## TAGRY X08

# TAGRY X08 True Wireless Earbuds User Manual

Model: X08

---

## INTRODUCTION

---

This manual provides detailed instructions for the operation and maintenance of your TAGRY X08 True Wireless Earbuds. Please read this manual carefully before use to ensure proper functionality and to maximize your listening experience.

The TAGRY X08 earbuds feature:

- Dual digital LED power display for case and earbuds.
- Up to 60 hours of total playback time with the charging case.
- Wireless and USB-C charging capabilities.
- IPX5 waterproof rating, suitable for sports and daily use.
- One-step auto-pairing for quick connection.
- Intuitive touch controls for music, calls, and voice assistant.
- Ergonomic design with multiple ear tip sizes for a secure and comfortable fit.
- 13mm speakers with triple-layer composite diaphragms for clear stereo sound and powerful bass.
- Built-in microphone with CVC noise reduction for clear calls.

## WHAT'S IN THE BOX

---

Verify that all items are present in your package:

- Wireless Charging Case
- Wireless Earbuds (Left and Right)
- Eartips (Multiple Sizes)
- USB-C Charging Cable
- User Manual

## PRODUCT OVERVIEW

---

### Components

The TAGRY X08 earbuds consist of two main components: the earbuds themselves and the charging case.

*Image: A diagram illustrating the touch control area, earbud light, microphone, charging case power display, and earbud power display.*

## **LED Power Display**

The charging case features a dual digital LED display to indicate the power levels of both the charging case and the individual earbuds.

# Digital Power Display

Dual digital display to show the power of the charging case and earbuds

Power Display of Case

Power Display of Earbuds

Image: Close-up of the charging case's digital LED display, showing battery percentages for the case and charge indicators for the left and right earbuds.

- The central number (1-100) indicates the charging case's battery percentage.
- The four bars next to 'L' and 'R' indicate the battery level of the left and right earbuds, respectively.
- During case charging, the LED light will flash from 1 to 100.
- When earbuds are placed in the case, they automatically begin charging, and their respective indicators will illuminate.

## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

- **USB-C Cable Charging:** Connect the provided USB-C cable to the charging port on the case and to a power source. The LED display will show the charging progress.
- **Wireless Charging:** Place the charging case on a compatible wireless charging pad (not included). The LED display will indicate charging status.
- Place the earbuds into the charging case. They will automatically begin charging. The earbud

indicators on the case's LED display will show their charging status.

## 2. Pairing with Your Device

The TAGRY X08 earbuds feature one-step auto-pairing for convenience.

1. Ensure your device's Bluetooth is turned on.
2. Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "X08" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

After the initial pairing, the earbuds will automatically connect to your last paired device when you open the charging case.

# One-Step Auto Pairing

After first pairing, earbuds auto pair with your phone while opening the case

*Image: A smartphone screen showing "X08" as a connected Bluetooth device, with the earbuds in their open charging case.*

## OPERATING INSTRUCTIONS

The TAGRY X08 earbuds utilize touch controls located on the outer surface of each earbud.

# Smart Touch Control

Control music and calls with your finger tap

*Image: A detailed diagram illustrating the various touch control functions on the earbud, including volume, track control, call management, and voice assistant activation.*

## Music Control

- **Play/Pause:** Single tap on either the Left (L) or Right (R) earbud.
- **Next Track:** Double tap on the Right (R) earbud.
- **Previous Track:** Double tap on the Left (L) earbud.
- **Volume Up:** Long tap on the Right (R) earbud.
- **Volume Down:** Long tap on the Left (L) earbud.

## Call Control

- **Answer Call:** Single tap on either earbud.
- **Hang Up Call:** Double tap on either earbud.
- **Reject Call:** Long tap for 2 seconds on either earbud.

## Voice Assistant

- **Activate Voice Assistant:** Triple tap on either earbud.

## Mono Mode

Each earbud can be used independently. Simply take one earbud out of the case, and it will automatically connect to your device. The other earbud can remain in the case or be used by another person in twin stereo mode.

## MAINTENANCE

---

### Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Ensure charging contacts on both earbuds and case are free of dust and debris.

### Water Resistance (IPX5)

The TAGRY X08 earbuds are rated IPX5 waterproof, meaning they are resistant to splashes and sweat. They are suitable for workouts and light rain exposure.

- Do not submerge the earbuds in water.
- Do not expose them to running water or high-pressure water jets.
- Ensure earbuds are dry before placing them back into the charging case to prevent damage to charging contacts.

### Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

## TROUBLESHOOTING

---

If you encounter issues with your TAGRY X08 earbuds, please refer to the following common solutions:

#### 1. Earbuds not pairing:

- Ensure both earbuds are charged.
- Turn off Bluetooth on your device, then turn it back on.
- Forget "X08" from your device's Bluetooth list and attempt to re-pair.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid to re-initiate pairing mode.

#### 2. Only one earbud working:

- Ensure both earbuds are charged.
- Place both earbuds back into the charging case, close the lid, then open it again.
- Check your device's audio settings to ensure stereo output is selected.

#### 3. No sound or low volume:

- Increase the volume on both your device and the earbuds (using touch controls).
- Ensure the earbuds are properly connected to your device.
- Clean any debris from the earbud speaker mesh.

#### 4. Charging issues:

- Ensure the charging cable is securely connected and the power source is active.
- Clean the charging contacts on both the earbuds and inside the case.
- If using wireless charging, ensure the case is correctly positioned on the charging pad.

#### 5. Touch controls unresponsive:

- Ensure your fingers are clean and dry when using touch controls.
- Restart the earbuds by placing them in the case and taking them out again.

## SPECIFICATIONS

Feature	Specification
Model Name	X08
Connectivity Technology	Wireless (Bluetooth 5.0)
Wireless Communication Technology	True Wireless, Bluetooth
Ear Placement	In Ear
Form Factor	In Ear (Bud)
Audio Driver Size	13 mm
Frequency Response	20 Hz - 20000 Hz
Sensitivity	99 dB
Impedance	32 Ohm
Noise Control	Sound Isolation
Water Resistance Level	IPX5 (Waterproof)
Charging Case Battery Capacity	470 mAh
Earbud Playback Time (Single Charge)	6 Hours
Total Playback Time (with Charging Case)	Up to 60 Hours
Charging Time (Earbuds)	Approximately 1.5 Hours
Charging Time (Case)	Approximately 1 Hour
Bluetooth Range	33 Feet (10 meters)
Item Weight (Earbud)	0.14 oz (approx.)
Item Weight (Total)	0.95 Ounces
Product Dimensions	2.4 x 1 x 1.8 inches
UPC	739750147337
