Setup

1. **Prepare the Game Board:** Unfold the two-player game board and place it on a flat surface between both players.
2. **Choose Your Deck:** Each player selects a deck (Cinderace, Pikachu, or Eevee). For your first game, it is recommended to use the Cinderace and Pikachu decks as guided by the tutorial booklets.
3. **Use Tutorial Guides:** Each player should use the tutorial guide that matches their chosen deck. These guides will walk you through the initial setup and first few turns.
4. **Pop Out Damage Counters:** Carefully detach the damage counters from their sheet. These will be used to track damage on Pokémon during battle.
5. **Organize Decks:** Place each deck in its corresponding deck box to keep cards organized when not in use.

Operating Instructions

The Pokémon Battle Academy is designed to teach you how to play the Pokémon Trading Card Game through guided tutorials. Follow the steps in your chosen deck's tutorial guide for your first few games.

Basic Gameplay Flow:

- **Follow Tutorial Guides:** For your initial games, strictly adhere to the instructions in the Cinderace and Pikachu tutorial guides. They are numbered to ensure a smooth learning experience.
- **Player Turns:** Each player takes turns performing actions such as drawing cards, playing Pokémon, attaching Energy cards, using Trainer cards, and attacking with their Active Pokémon.
- **Winning the Game:** The first player to knock out 3 of their opponent's Pokémon and take 3 Prize cards wins the game.
- **Switching Decks:** Once comfortable with the Cinderace and Pikachu decks, try playing with the Eevee deck, which offers a slightly more advanced strategy.

Refer to the main rulebook for detailed rules and advanced strategies once you are familiar with the basic gameplay.

Maintenance

To ensure the longevity of your Pokémon Battle Academy Board Game, follow these simple maintenance

guidelines:

- **Storage:** Store all cards in their respective deck boxes and keep the game board folded in its original box to prevent damage.
- **Cleaning:** Keep cards and game board dry and clean. Use a soft, dry cloth to gently wipe off any dust or spills. Avoid using harsh chemicals.
- **Handling:** Handle cards and components with care to prevent bending, tearing, or creasing, as they are made of paper.

Troubleshooting

Missing Components:

In rare instances, components such as cards may be missing from your set. If you find that your deck is incomplete (e.g., missing numbered cards), please contact Pokémon customer support for assistance.
