Livarno 3-Shelf Storage Unit

Livarno 3-Shelf Storage Unit Instruction Manual

Model: 3-Shelf Storage Unit

INTRODUCTION

Thank you for choosing the Livarno 3-Shelf Storage Unit. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INSTRUCTIONS

- Ensure all components are present and undamaged before assembly.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging the material.
- Place the unit on a level surface to ensure stability.
- Do not exceed the maximum weight capacity per shelf (specific capacity not provided, advise caution).
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before assembly, verify that all parts listed below are included in your package:

- Livarno 3-Shelf Storage Unit components (panels, shelves, legs)
- Assembly hardware (screws, dowels, etc.)
- Adjustable feet
- Instruction manual (this document)

SETUP AND ASSEMBLY

Assembly is required for this unit. Please follow these general steps. Refer to the included assembly hardware instructions for detailed diagrams.

1. Unpack all components and lay them out on a protected surface.
2. Identify all panels, shelves, and hardware according to the parts list.
3. Attach the side panels to the base and top panels using the provided hardware.
4. Insert the shelves into the designated slots or attach them with hardware as instructed.
5. Secure all connections firmly but do not overtighten.
6. Attach the adjustable feet to the bottom of the unit.
7. Once assembled, carefully move the unit to its desired location.

OPERATING AND USAGE

The Livarno 3-Shelf Storage Unit is designed for versatile storage in various rooms such as dining rooms, bedrooms, or

hallways.

- **Storage:** Utilize the three open compartments and the top surface for organizing items. The compartments are suitable for conventional storage boxes.
- **Adjustable Feet:** The unit features adjustable feet to compensate for uneven floors, ensuring stability. Adjust each foot by turning it clockwise or counter-clockwise until the unit is level.
- **Placement:** Place the unit against a wall or in a corner for optimal stability and space utilization.

MAINTENANCE

To ensure the longevity and appearance of your Livarno storage unit, follow these maintenance guidelines:

- **Cleaning:** The unit is resistant to scratches and easy to clean thanks to its melamine resin coating. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter issues with your Livarno storage unit, consider the following common solutions:

- **Unit is wobbly:** Ensure the unit is placed on a level surface. Adjust the height of the individual feet until the unit is stable. Check that all assembly screws are securely tightened.
- **Difficulty assembling:** Re-read the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not force components together.
- **Scratches or damage:** While the unit is scratch-resistant, minor damage can occur. For significant damage, contact customer support.
