4. SETUP INSTRUCTIONS

4.1. Charging the Keyboard

Before initial use, ensure the keyboard is fully charged.

1. Locate the Type-C charging port on the side of the keyboard.
2. Connect the provided Type-C charging cable to the keyboard and a power source.
3. The charging indicator light will illuminate. A full charge typically takes approximately 2.5 hours.

4. Once fully charged, the keyboard can operate for up to 50 hours without backlight.

Connect the Type-C cable to the charging port to power the keyboard.

4.2. Bluetooth Pairing

Follow these steps to connect your keyboard to your iPad via Bluetooth:

1. Turn on the power switch of the keyboard. The power switch is usually located on the side or back of the keyboard.
2. Press the **Fn** key and the **C** key simultaneously to enter Bluetooth pairing mode. The Bluetooth indicator light will start blinking.
3. On your iPad, go to **Settings > Bluetooth** and turn on Bluetooth.
4. In the list of available devices, select "Bluetooth 5.1 Keyboard" to complete the pairing process. The indicator light on the keyboard will stop blinking once connected.

Anleitung zum Anschluss

- 1 Schalten Sie den Netzschalter der Tastatur ein
- 2 Drücken Sie Fn und C, um das Pairing einzugeben
- 3 Schalten Sie die  -Funktion Ihres iPad ein
- 4 Bitte wählen Sie "Bluetooth 5.1 Keyboard"

Instructions for connecting the keyboard to your iPad via Bluetooth.

5. OPERATING INSTRUCTIONS

5.1. Keyboard Backlight Control

The keyboard features a 3-zone, 7-color backlight system with adjustable brightness.

- To turn the backlight on/off or adjust brightness, press the **key**.
- To change the color of the left backlight zone, press **Fn + A**.
- To change the color of the middle backlight zone, press **Fn + S**.
- To change the color of the right backlight zone, press **Fn + D**.

The keyboard backlight provides visibility and aesthetic appeal in low-light conditions.

Rechts Beleuchtung

Use Fn key combinations to customize your backlight settings.

5.2. Trackpad Gestures

The integrated trackpad supports various multi-touch gestures for intuitive navigation. Refer to your iPad's operating system documentation for a full list of supported gestures.

HOCHPRÄZISE INTELLIGENTE TOUCHPAD

Präzisions-Trackpad mit Multi-Touch-Gestenunterstützung
für müheloses Navigieren in Arbeit und Freizeit

The precision trackpad supports multi-touch gestures for effortless navigation.

5.3. Multi-Device Connection

The keyboard can connect to two devices simultaneously, allowing for easy switching between them.

- Pair the keyboard with your first device (e.g., iPad) using the Bluetooth pairing instructions (Section 4.2).
- To pair with a second device, repeat the Bluetooth pairing process. The keyboard will remember both connections.
- Use the designated function keys (e.g., Fn + 1, Fn + 2) to switch between connected devices. (Specific keys not provided, assuming standard functionality).

2 GERÄTE MIT 1 TASTATUR VERBINDEN

Einfaches Umschalten zwischen Geräten

Connect and switch between two devices seamlessly with the multi-device feature.

5.4. Adjustable Viewing Angles

The case design allows for multiple viewing angles to suit various activities such as typing, watching videos, or browsing.

- Position the iPad in the case's adjustable slot to achieve your desired angle.
- The magnetic attachment of the keyboard allows for slight adjustments to optimize comfort.

The case offers various viewing angles for different tasks and preferences.

5.5. Detachable Keyboard

The keyboard can be easily detached from the case for standalone use or when only the protective case is needed.

- Gently pull the keyboard away from the magnetic base of the case.
- To reattach, align the keyboard with the magnetic strip in the case until it snaps into place.

MAGNETISCH ABNEHMBARE TASTATUR

The keyboard can be magnetically detached for flexible use.

6. MAINTENANCE

To ensure the longevity and optimal performance of your Earto iPad Pro 12.9 Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to wipe the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Liquid Exposure:** Avoid exposing the keyboard to liquids. In case of accidental spills, immediately power off the keyboard and allow it to dry completely before reuse.
- **Handle with Care:** Do not drop or apply excessive force to the keyboard or case, as this may cause damage.

7. TROUBLESHOOTING

If you encounter issues with your Earto iPad Pro 12.9 Keyboard Case, refer to the following common problems and solutions:

- **Keyboard not connecting via Bluetooth:**

- Ensure the keyboard is powered on and fully charged.
- Make sure Bluetooth is enabled on your iPad.
- Re-enter pairing mode on the keyboard (Fn + C) and re-select "Bluetooth 5.1 Keyboard" on your iPad.
- If previously paired, try forgetting the device on your iPad and re-pairing.

- **Keys not responding:**

- Check if the keyboard is charged.
- Ensure the Bluetooth connection is stable.
- Restart both the keyboard and your iPad.

- **Trackpad not working:**

- Ensure the keyboard is connected via Bluetooth.
- Check iPad settings for trackpad functionality (Settings > Accessibility > Touch > AssistiveTouch).
- Clean the trackpad surface to remove any debris.

- **Backlight not working or changing colors:**

- Ensure the keyboard is sufficiently charged.
- Press the **key** to cycle through brightness levels or turn on the backlight.
- Use Fn + A/S/D to change zone colors.

If the issue persists after trying these steps, please contact Earto customer support for further assistance.
