2. Setup and Assembly

This TV stand requires assembly. Please ensure all components are present and undamaged before beginning. The package includes all necessary hardware and an instruction manual for a straightforward assembly process.

2.1 Unpacking and Component Check

Carefully unpack all items from the box. Verify that all wooden panels, metal frames, screws, and the Allen wrench are accounted for by comparing them against the parts list in your included manual.

2.2 Assembly Instructions

Follow the step-by-step instructions provided in the physical manual. It is recommended to loosely fasten all screws initially and tighten them fully once the entire structure is aligned. The X-shaped side structures are designed for

enhanced stability.

3.2 Placement

Place the TV stand on a flat, stable surface. Avoid placing it in areas with excessive moisture or direct sunlight to prolong the life of the engineered wood.

4. Maintenance

Regular maintenance will help preserve the appearance and functionality of your TV stand.

4.1 Cleaning Instructions

Wipe the surface with a dry cloth. For stubborn marks, use a slightly damp cloth with a mild cleaner, then immediately dry the surface. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.

4.2 Surface Durability

The veneered surface is designed to be water and scratch-resistant, facilitating daily maintenance and ensuring longevity.

5. Troubleshooting

If you encounter any issues with your TV stand, please refer to the following common solutions:

- **Instability:** Ensure all screws are securely tightened. The X-shaped side structures are crucial for stability.
- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately.
- **Surface Damage:** While the surface is scratch-resistant, avoid sharp objects. For minor scratches, touch-up pens may be used.
