This diagram highlights the key features of the earbuds and charging case, including button locations, charging port, and LED indicators.

SETUP

Initial Charge

Before first use, ensure the earbuds and charging case are fully charged.

1. Remove the red insulation stickers from the earbuds if present.
2. Place both earbuds into the charging case.
3. Connect the USB-C cable to the charging case and a power source.
4. The charging case LED indicator will show charging status. A full charge takes approximately 3 hours.

This image shows the earbuds inside their charging case, highlighting the red insulation stickers that need to be removed before initial use.

Pairing

The earbuds will automatically enter pairing mode when taken out of the charging case.

1. Open the charging case and take out both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Search for "ZT02" in the list of available devices.
4. Select "ZT02" to connect. A voice prompt will confirm successful pairing.

This image illustrates the simple one-step pairing process, showing the earbuds ready for connection to a mobile device via Bluetooth.

OPERATING INSTRUCTIONS

Wearing the Earbuds

1. Choose a pair of suitable ear caps (S, M, L) for a comfortable and secure fit.
2. Gently hang the ear hooks over your ears.
3. Push the earphones slowly into your ear canal.
4. Rotate the earphones to fit snugly.

Maintenance

To ensure the longevity and optimal performance of your ZZN ZT02 Wireless Earbuds, please follow these maintenance guidelines:

- Keep the earbuds and charging case clean and dry.
- Avoid exposing the product to extreme temperatures, direct sunlight, or high humidity.
- Do not use harsh chemicals or strong detergents to clean the earphones. Use a soft, dry cloth.
- If the earbuds are unused for over 2 weeks, please recharge them periodically to maintain battery health.
- Keep away from children and pets.

IPX7 Waterproof
No fear rain and sweat during sports.

This image illustrates the IPX7 waterproof capability of the earbuds, showing them resistant to splashes and sweat, making them suitable for sports and workouts.

TROUBLESHOOTING

If you encounter any issues with your ZZN ZT02 Wireless Earbuds, refer to the following common problems and solutions:

Common Issues

- **Cannot hear sound:** Ensure the earbuds are connected to your device and the volume is turned up on both the earbuds and your device. Check if the earbuds are properly seated in your ears.
- **Poor sound quality/muffled sound:** Adjust the volume on your phone and earphones. Make sure there is no radio or Wi-Fi interference nearby.
- **Connection unstable:** Ensure the earbuds are within 10 meters of your device. Avoid obstacles between the earbuds

and your device.

- **Earbuds not charging:** Check if the red insulation stickers have been removed. Ensure the charging cable is securely connected and the power source is active.

Resetting the Earbuds

If issues persist, you can try resetting the earbuds:

1. Power off the earphones.
2. Press and hold the MFB button for 10 seconds until the LED indicator flashes.
3. Place the earbuds back into the charging case and close it.
4. Take them out again to re-pair with your device.
