Once assembled, your BRXLZ Stadium is intended as a display piece. To maintain its condition, place it on a stable, flat surface away from direct sunlight, excessive heat, or extreme temperatures, which can cause material degradation or discoloration.

Avoid dropping the model or applying excessive force, as this may cause individual pieces to detach or break. Handle with care when moving.

6. MAINTENANCE

To clean your BRXLZ Stadium, gently wipe it with a soft, dry cloth to remove dust. For more stubborn dust or light smudges, a slightly damp cloth can be used, followed by immediate drying with a dry cloth. Do not use harsh chemicals, abrasive cleaners, or excessive water, as these can damage the plastic or printed details.

- **Missing Pieces:** If you discover any missing pieces, please contact FOCO customer support. Provide your product model number (PZNC3DST) and a detailed description of the missing parts.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented according to the instruction booklet and apply firm, even pressure. Do not force pieces together, as this may cause damage to the interlocking tabs.
