

## Homvana H101

# Homvana H101 Humidifier User Manual

Model: H101 | Brand: Homvana

## INTRODUCTION

Thank you for choosing the Homvana H101 3.6L Cool Mist Humidifier. This versatile 3-in-1 device combines a cool mist humidifier, an aromatherapy diffuser, and a mood light to enhance your living space. Designed for quiet operation and ease of use, the H101 is perfect for bedrooms, nurseries, large rooms, and offices, promoting a comfortable and healthy environment.

## PRODUCT OVERVIEW

The Homvana H101 is engineered for optimal performance and user convenience. Its ultrasonic operation ensures a fine, cool mist output, while the SilentSpray technology keeps noise levels below 16dB for undisturbed sleep. The device is BPA-free and certified for safety by ETL, FCC, CE, and UKCA standards, featuring an auto shut-off function for dry running protection.

### Included Components:

- Humidifier Body
- User Manual
- Cleaning Brush
- Power Cord

### Key Features:

- **3-in-1 Functionality:** Humidifier, Aromatherapy Diffuser, Mood Light.
- **Ultra-Quiet Operation:** Less than 16dB with SilentSpray technology.
- **Large Capacity:** 3.6L tank provides up to 34 hours of continuous mist.
- **Easy Top-Fill Design:** Simplifies refilling and cleaning.
- **7-Color LED Mood Light:** Customizable lighting for ambiance or nightlight use.
- **Built-in Aroma Tray:** For essential oil diffusion.
- **Adjustable Mist Output:** High and Low settings.
- **Timer Settings:** 2H, 4H, 6H, 8H, 10H options.
- **Auto Shut-Off:** For safety when water level is low.

## SETUP

Follow these steps to set up your Homvana H101 Humidifier for first use:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Place:** Position the humidifier on a flat, stable, and water-resistant surface. Ensure it is away from direct sunlight and heat sources.
3. **Fill Water Tank:** Remove the top lid. Fill the water tank with clean, cool tap water up to the 'MAX' line indicated on the tank. Do not overfill.

The top-fill design allows for easy and mess-free water replenishment.

4. **Replace Lid:** Securely place the top lid back onto the humidifier.
5. **Connect Power:** Plug the power cord into the humidifier's power port and then into a suitable electrical outlet (240 Volts).

---

## OPERATING INSTRUCTIONS

The Homvana H101 features intuitive touch controls for easy operation.

### Power On/Off and Mist Control:

- Touch the **Power button** (⏻) to turn the humidifier ON. It will start in High mist mode.
- Touch the Power button again to switch to Low mist mode.
- Touch the Power button a third time to turn the humidifier OFF.

The main unit showing the digital display and touch controls.

### Mood Light Control:

- Touch the **Light button** (💡) to cycle through the 7 available colors.
- Continue touching to select your preferred color or to turn the light off.

The 7-color mood light creates a soothing ambiance, perfect for bedtime.

### Timer Settings:

- Touch the **Timer button** (🕒) to set the auto-off timer for 2H, 4H, 6H, 8H, or 10H.
- The humidifier will automatically turn off once the set time has elapsed.

### Sleep Mode:

- Touch the **Sleep Mode button** (🌙) to turn off all lights and the digital display for undisturbed sleep.
- The humidifier will continue to operate in the selected mist mode.

### Aromatherapy Function:

- Locate the small aroma tray on the side of the humidifier base.
- Pull out the tray and add 2-6 drops of your favorite essential oil onto the built-in pad.
- Slide the tray back into place. The humidifier will diffuse the aroma along with the mist.

# Aroma Guides You to Wonderland

Easily add essential oils to the dedicated tray for a soothing aromatherapy experience.

## MAINTENANCE

Regular cleaning is essential to maintain the performance and longevity of your humidifier.

### Cleaning Instructions:

- **Daily:** Empty the water tank and wipe it dry with a clean cloth.
- **Weekly:**
  - Unplug the humidifier and remove the top lid.
  - Remove the detachable tank from the base.
  - Clean the water tank and base with a soft brush (provided) and mild detergent. Rinse thoroughly.
  - For mineral buildup, fill the tank with a mixture of white vinegar and water (1:1 ratio) and let it soak for 30 minutes. Rinse well.
  - Wipe all surfaces dry before reassembling.
- **Aroma Pad:** Clean the aroma pad regularly or replace it if it becomes saturated or discolored.

The wide opening and detachable tank make cleaning effortless.

## TROUBLESHOOTING

If you encounter any issues with your Homvana H101 Humidifier, please refer to the following common solutions:

- **No Mist Output:** Ensure the humidifier is plugged in, the water tank is filled, and the unit is properly assembled. Check if the power button has been pressed.
- **Unusual Odor:** Clean the water tank and base thoroughly. Use distilled water if tap water quality is poor.
- **Excessive Noise:** Ensure the humidifier is on a flat, stable surface. Check for any obstructions in the fan or mist outlet.
- **White Dust:** This is typically caused by hard water minerals. Use distilled or demineralized water to reduce white dust.

For further assistance, please contact Homvana customer support.
