Yaheetech YA-00096003

Yaheetech Wall Cabinet with Mirror (Model YA-00096003) Instruction Manual

PRODUCT OVERVIEW

The Yaheetech Wall Cabinet with Mirror is designed to provide efficient storage and enhance the aesthetics of your bathroom or kitchen. This versatile cabinet features two mirrored doors, an adjustable internal shelf, and an open lower compartment, offering practical storage solutions for various items.

Its wall-mounted design optimizes space, keeping the cabinet away from damp floors and ensuring long-term durability. Constructed from E1-compliant engineered wood, it is water-resistant and easy to clean.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use.

- The maximum recommended load for the top of the cabinet is **6 kg**.
- The maximum recommended load for each internal shelf is **4 kg**.
- The maximum recommended load for the open lower compartment is **6 kg**.
- Exceeding these limits could cause damage to the furniture or adjacent structures, and may result in injury.
- Ensure the cabinet is securely mounted to a suitable wall structure to prevent tipping.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package includes all necessary hardware and an illustrated manual.

- Cabinet panels (top, bottom, sides, back)

- Mirrored doors
- Adjustable shelf
- Door handles
- Magnetic catches
- Assembly hardware (screws, dowels, shelf pins, wall anchors)
- Instruction manual

SETUP AND ASSEMBLY

Assembly of this wall cabinet is designed to be straightforward and typically takes approximately 30 minutes. Follow the step-by-step instructions provided in the included manual.

- 1. Prepare the Area:** Clear a spacious, clean area for assembly. Lay out all components and hardware.
- 2. Assemble the Frame:** Connect the side panels to the top and bottom panels using the provided hardware.
- 3. Install Back Panel:** Secure the back panel to the assembled frame.
- 4. Attach Doors:** Mount the mirrored doors to the cabinet frame using the hinges.
- 5. Install Handles and Catches:** Attach the door handles and magnetic catches.
- 6. Insert Adjustable Shelf:** Place the shelf pins into the desired holes and position the adjustable shelf.
- 7. Wall Mounting:** Choose a suitable wall location. Mark and drill holes for the wall anchors. Securely mount the cabinet to the wall using appropriate fasteners for your wall type.

Detail of the magnetic catch mechanism, ensuring the cabinet doors remain securely closed.

OPERATING INSTRUCTIONS

This wall cabinet is designed for simple and practical use.

- **Opening/Closing Doors:** Use the handles to gently open and close the mirrored doors. The magnetic catches will keep them securely shut.
- **Adjusting Shelf Height:** To adjust the internal shelf, remove all items from the shelf. Carefully lift the shelf and remove the four shelf pins. Reinsert the pins into the desired holes at a new height, then place the shelf back onto the pins.
- **Storage:** Utilize the internal shelves and the open lower compartment for storing bathroom essentials, kitchen items, or decorative objects. Ensure items are distributed evenly and do not exceed the maximum load capacities.

The cabinet interior with both doors open, revealing two internal shelves filled with various bathroom essentials like bottles and jars.

MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Wall Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Water Resistance:** The cabinet is designed to be water-resistant. However, avoid prolonged exposure to excessive moisture or standing water. Promptly wipe away any spills.
- **Mirror Care:** Clean the mirrored surfaces with a glass cleaner and a soft, lint-free cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Regular Checks:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your Yaheetech Wall Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all assembly screws are tightened. If wall-mounted, verify that the wall anchors are secure and appropriate for your wall type.
- **Doors Not Closing Properly:** Check that the hinges are correctly aligned and tightened. Ensure the magnetic catches are properly installed and aligned with the door plates.
- **Shelf Not Level:** Verify that the shelf pins are inserted into corresponding holes at the same height on both sides.
- **Missing Parts:** If any parts are missing from the package, please contact customer support immediately.

SPECIFICATIONS

Feature	Detail
