# **COMFIER Neck Back Massager with Heat, Compression 2D/3D Shiatsu Massager Chair Pad**

## **USER MANUAL**

### **1. Safety Information**

For safe use, avoid using while driving or operating machinery. Individuals with certain health conditions should consult a healthcare professional before using this product.

### **2. Product Overview**

The COMFIER Neck Back Massager Chair Pad is designed to provide a comprehensive massage experience for the full body. It integrates multiple massage techniques including 2D/3D Shiatsu, rolling, compression, vibration, and heat functions to help relax and unwind muscles.

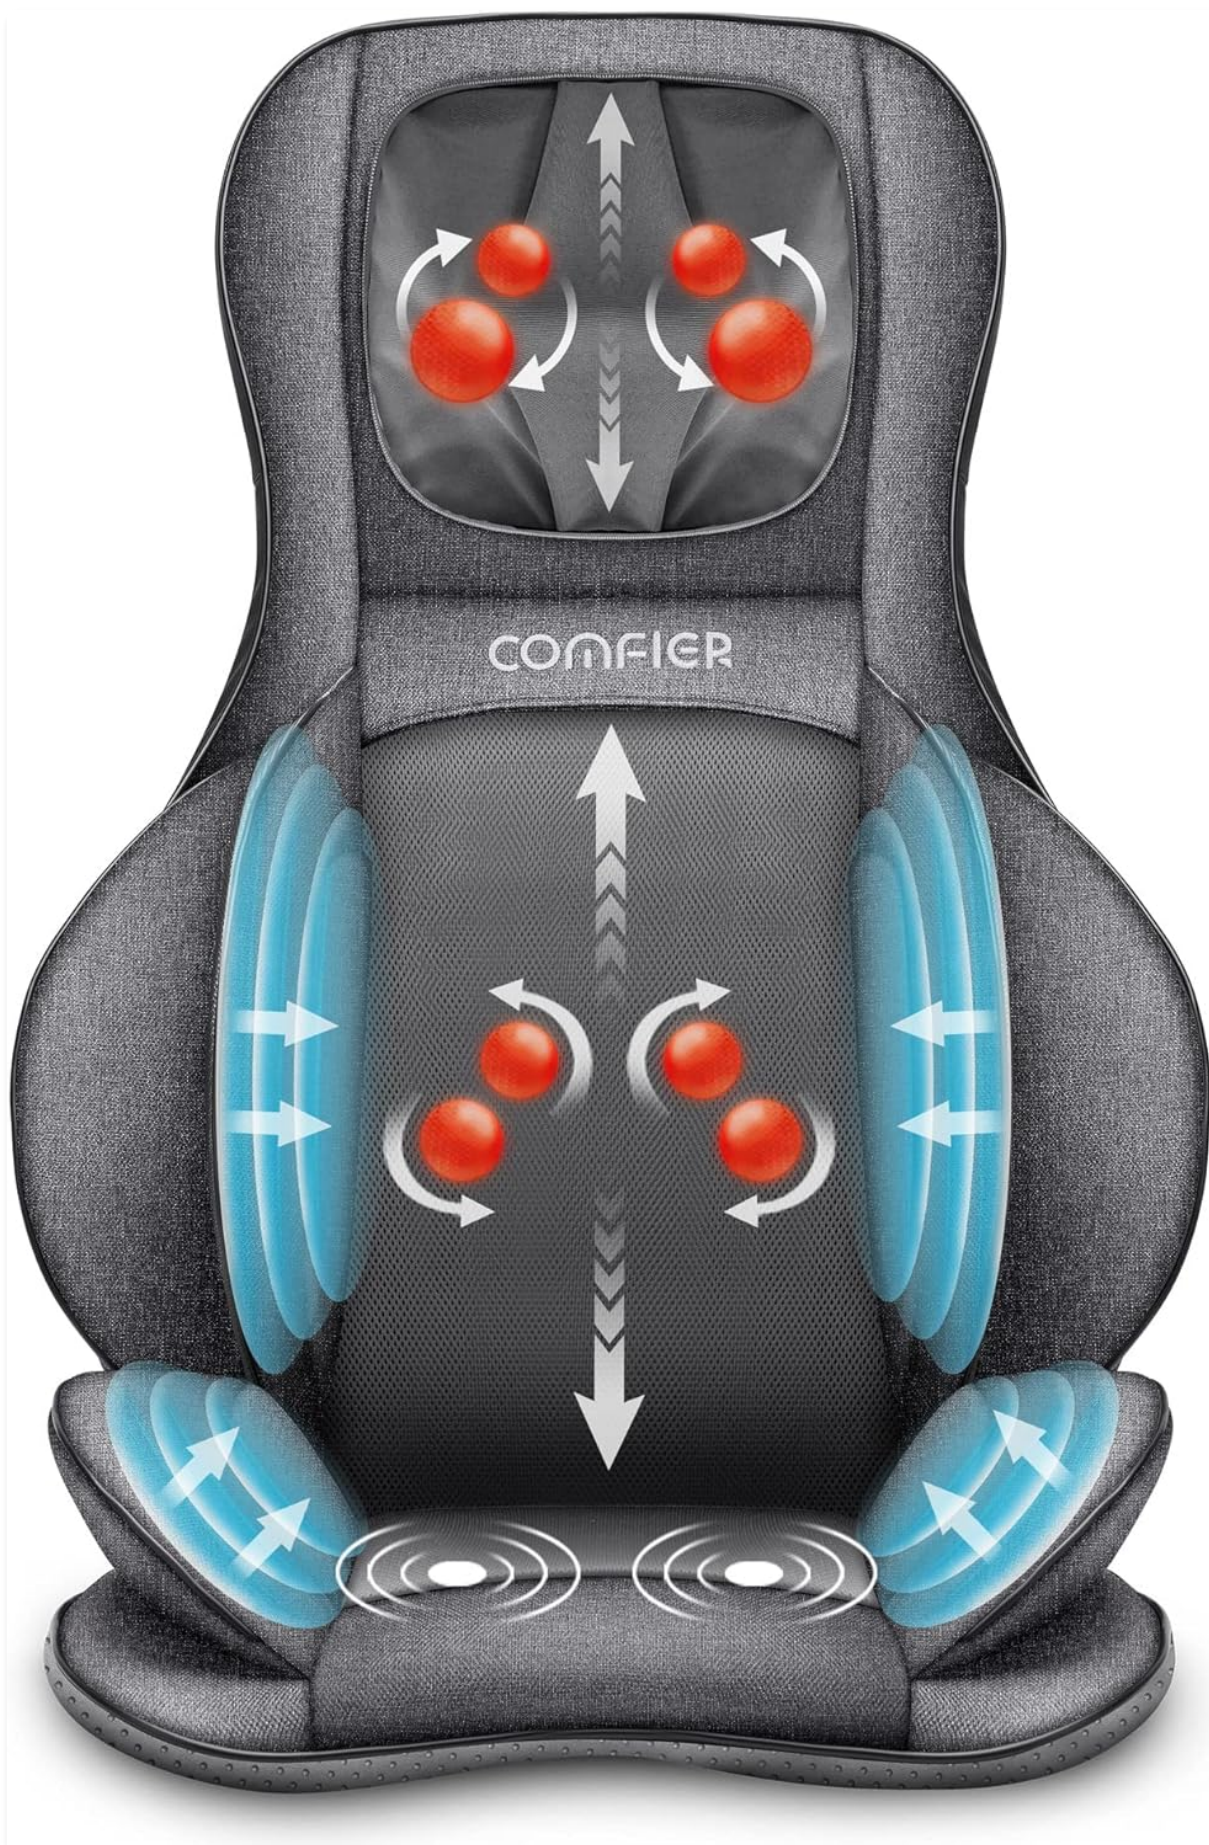

Figure 2.1: The COMFIER Neck Back Massager Chair Pad features integrated massage nodes for the neck and back, with side compression airbags and a vibrating seat.

### 3. Setup

1. **Unboxing:** Carefully remove all components from the packaging. Ensure all parts, including the massager pad, power adapter, and remote control, are present.
2. **Placement:** Place the massager on a sturdy chair, couch, recliner, or office chair. Ensure the massager is securely positioned and will not slip during use.
3. **Power Connection:** Connect the power adapter to the massager's input port, then plug the adapter into a standard electrical outlet.
4. **Remote Control:** The remote control is wired to the massager. It can be stored in the side pocket of the massager when not in use.

## 4. Operating Instructions

Familiarize yourself with the remote control to operate the various massage functions.

### 4.1 Power On/Off

- Press the **Power** button on the remote control to turn the unit on. The buttons will illuminate.
- Press the **Power** button again to turn the unit off.

### 4.2 Massage Modes

- **2D/3D Shiatsu Massage:** This mode provides deep kneading massage for the full body. The upgraded flexible 2D/3D shiatsu rollers with 4 nodes simulate finger pressure.

## INNOVATIVE 2D/3D FINGER PRESSURE SHIATSU MASSAGE

Figure 4.1: The 2D/3D Shiatsu massage simulates human finger pressure for deep tissue relief.

- **Rolling Massage:** Features soft rolling massage along the back spine. The width between the two massage heads can be adjusted to fit your body.
  - **Adjustable Massage Areas:** Select from Full Back, Upper Back, or Lower Back.
  - **Spot Massage:** Keep kneading massage nodes in a specific area for targeted relaxation.
- **Compression Massage:** Adjustable compression massage on the waist and hips with 3 intensity settings.

Figure 4.2: Compression massage targets the waist and thigh muscles for relaxation.

- **Seat Vibration:** The seat features vibration to add an extra level of comfort to the hip and thighs during the massage.
- **Heat Function:** The shiatsu massage seat cushion is equipped with a heat function to further relax and massage muscles.

Figure 4.3: The soothing heat function provides warmth to the back for added comfort.

## 5. Maintenance

- **Cleaning:** Disconnect the massager from the power source before cleaning. Wipe the surface with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
- **Removable Covers:** The neck cover is removable and washable for hygiene. The detachable flap on the back can also be removed for cleaning or to adjust massage intensity.

Figure 5.1: The massager features a removable and washable neck cover and a detachable flap for easy maintenance.

- **Storage:** Store the massager in a cool, dry place when not in use. Avoid placing heavy objects on the massager.

## 6. Troubleshooting

- **Unit not turning on:**
  - Ensure the power adapter is securely connected to both the massager and a working electrical outlet.
  - Check if the power outlet is functional by plugging in another device.
- **Massage intensity feels too strong/weak:**
  - Adjust the intensity settings using the remote control.
  - For rolling massage, adjust the width of the massage heads.
  - The detachable flap can be used to soften the massage intensity if desired.
- **Heat function not working:**
  - Ensure the heat function is activated on the remote control.

- Allow a few minutes for the heating elements to warm up.

7. Specifications

Product Dimensions	20 x 7.5 x 32 inches
Item Model Number	2913
Item Weight	20.8 Pounds
Material	Leather, Polyester
Power Source	Corded Electric
Manufacturer	COMFIER

Figure 7.1: Product dimensions: 30.7 inches (height), 17.5 inches (width), 16.5 inches (depth).
