with lifetime
boiler coverage

The Euroflex Vapour Pro M4S Steam Mop and its comprehensive set of accessories, including various brushes, pads, and nozzles for diverse cleaning tasks.

SETUP

1. Attaching the Mop Pad

Securely attach one of the provided microfiber cleaning pads to the mop head. The pads are designed for easy attachment and removal.

2. Filling the Water Tank

Use the spill-proof gravity fill water bottle to fill the steam cleaner's water tank. The design prevents overfilling. Distilled water is recommended to prolong the life of the unit, though not strictly required.

The water tank of the Euroflex Vapour Pro M4S, designed for easy and spill-proof filling.

3. Initial Power-On and Heat-Up

Plug the unit into a standard AC outlet. The Vapour Pro M4S heats up quickly, typically within 3 minutes, indicated by a light. Once heated, it's ready for use.

OPERATING INSTRUCTIONS

1. Basic Steam Mop Operation

Once the unit is heated, pull the handle back to activate steam. The Ultra Dry Steam Technology ensures floors dry within seconds, preventing water damage and streaks.

The Euroflex Vapour Pro M4S Steam Mop ready for use on a tiled floor, showcasing its sleek design.

2. On-Demand Steam Jet Boost

For stubborn dirt, grease, and grime, use the 1-click, on-demand front steam jets. This feature provides a powerful burst of steam for targeted cleaning.

3. Converting to All-in-One Portable Steam Cleaner

The Vapour Pro M4S easily converts from an upright steam mop to a portable multipurpose steam cleaner. Detach the main handle and connect the flexible hose with desired attachments for handheld cleaning.

4. Using Specific Attachments

Utilize the various attachments for different cleaning needs:

- **Grout Cleaner Brush:** Ideal for deep cleaning tile grout.
- **Window Cleaning Squeegee:** For streak-free windows, mirrors, and glass surfaces.

- **Small Nylon Brushes:** For detailed cleaning of fixtures, stovetops, and tight spaces.
- **Carpet Glider Attachment & Pad:** For refreshing and sanitizing rugs and carpets.
- **Detail Cleaning Nozzle:** For concentrated steam in hard-to-reach areas.

5. Safety Information

Always ensure the unit is unplugged before attaching or removing accessories. Avoid directing steam at people, pets, or electrical appliances. The steam is very hot (295°F) and can cause burns. Keep children and pets away from the operating unit.

MAINTENANCE

1. Cleaning Microfiber Pads

The EZ glide premium microfiber cleaning pads are machine washable. After use, remove the pads and wash them with mild soap and water. Air dry for best results.

2. Water Tank Care

Regularly empty any remaining water from the tank after each use. If using tap water, periodic descaling may be necessary to prevent mineral buildup. Refer to the full manual for descaling instructions.

TROUBLESHOOTING

If the unit is not producing steam, check the water level in the tank and ensure it is properly heated. If steam output

is low, verify that the steam control is set to the desired level. For persistent issues, consult the full product manual or contact customer support.

SPECIFICATIONS

- **Model Name:** Vapour Pro M4S
- **Wattage:** 1200 watts
- **Voltage:** 120 Volts (AC)
- **Maximum Temperature:** 295 Degrees Fahrenheit
- **Pressure:** 50 PSI
