PEET M2107F

PEET Advantage Plus 4-Shoe Electric Shoe and Boot Dryer

Model: M2107F

1. INTRODUCTION

The PEET Advantage Plus 4-Shoe Electric Shoe and Boot Dryer is designed to efficiently dry and deodorize footwear, removing wetness, sweat, and odor. This process helps to keep your feet healthy and comfortable, while also extending the lifespan of your shoes and boots by eliminating moisture that can deteriorate materials. The dryer operates quietly, offering both heat/fan and no-heat settings for versatile use.

2. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before operating the PEET Advantage Plus Dryer. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always unplug the dryer from the electrical outlet when not in use or before cleaning.
- Do not immerse the dryer in water or any other liquid.
- Do not operate the dryer with a damaged cord or plug.
- Keep the dryer away from flammable materials.
- Ensure proper ventilation around the dryer during operation.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

3. PACKAGE CONTENTS

Your PEET Advantage Plus 4-Shoe Electric Shoe and Boot Dryer package should include:

- 1 x PEET Advantage Plus Dryer Unit with 4 drying posts
- Instruction Manual

Note: PEET DryPorts for gloves, helmets, and other gear are sold separately.

4. SETUP

1. **Unpack the Dryer:** Carefully remove all components from the packaging.
2. **Choose a Location:** Place the dryer on a flat, stable surface near a standard 110-120 volt U.S. household outlet. Ensure there is adequate space around the unit for air circulation.
3. **Plug In:** Insert the power cord into a suitable electrical outlet.

5. OPERATING INSTRUCTIONS

1. **Place Footwear:** Invert your shoes or boots and place them over the drying posts. The dryer can accommodate up to two pairs of shoes or boots simultaneously. For specialized items like gloves or helmets, attach compatible PEET DryPorts (sold separately) to the posts.
2. **Select Heat Setting:** Locate the heat/no-heat switch on the unit. Choose between a heat/fan setting for faster drying or a no-heat setting for delicate materials or energy efficiency.
3. **Set Dry Time:** Use the timer controls (usually located on the top of the unit) to set the desired drying duration. The dryer typically dries footwear in 1 to 4 hours, depending on the material and saturation level.
4. **Start Drying:** The unit will begin operating once the settings are selected. The fan will circulate air through the footwear, removing moisture.
5. **Completion:** The dryer will automatically shut off once the set time has elapsed.

FROM DRIP TO DRY IN JUST 1-4 HOURS

WORKS QUIETLY
WITH A HEAT/
FAN SETTING
OR NO-HEAT
SETTING

6. MAINTENANCE

To ensure optimal performance and longevity of your PEET Advantage Plus Dryer:

- **Cleaning:** Unplug the unit before cleaning. Wipe the exterior surfaces with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the dryer in a cool, dry place when not in use.

7. TROUBLESHOOTING

If your PEET Advantage Plus Dryer is not operating as expected, please refer to the following common issues and

solutions:

Problem	Possible Cause	Solution
Dryer does not turn on.	Not plugged in; Power outlet malfunction; Unit switch off.	Ensure power cord is securely plugged in; Test outlet with another device; Turn the unit's power switch to 'On'.
Footwear not drying effectively.	Incorrect heat setting; Overly saturated footwear; Obstructed airflow.	Ensure 'Heat' setting is selected if faster drying is desired; Allow more drying time for heavily saturated items; Ensure footwear is properly placed on posts allowing for airflow.

8. SPECIFICATIONS

Attribute	Detail
Brand Name	PEET
Model Info	M2107F
Item Weight	5.28 pounds
Product Dimensions	8.5 x 13.5 x 18.5 inches
Capacity	2 load
Form Factor	Freestanding
Color	Black
Access Location	Top Load
Voltage	110 Volts
Material Type	Rubber
Batteries Included?	No
Batteries Required?	No

9. WARRANTY AND SUPPORT

The PEET Advantage Plus Dryer comes with a 5-year warranty. To take advantage of this warranty, please register your product within 10 days of purchase. For product registration, detailed warranty terms, or further support, please refer to the official PEET website or the contact information provided on your product packaging.

PEET products are designed for durability and are expected to exceed expectations for years of reliable use.
