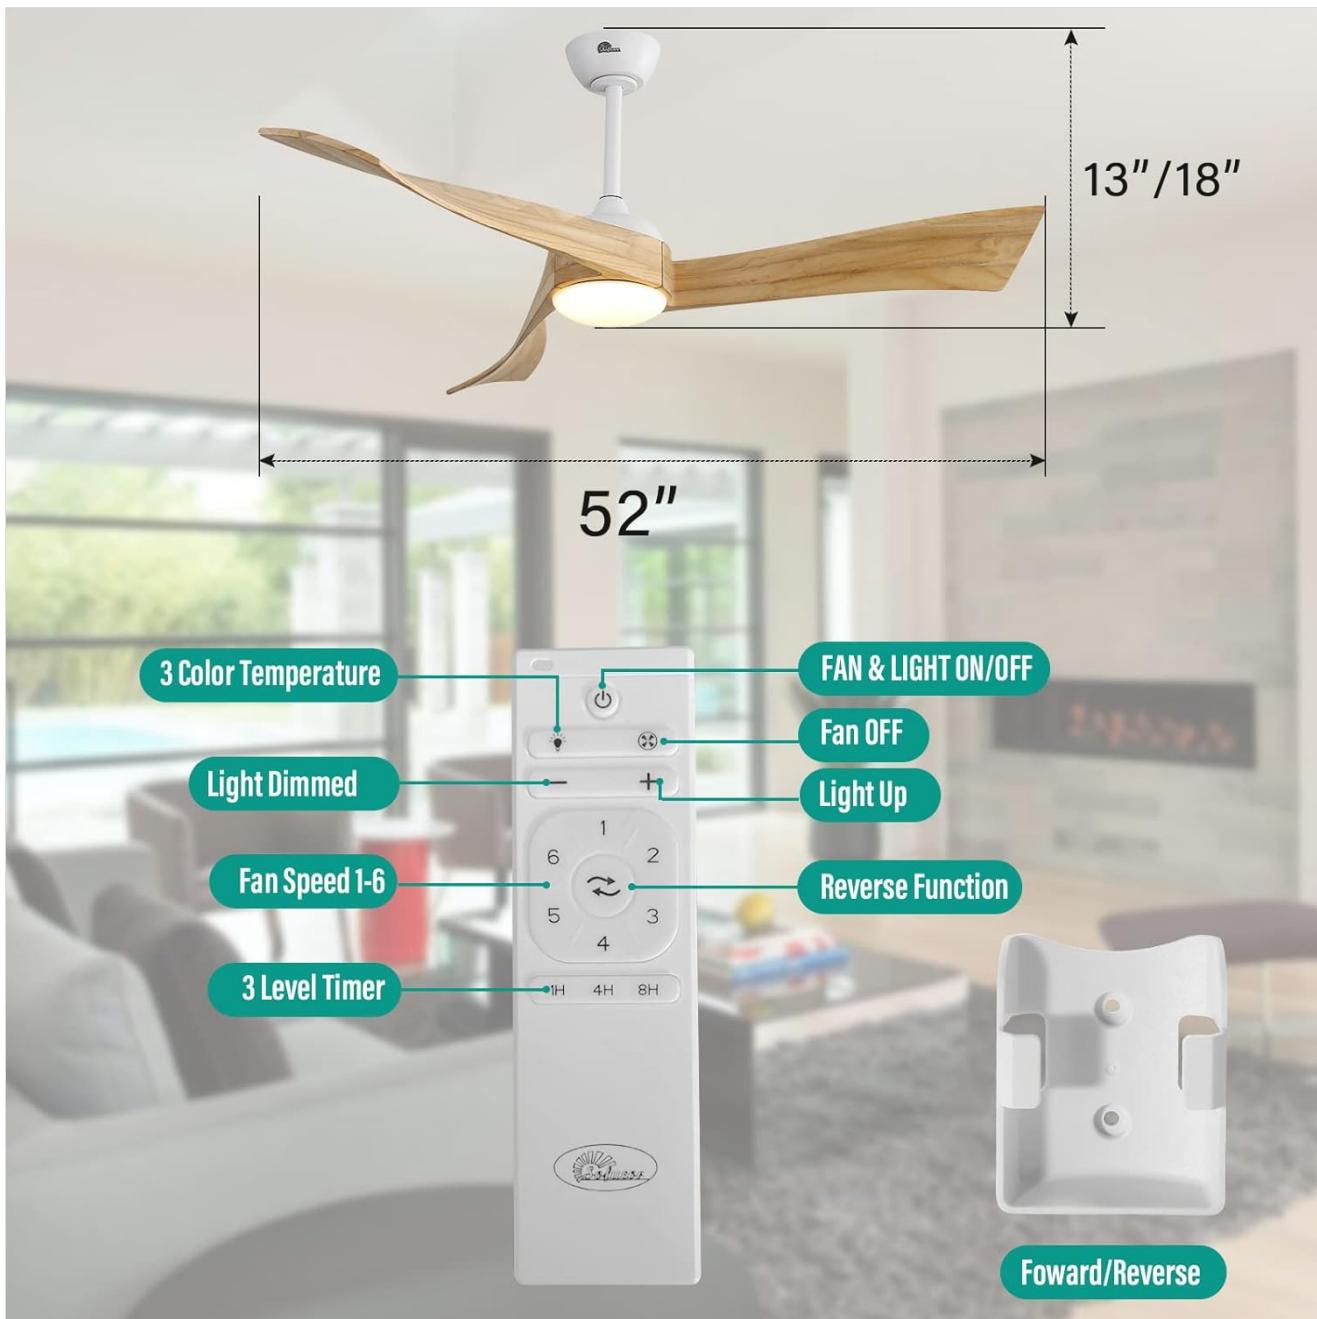

This diagram visually confirms the ceiling fan's compatibility with both flat and sloped ceilings (up to 13 degrees inclination), with a recommendation for ceiling heights of 8 feet and greater.

## Pre-Installation Checklist:

- Ensure power is disconnected at the circuit breaker before beginning installation.
- Verify all components are present as per the packing list.
- Select the appropriate downrod length (5" or 10") for your ceiling height.
- Confirm your ceiling is suitable for mounting (flat or sloped up to 13 degrees).

## 3. OPERATING INSTRUCTIONS

Your Sofucor ceiling fan is operated via a multi-function remote control, providing convenient access to all settings.

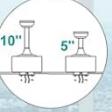

The multi-function remote control allows adjustment of 3 color temperatures, light dimming, fan speed (1-6), reverse function, and 3-level timer (1H/4H/8H). It also has separate on/off buttons for the fan and light.

### Remote Control Functions:

- Power Button:** Turns the fan and light on/off.
- Light On/Off:** Toggles the light independently.
- LED +/-:** Adjusts light brightness (0-100%).
- Fan Speed (1-6):** Selects desired fan speed from gentle breeze (1) to powerful airflow (6).
- Reverse Function:** Changes the direction of blade rotation for summer (downdraft) or winter (updraft) modes.
- Timer (1H/4H/8H):** Sets the fan to automatically turn off after 1, 4, or 8 hours.

## Multifunction Meet Your Different Cooling Options

 1h / 4h / 8h Timer Function	 6 Adjustable Speeds	 2 Downrod (5"/10")	 0-100% Brightness Adjustment
 Reversible Motors	 Energy Efficient	 Quiet Operation	 Remote Control

This image highlights key features of the Sofucor ceiling fan, including 1h/4h/8h timer function, 6 adjustable speeds, 2 downrod options (5"/10"), 0-100% brightness adjustment, reversible motors, energy efficiency, quiet operation, and remote control.

The ceiling fan's integrated light offers 0-100% dimmable brightness, allowing adjustment for various scenes such as working, party, reading, or sleeping.

# Can Be Used In Summer And Winter

## Summer downdraft Mode

Air circulates downward to enjoy cool natural wind

## Winter Updraft Mode

Enhance upward air circulation in winter

The fan features a reversible DC motor, enabling a downdraft mode for cooling in summer and an updraft mode for air circulation in winter.

## Operational Demonstration:

Your browser does not support the video tag.

Official product video demonstrating the Sofucor ceiling fan's operation, including light control and fan speed adjustments.

## 4. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ceiling fan.

- Cleaning:** The ABS blades are easy to clean. Use a soft, damp cloth to wipe down the blades and motor housing. Avoid harsh chemicals or abrasive cleaners.
- Blade Inspection:** Periodically check that all blade screws are tight. Loose blades can cause wobbling and noise.

- **Light Source:** The integrated LED light is designed for long-term use. If replacement is ever needed, consult the manufacturer's guidelines or a qualified technician.

## 5. TROUBLESHOOTING

If you encounter any issues with your Sofucor ceiling fan, refer to the common problems and solutions below. For complex issues, contact customer support.

### Common Issues & Solutions:

- **Fan Not Operating:**
  - Check power supply at the circuit breaker.
  - Ensure remote control batteries are functional and correctly inserted.
  - Verify the remote control receiver is properly connected inside the canopy.
- **Fan Wobbles:**
  - Ensure all blade screws are securely tightened.
  - Check that the mounting bracket is firmly attached to the ceiling junction box.
  - Verify blades are not warped or damaged.
- **Light Not Working or Flickering:**
  - Check light wiring connections.
  - If flickering persists, the LED light board may need replacement. Contact customer service for assistance.
- **Noise from Fan:**
  - Ensure all screws are tight and no components are loose.
  - Verify the fan is properly balanced.
  - The DC motor is designed for quiet operation; unusual noises may indicate an installation issue or component problem.
- **Damaged or Scratched Upon Arrival:**
  - Contact Sofucor customer service immediately for a new package or accessories.

## 6. SPECIFICATIONS

Attribute	Detail
Brand	Sofucor
Model Number	72a0562d-97b0-4f33-997e-b34f8667172a

Size	52"
Color	Light Wood Grain
Electric Fan Design	Ceiling Fan
Power Source	Corded Electric
Style	Modern
Room Type	Kitchen, Bedroom, Living Room
Special Feature	Remote Control
Recommended Uses	Cooling, Air Circulation
Wattage	35 watts
Finish Type	Matte
Number of Blades	3
Blade Length	52 Inches
Speed	6 RPM (6 speeds)
Voltage	120 Volts (AC)
Switch Type	Remote
Item Weight	15.99 pounds
Included Components	Remote
Indoor/Outdoor Usage	Outdoor
Control Method	Remote
Efficiency	Energy-efficient
Number of Power Levels	6
Country of Origin	China
Package Dimensions	29 x 15 x 9.3 inches

## 7. WARRANTY AND SUPPORT

Sofucor is committed to providing high-quality products and excellent customer service.

- Warranty:** The ceiling fan comes with a 3-year protection plan and lifelong motor maintenance.
- Customer Support:** A 24-hour technical team is available to assist with any questions or issues.
- Damaged Goods:** If the fan is damaged or scratched upon receipt, contact Sofucor for a new package or accessories.
- Protection Plans:** Additional protection plans are available for purchase, including 3-Year and 4-Year plans.
