

GLORIOUS GLO-MS-OMW-MB

GLORIOUS Model O- Wireless Gaming Mouse User Manual

Model: GLO-MS-OMW-MB

1. INTRODUCTION

The GLORIOUS Model O- Wireless Gaming Mouse is designed for high-performance gaming and productivity. It features an ultralight design, advanced wireless connectivity, and customizable settings to enhance your computing experience.

Figure 1: Front view of the GLORIOUS Model O- Wireless Gaming Mouse.

Key Features:

- **Ultralight Design:** Weighing approximately 65 grams, the mouse features a honeycomb shell for reduced weight without compromising durability.
- **Advanced Wireless Connectivity:** Utilizes 2.4GHz wireless technology for a fast and reliable connection.
- **BAMF Sensor:** Equipped with a high-performance BAMF sensor for precise tracking.
- **Long Battery Life:** Offers up to 71 hours of battery life on a single charge.
- **Customizable RGB Lighting:** Personalize the mouse's aesthetic with various RGB lighting effects.
- **Customizable DPI Settings:** Adjust sensitivity (DPI) to match your preferences and gaming style.

2. SETUP GUIDE

2.1 Unboxing and Initial Inspection

Carefully remove the mouse and its accessories from the packaging. Verify that all components are present:

- GLORIOUS Model O- Wireless Gaming Mouse
- USB Wireless Receiver
- USB-C Charging Cable

2.2 Connecting the Mouse

1. Locate the USB wireless receiver. It is typically stored in a compartment on the underside of the mouse or within the packaging.
2. Plug the USB wireless receiver into an available USB port on your computer.
3. Turn on the mouse using the power switch located on the underside. The mouse should automatically connect to the receiver.
4. If the mouse does not connect automatically, ensure the receiver is properly inserted and the mouse is powered on.

2.3 Charging the Mouse

The mouse comes with a pre-installed Lithium Ion battery. For optimal performance, fully charge the mouse before first use.

1. Connect the USB-C end of the charging cable to the front port of the mouse.
2. Connect the USB-A end of the charging cable to an available USB port on your computer or a USB wall adapter.
3. The RGB lighting on the mouse will indicate charging status (e.g., pulsing color). Once fully charged, the lighting may change or turn off.
4. The included cable is ultra-flexible, allowing you to continue using the mouse while it charges.

3. OPERATING INSTRUCTIONS

3.1 Basic Mouse Functions

The GLORIOUS Model O- Wireless Mouse features standard mouse buttons and a scroll wheel:

- **Left Click:** Primary action.
- **Right Click:** Secondary action/context menu.
- **Scroll Wheel:** Scrolls content up/down. Can also be clicked for middle-click functionality.
- **Side Buttons:** Typically used for forward/backward navigation in web browsers or customizable in software.
- **DPI Button:** Located behind the scroll wheel, used to cycle through DPI settings.

Figure 3: The mouse positioned on a desk, ready for use.

3.2 Adjusting DPI (Sensitivity)

The mouse allows for on-the-fly DPI adjustments. Press the dedicated DPI button (usually located behind the scroll wheel) to cycle through pre-set sensitivity levels. Each level may be indicated by a change in the mouse's LED color.

For advanced customization of DPI stages and values, download and install the GLORIOUS software from the official GLORIOUS website.

3.3 Customizing RGB Lighting

The RGB lighting on the GLORIOUS Model O- Wireless Mouse can be customized. Default lighting effects can often be cycled through by pressing a combination of buttons (refer to the GLORIOUS software for specific key combinations or advanced control).

To unlock the full potential of RGB customization, including effects, colors, and brightness, install the GLORIOUS software.

4. MAINTENANCE

4.1 Cleaning Your Mouse

To maintain optimal performance and appearance, clean your mouse regularly:

- **Exterior:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Sensor:** Use a cotton swab lightly dampened with isopropyl alcohol to gently clean the optical sensor on the underside of the mouse. Ensure no liquid enters the sensor opening.
- **Honeycomb Shell:** Use compressed air to remove dust and debris from the honeycomb cutouts.

4.2 Battery Care

To prolong the life of the integrated Lithium Ion battery:

- Avoid fully discharging the battery frequently.
- Store the mouse in a cool, dry place when not in use for extended periods.
- If not using the mouse for a long time, charge it to about 50% before storing.

5. TROUBLESHOOTING

5.1 Mouse Not Responding

- **Check Power:** Ensure the mouse is powered on using the switch on the underside.
- **Check Battery:** Charge the mouse using the provided USB-C cable.
- **Check Receiver:** Ensure the USB wireless receiver is securely plugged into a working USB port on your computer. Try a different USB port.
- **Re-pair:** If issues persist, consult the GLORIOUS software or support website for instructions on re-pairing the mouse with its receiver.

5.2 Lag or Disconnections

- **Interference:** Move the mouse closer to the USB receiver. Avoid placing the receiver near other wireless devices (e.g., Wi-Fi routers, other wireless peripherals) that might cause interference.
- **Battery Level:** Low battery can affect wireless performance. Charge the mouse.
- **Software/Firmware:** Ensure your mouse firmware and GLORIOUS software are up to date.

5.3 RGB Lighting Not Working

- **Software Check:** Open the GLORIOUS software to ensure RGB lighting is enabled and configured correctly.

- **Power Saving:** Check if a power-saving mode is active that might disable RGB lighting.

6. SPECIFICATIONS

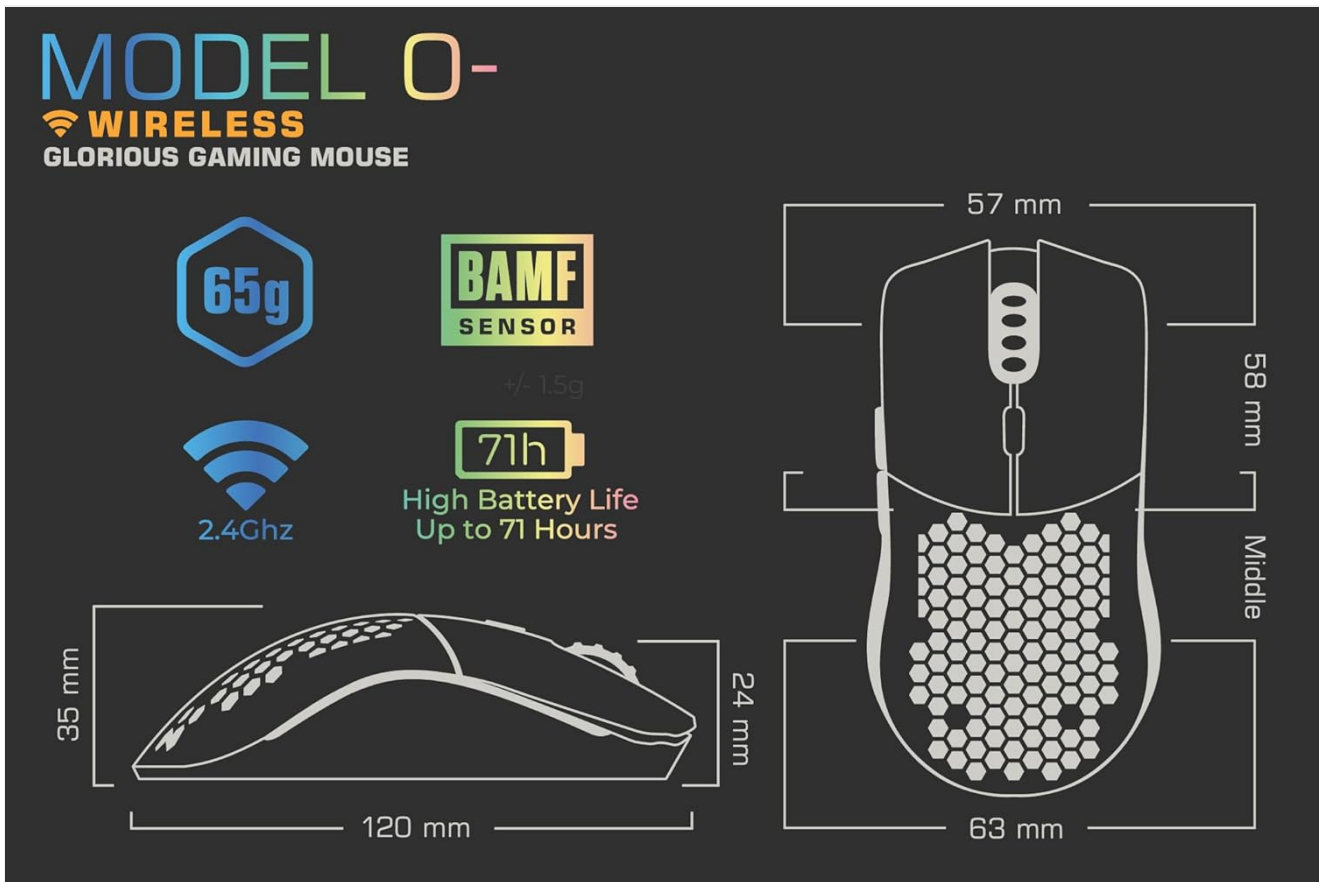

Figure 4: Technical specifications and dimensions of the mouse.

Feature	Detail
Model Number	GLO-MS-OMW-MB
Product Dimensions	4.72 x 2.48 x 0.1 inches (120 x 63 x 35 mm)
Item Weight	2.29 ounces (approx. 65g)
Sensor	BAMF Sensor
Connectivity	2.4GHz Wireless
Battery Type	1 Lithium Ion battery (included)
Battery Life	Up to 71 hours
Manufacturer	Glorious
Date First Available	November 4, 2021

7. WARRANTY AND SUPPORT

7.1 Warranty Information

The GLORIOUS Model O- Wireless Gaming Mouse is covered by a **2-Year Warranty**. This warranty provides for

hassle-free return and replacement on all Glorious electronic devices, covering manufacturing defects and malfunctions under normal use.

Please retain your proof of purchase for warranty claims.
