SETUP INSTRUCTIONS

Attaching the Mount to Your Laptop or Surface

The SideTrak Swivel Tablet Mount uses a magnetic plate system for secure attachment.

1. **Prepare the Surface:** Ensure the back of your laptop screen or desired surface is clean and dry.
2. **Apply Steel Plate:** Peel the backing from the device-safe adhesive stickers and apply them to the steel plate. Then, firmly press the steel plate onto the desired location on your laptop or surface. Allow adhesive to set for a few minutes.
3. **Attach Mount:** Align the SideTrak Swivel Tablet Mount with the steel plate. The magnets will securely attach the mount to the plate.

Inserting Your Device (Tablet/Phone)

1. **Loosen Knobs:** Gently loosen the thumbscrews on the mount to widen the clamp.
2. **Clean Bumpers:** Use the included alcohol wipe to clean the rubber bumpers inside the clamp. This ensures a secure grip.
3. **Insert Device:** Carefully insert your tablet or phone into the widened clamp.
4. **Tighten Knobs:** Slowly tighten the thumbscrews until your device is held firmly in place. Do not overtighten.

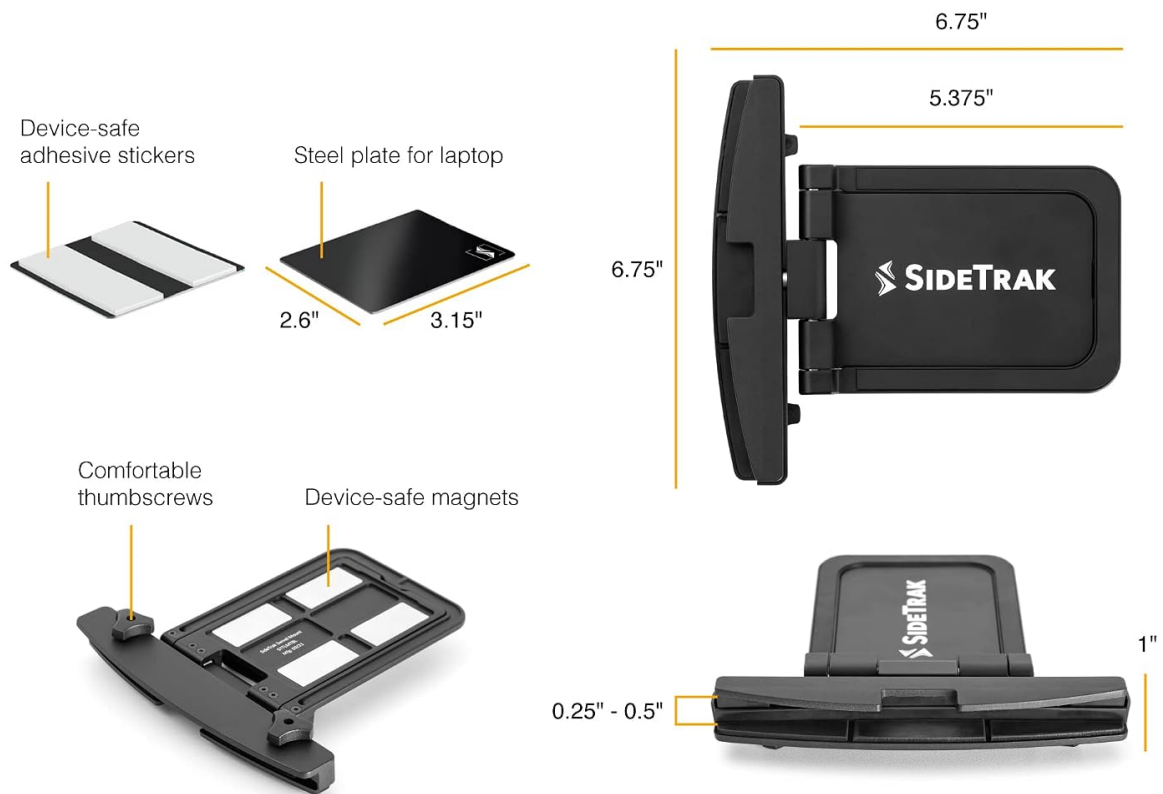

OPERATING THE SWIVEL TABLET MOUNT

Adjusting Viewing Angle

The SideTrak Swivel Tablet Mount features a patented hinge that allows for flexible positioning:

- **360° Vertical Swivel:** Rotate your device vertically to achieve the perfect eye-level alignment.
- **270° Horizontal Rotation:** Swivel your device horizontally for landscape or portrait viewing, or to share your screen with others.

CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your SideTrak Swivel Tablet Mount, follow these care instructions:

- **Cleaning:** Wipe the mount with a soft, dry cloth. For stubborn marks, use a slightly damp cloth and dry immediately. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use, store the mount in a clean, dry place away from extreme temperatures.
- **Handle with Care:** While durable, avoid dropping the mount or applying excessive force to the hinge mechanism.

TROUBLESHOOTING

If you encounter any issues with your SideTrak Swivel Tablet Mount, please refer to the following common solutions:

- **Device Not Holding Securely:**
 - Ensure the thumbscrews are tightened sufficiently.
 - Verify your device's weight is within the 1.2 lb limit.
 - Check that the rubber bumpers are clean and free of debris.
- **Mount Not Attaching Firmly to Laptop:**
 - Ensure the steel plate is securely attached to your laptop surface.
 - Verify the magnetic connection between the mount and the steel plate is clean and unobstructed.
- **Hinge Feels Stiff or Loose:**
 - The hinge is designed for smooth, controlled movement. If it feels unusually stiff, ensure no foreign objects are obstructing it. If it feels too loose, contact support.
