2. SAFETY INFORMATION

- Do not exceed the maximum weight recommendation of 300 pounds (136 kg) on the bench seat.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for tightness.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the bench on a flat, stable surface to prevent tipping.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Bamboo frame components
- Padded seat cushion

- Hardware pack (screws, nuts, Allen wrench)
- Assembly instruction manual

4. ASSEMBLY INSTRUCTIONS

The HIFIT Bamboo Shoe Bench is designed for easy assembly. Please follow the detailed step-by-step instructions provided in the included assembly manual. Typically, one person can complete the assembly within 30 minutes.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part according to the assembly diagram in the manual.
3. Attach the side frames to the bottom shelf using the provided hardware.
4. Install the middle shelf, ensuring it is level and secure.
5. Attach the top frame, which includes the hinges for the padded seat.
6. Place the padded seat cushion onto the top frame, ensuring it aligns correctly with the hidden storage compartment.
7. Tighten all screws firmly, but do not overtighten.

For visual guidance, refer to the official product video demonstrating the assembly process:

6. MAINTENANCE

To maintain the quality and appearance of your HIFIT Bamboo Shoe Bench, follow these simple care instructions:

- Wipe the bamboo surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- For the padded seat, spot clean with a mild detergent and water as needed. Allow to air dry completely.
- Periodically check all fasteners and tighten if necessary to ensure stability.

7. TROUBLESHOOTING

If you encounter any issues with your HIFIT Bamboo Shoe Bench, consider the following:

- **Instability:** Ensure the bench is placed on a level surface. Check that all assembly screws are securely tightened.
- **Difficulty with hidden compartment:** Verify that the hinges are correctly installed and not obstructed.
- **Damage:** If any part is damaged, do not attempt to repair it yourself if it compromises the structural integrity. Contact customer support for assistance.
