## SETUP INSTRUCTIONS

---

Follow these steps to assemble your Sluban building block set:

1. **Unpack the Box:** Carefully open the packaging and remove all bags of building blocks and the instruction booklet.
2. **Organize Pieces:** Sort the building blocks by color, size, or type as suggested in the instruction booklet. This will simplify the assembly process.
3. **Follow the Manual:** Refer to the included step-by-step instruction booklet. Each step is illustrated to guide you through the construction of the swimming pool villa.
4. **Connect Blocks:** Firmly press the blocks together to ensure a secure connection. If a piece does not fit, double-check the instructions to ensure you are using the correct part and orientation.
5. **Complete Assembly:** Continue following the instructions until all sections of the swimming pool villa and accompanying figures are fully assembled.

## MAINTENANCE

Proper care and maintenance will help preserve your Sluban building blocks for long-lasting enjoyment.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For more thorough cleaning, use mild soap and water. Rinse thoroughly and allow to air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures. The set is designed to be easy to store, making it convenient to keep all pieces together.
- **Handling:** Avoid stepping on or applying excessive force to the blocks, as this can cause damage or breakage.

## TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following common solutions:

- **Missing Pieces:** Double-check all packaging and sorting areas. Sometimes small pieces can be overlooked. If pieces are genuinely missing, refer to the support section.
- **Difficulty Connecting Blocks:** Ensure you are using the correct blocks for the step. Apply firm, even pressure when connecting. If blocks are warped or damaged, they may not connect properly.
- **Assembly Errors:** If a section of the model does not look correct, carefully retrace your steps in the instruction booklet to identify any missed or incorrect connections.
- **Damaged Parts:** If any blocks are damaged upon arrival, please contact customer support for assistance.
