Yaheetech 54-inch Multi-Level Cat Tree Tower Instruction Manual

Model: YT-00111360

PRODUCT OVERVIEW

The Yaheetech 54-inch Multi-Level Cat Tree Tower is designed to provide a dedicated space for your cats to play, climb, scratch, and rest. This versatile cat tree features multiple platforms, cozy condos, scratching posts, and dangling toys to keep your feline companions entertained and comfortable. It is suitable for kittens and small to medium-sized cats, offering a vertical territory that helps keep them away from household furniture.

Safety Precautions

- Place the cat tree on a flat, stable surface.
- For added stability, especially with active or multiple cats, utilize the included wall anchor strap to secure the tower to a wall.
- Regularly check all connections and tighten screws as needed to maintain stability.

OPERATING INSTRUCTIONS

Your Yaheetech Cat Tree Tower is designed for intuitive use by your feline friends. Encourage your cat to explore the different levels and features.

- **Climbing and Exploration:** Cats can use the various platforms and posts to climb and explore their new vertical space.
- **Scratching:** Direct your cat to the sisal-wrapped posts to satisfy their natural urge to scratch, protecting your furniture.
- **Resting and Hiding:** The enclosed condos offer a secure and cozy spot for napping or hiding. The top perches provide elevated resting areas.
- **Play:** The dangling balls are designed for interactive play, encouraging batting and pouncing.

CARE AND MAINTENANCE

Proper care will extend the life of your cat tree and ensure a hygienic environment for your pet.

- **Cleaning:** The plush fabric can be machine washed. For spot cleaning, use a mild detergent and damp cloth. Allow to air dry completely.
- **Sisal Posts:** Regularly inspect sisal posts for wear and tear. Replace if severely damaged to maintain effective scratching surfaces.
- **General Inspection:** Periodically check for loose parts or damage. Tighten screws and repair any damage promptly to ensure safety.

TROUBLESHOOTING TIPS

If you encounter any issues with your cat tree, consider the following:

- **Instability:** Ensure all screws are fully tightened. If the tree wobbles, verify it is on a level surface and consider using the wall anchor strap.
- **Cat Disinterest:** Introduce your cat to the tree gradually. Use catnip, treats, or their favorite toys to encourage exploration. Place the tree in a location your cat frequently visits or near a window.
- **Damaged Parts:** For replacement parts or significant damage, contact Yaheetech customer support.
