## SETUP & PAIRING

- 1. Charge the Earbuds:** Before first use, ensure both the earbuds and the charging case are fully charged using the provided USB Type-C cable. The charging case has indicator lights to show battery status.
- 2. Power On:** The earbuds automatically power on when removed from the charging case.
- 3. Pairing:**
  - Once powered on, the earbuds will enter pairing mode.
  - On your device (e.g., smartphone, tablet), go to Bluetooth settings.
  - Search for "L29" in the list of available devices and select it to connect.
  - A voice prompt will confirm successful pairing.
- 4. Wearing the Earbuds:**

- Select the appropriate eartip and earbud cap size (L, M, S) for optimal comfort and noise masking.
- Insert the earbud into your ear, rotate it slightly, and tuck the eartip wing into your ear ridge for a secure and comfortable fit.
