SETUP AND ASSEMBLY

The Keter California 2-Seater Garden Sofa requires assembly. It is recommended that two people perform the assembly to ensure ease and safety. No special tools are required for component connector assembly, but please ensure all necessary tools and materials are available as per the packaging instructions.

Assembly Steps:

1. **Unpack all components:** Carefully remove all parts from the packaging and verify against the parts list provided in your product box.
2. **Connect frame parts:** Follow the detailed instructions to securely connect the different sections of the sofa frame. Ensure all connections are firm.
3. **Attach upholstery or cushions:** Once the frame is assembled, place the seat and back cushions onto the sofa. The cushions are designed for a comfortable fit.
4. **Final check:** Before use, ensure all parts are correctly assembled and stable.

Important Safety Precaution: Please read all precautions, warnings, and assembly tips provided in the original packaging to ensure safe and correct assembly.

OPERATING INSTRUCTIONS

The Keter California 2-Seater Garden Sofa is designed for comfortable outdoor seating. It accommodates two adults with a maximum weight limit of 110 kg. Simply place the sofa in your desired outdoor location, such as a garden, patio, or balcony, ensuring it is on a stable, level surface.

Usage Tips:

- Ensure the sofa is placed away from direct heat sources or open flames due to its low to medium fire category rating.
- The sofa is weather-resistant, but for prolonged life and to maintain cushion quality, store cushions in a waterproof storage box when not in use or during inclement weather.
- Avoid exceeding the maximum weight limit of 110 kg to prevent damage.

CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Keter California Garden Sofa.

Cleaning the Frame:

- Wipe the plastic frame with a damp cloth. For stubborn dirt, a mild soap solution can be used.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the plastic material.

- Rinse thoroughly with water after cleaning with soap and dry with a soft cloth.

Cushion Care:

- The cushion covers are removable and washable. Follow the care instructions on the cushion labels for best results.
- Store cushions in a dry, waterproof container when not in use, especially during rain, snow, or prolonged periods of direct sunlight, to prevent fading and mildew.
- The upholstery cleaning code is 'W', indicating water-based cleaning agents can be used.

TROUBLESHOOTING

If you encounter any issues with your Keter California Garden Sofa, please refer to the following common solutions:

Problem	Possible Cause	Solution
Sofa feels unstable or wobbly.	Improper assembly or uneven surface.	Check all connections to ensure they are securely fastened. Move the sofa to a level surface.

Problem	Possible Cause	Solution
Cushions appear flattened or misshapen.	Prolonged use or exposure to moisture.	Fluff cushions regularly. Ensure cushions are stored in a dry place when not in use.
Discoloration or fading of the frame.	Excessive exposure to direct sunlight over time.	While UV-resistant, prolonged exposure can still cause some fading. Consider placing the sofa in a shaded area or using a protective cover when not in use.
