Yaheetech Lift-top Coffee Table User Manual

Model: YT-00111420-001 | Brand: Yaheetech

1. PRODUCT OVERVIEW

The Yaheetech Lift-top Coffee Table is a versatile and functional furniture piece designed for living spaces. It features a unique lift-top mechanism, providing an elevated surface for dining, working, or other activities, and includes a hidden storage compartment beneath the tabletop. Additionally, it comes with two fabric baskets for organized storage on the lower shelf.

2. SAFETY INFORMATION

WARNING:

- Be aware of **pinch points** on the lift-top mechanism during operation. Keep fingers and other body parts clear to prevent injury.
- This product may emit formaldehyde due to its MDF and melamine veneer construction. Ensure adequate ventilation during and after assembly.
- Exercise caution when handling metal parts during assembly to avoid cuts or scrapes.
- Proper assembly is crucial to ensure the stability of the coffee table and prevent tipping. Follow all instructions carefully.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Yaheetech customer support.

- All necessary furniture panels (MDF, engineered wood)
- Metal frame components (Alloy Steel)
- Lift-top mechanism (Gas Spring Lifting System)
- 2 Fabric Baskets
- Assembly Guide (Instruction Manual)
- Installation Tool (Hex key, screwdriver, etc.)
- All required hardware (screws, bolts, nuts, adjustable foot pads)

4. SETUP AND ASSEMBLY

Assembly of the Yaheetech Lift-top Coffee Table requires careful attention to the provided instructions. While generally straightforward, some steps, particularly those involving the lift mechanism, may require patience. It is highly recommended to use the included Assembly Guide for detailed, step-by-step instructions.

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify each part using the labels in the Assembly Guide.
- Follow the numerical sequence of steps in the Assembly Guide. Pay close attention to the orientation of parts, especially the lift mechanism struts, to avoid incorrect installation.
- Use the provided Installation Tool. For faster assembly, a cordless screwdriver/drill can be used with caution, ensuring not to overtighten screws into the engineered wood.
- Ensure all screws and fasteners are securely tightened for stability, but do not overtighten.
- Once assembled, gently test the lift-top mechanism to ensure smooth operation before placing items on the table.

For a comprehensive visual guide, please refer to the official [Safety Information and Assembly Guide \(PDF\)](#).

5. OPERATING INSTRUCTIONS

5.1. Lift-top Mechanism

The lift-top feature allows you to raise the tabletop to a comfortable height for various activities. To operate:

1. Grasp the edge of the tabletop firmly.
2. Gently lift the tabletop upwards. The gas spring mechanism will assist in the lifting motion.
3. Continue lifting until the tabletop locks into its fully extended position.
4. To lower, grasp the edge of the tabletop again and apply gentle downward pressure. The gas springs will allow for a smooth, controlled descent. Ensure no objects or body parts are in the way of the closing mechanism.

LIFT-TOP DESIGN

The lift-top design allows you to easily raise or lower the tabletop to meet your different needs

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Yaheetech Lift-top Coffee Table, follow these care instructions:

- For general cleaning, wipe the surface with **adamp cloth**.
- Immediately follow with a **dry cloth** to remove any moisture and prevent water spots.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the veneer finish.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.
- Keep the table away from direct sunlight and extreme temperature changes to prevent warping or fading.

7. TROUBLESHOOTING

If you encounter any issues with your coffee table, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Loose fasteners or incorrect assembly.	Check all screws and bolts and tighten them securely. Refer to the Assembly Guide to ensure all parts are correctly installed. Ensure the adjustable foot pads are level.

Problem	Possible Cause	Solution
Lift-top mechanism is stiff or difficult to operate.	New mechanism, incorrect installation of struts, or lack of lubrication.	The mechanism may be stiff initially; it should loosen with use. Verify that the gas spring struts are installed in the correct orientation as per the Assembly Guide. Apply a small amount of silicone-based lubricant to the moving parts if stiffness persists (avoid oil-based lubricants on wood).
Tabletop does not align properly when closed.	Misaligned components during assembly.	Carefully review the assembly steps, particularly those involving the tabletop and its attachment points. Disassemble and reassemble the affected sections if necessary, ensuring proper alignment.
Fabric baskets do not fit or are misshapen.	Baskets not fully unfolded or shelf divider misalignment.	Ensure the fabric baskets are fully unfolded and their bottom inserts are flat. Check that the central shelf divider is correctly positioned and secured.

8. SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Name	Coffee Table
Model Number	YT-00111420-001
Color	Grey
Product Dimensions (D x W x H)	41.34" x 19.69" x 18.5"
Item Weight	42 Pounds
Maximum Weight Recommendation	90 Kilograms
Material Type	Alloy Steel, Engineered Wood, Metal, Wood
Top Material Type	Engineered Wood
Frame Material Type	Engineered Wood
Included Components	Assembly Guide, Installation Tool
Is Stain Resistant	Yes

9. WARRANTY AND SUPPORT

For any questions, concerns, or to report missing/damaged parts, please contact Yaheetech customer support. While specific warranty details are not provided in this manual, Yaheetech is committed to customer satisfaction. You can often find support information and contact details on the official Yaheetech website or through the retailer where you purchased the product.
