Operating Instructions

The Verona Cabana Corner Pergola is designed to create a versatile and comfortable outdoor retreat. Its primary function is to provide shade and seclusion, making it ideal for various activities.

- **Privacy Panels:** The durable composite panels offer both shade and a sense of privacy, transforming your space into a secluded area.
- **Versatile Use:** Utilize the pergola for intimate poolside retreats, cozy patio corners with fire pits, peaceful garden gathering spots, or any other outdoor activity requiring a defined and shaded area.

Maintenance

Proper maintenance will ensure the longevity and appearance of your Verona Cabana Corner Pergola.

- **Cedar Wood Care:** The pergola is constructed from 100% cedar wood, known for its natural resistance to decay. The wood comes with a pre-stained finish; however, stain saturation may vary. It is recommended to periodically inspect the wood and consider applying a sealant to maintain its appearance and further protect it from the elements.
- **Hardware Inspection:** Regularly check all nuts, bolts, and screws to ensure they remain tight and secure. Tighten any loose fasteners as needed.
- **Cleaning:** Clean the wood and privacy panels with a mild soap and water solution. Avoid harsh chemicals or abrasive cleaners that could damage the finish or material.

Troubleshooting

Should you encounter any issues with your Verona Cabana Corner Pergola that are not covered in this manual, please refer to the customer support section for assistance.

- **Loose Components:** If any parts feel loose after assembly or during use, re-tighten all associated fasteners.
- **Wood Discoloration/Wear:** Natural wood may show signs of weathering over time. Regular sealing and maintenance can mitigate this.
