Utopia Bedding UB1855

Utopia Bedding Premium Waterproof Bed Bug Mattress Cover - Twin 6" Deep Instruction Manual

Introduction

Thank you for choosing the Utopia Bedding Premium Waterproof Bed Bug Mattress Cover. This zippered mattress encasement is designed to provide comprehensive protection for your mattress against bed bugs, dust mites, and spills, ensuring a clean and healthy sleep environment. This manual provides instructions for proper installation, care, and maintenance to maximize the lifespan and effectiveness of your mattress cover.

Key Features:

- **Premium Mattress Encasement:** Designed to perfectly fit Twin size mattresses measuring 39 inches by 75 inches, with an 6 inch deep pocket for a snug, secure fit.
- **Ultimate Protection:** Features a zippered closure to safeguard your mattress from bed bugs and dust mites.
- **Waterproof:** Offers dual protection against spills and stains, keeping your mattress dry and clean.
- **Comfortable Fabric:** Made from high-end smooth knitted polyester fabric for a comfortable feel and breathability, preventing heat retention.
- **Easy Maintenance:** Machine washable for quick and convenient upkeep.

Installation Guide

Follow these steps for proper installation of your mattress encasement. For best results, installation is easier with two people.

Image: Visual guide demonstrating the five steps to install the mattress encasement.

1. **Prepare the Mattress:** Stand the mattress upright against a wall to prepare for encasement.
2. **Position the Encasement (Two People Recommended):** Unzip the encasement completely and position the opening at the top of the mattress. Gently and evenly pull the cover down over both sides of the mattress. Keep the encasement unzipped for now.
3. **Pull Down and Adjust:** Gradually pull the encasement down over the mattress until it fits snugly at the top and sides.
4. **Place and Zip:** Carefully lay the mattress flat on the bed. Adjust the encasement to ensure it is level and smooth. Once positioned correctly, zip the encasement closed.
5. **Secure the Zipper:** Fold the protective flap over the zipper and press it to lock it in place, ensuring a complete seal. The encasement is now fully installed.

Product Benefits and Usage

The Utopia Bedding Premium Waterproof Bed Bug Mattress Cover offers multiple layers of protection for your mattress.

Waterproof Protection:

This mattress encasement is designed to be 100% waterproof, protecting your mattress from spills, stains, and accidents. The waterproof barrier ensures liquids do not penetrate, keeping your mattress clean and extending its life.

Bed Bug and Dust Mite Barrier:

The zippered, 6-sided design creates a complete barrier against bed bugs and dust mites. This helps to prevent infestations and reduces exposure to common allergens, contributing to a healthier sleep environment.

Care and Maintenance

Proper care ensures the longevity and effectiveness of your mattress encasement.

- **Washing:** Machine wash in cold water. For optimal protection, ensure the waterproof lining faces inward during washing.
- **Drying:** Tumble dry on low heat only. Avoid high heat to prevent damage to the waterproof membrane.
- **Important Note:** Before washing, ensure the zipper is fully closed to prevent water from getting trapped inside the encasement, which can make it heavy and difficult to handle.
- **Avoid:** Do not iron, bleach, or dry clean the mattress encasement.

Troubleshooting

Here are solutions to common concerns you might encounter:

- **Difficulty Installing:** If the encasement is difficult to put on, ensure the mattress is standing upright and the encasement is fully unzipped. Having a second person assist can significantly ease the

process, especially for larger mattresses.

- **Crinkly Sound:** While designed to be quiet, some initial crinkling might occur. This typically diminishes with use and washing. Ensure the encasement is stretched smoothly over the mattress.
- **Water Trapped After Washing:** Always zip the encasement completely before washing to prevent water from filling the interior. If water is trapped, carefully drain it before transferring to the dryer.
- **Seam Integrity:** Regularly inspect seams and zippers for any signs of wear or damage. Any opening can compromise the bed bug and dust mite protection. If damage occurs, contact customer support.
- **Fit Issues:** Ensure you have the correct size and depth for your mattress. This specific model is for Twin mattresses, 39x75 inches, with a 6-inch deep pocket. Refer to the specifications section for details.

Product Specifications

Brand:	Utopia Bedding
Model Name:	UBPREMIUM
Model Number:	UB1855
Size:	Twin (39 inches x 75 inches, 6 inches deep)
Color:	White
Material Type:	Polyester
Special Features:	Bug Control, Dust Mite Proof, Washable, Waterproof, Zippered
Closure Type:	Zipper
Water Resistance Level:	Waterproof
Product Care Instructions:	Machine Wash
UPC:	840143523239
