

CREATE IKOHS MOI SLIM

CREATE IKOHS MOI SLIM Personal Blender User Manual

INTRODUCTION

Thank you for choosing the CREATE IKOHS MOI SLIM Personal Blender. This manual provides essential information for the safe and efficient use of your new appliance. Please read these instructions carefully before first use and keep them for future reference.

The IKOHS MOI SLIM is designed for preparing shakes, smoothies, and other blended beverages quickly and conveniently. Its compact design and portable cup make it ideal for a healthy lifestyle on the go.

SAFETY INSTRUCTIONS

- Always ensure the blender is unplugged before assembly, disassembly, or cleaning.
- Do not immerse the motor base in water or any other liquid.
- Keep hands and utensils out of the blending cup while operating to prevent injury.
- Ensure the blade assembly is securely attached to the blending cup before placing it on the motor base.

- Do not blend hot liquids, as pressure buildup can cause the cup to burst.
- Avoid overfilling the blending cup. Do not exceed the maximum fill line.
- This appliance is not intended for use by persons with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Keep the appliance out of reach of children.
- Do not operate the blender if the cord or plug is damaged, or if the appliance malfunctions or has been dropped.

PRODUCT OVERVIEW

The CREATE IKOHS MOI SLIM Personal Blender consists of the following main components:

- **Motor Base:** Contains the 230W motor and power cord.
- **Blade Assembly:** Features durable stainless steel blades for efficient blending.
- **400ml Blending Cup:** BPA-free, designed for blending and serving.
- **Travel Lid:** A separate lid with a foldable carrying handle and spout for on-the-go convenience.

TULICUADORA PERSONAL

Vaso de 400 ML

Con tapa para licuado y
tapa para llevar.

230W de potencia

y cuchillas de acero para
triturar frutas & verduras.

Fácil de limpiar

y apto para lavavajillas.

Libre de BPA

y otros tóxicos.

SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Clean:** Wash the blending cup, blade assembly, and travel lid with warm, soapy water before first use. Rinse thoroughly and dry. The motor base should only be wiped with a damp cloth.
3. **Assemble:** Place the motor base on a stable, flat surface.

Image: The main components of the blender, including the motor base, the blending cup, and the travel lid, laid out for assembly.

OPERATING INSTRUCTIONS

Follow these steps to prepare your favorite shakes and smoothies:

1. **Add Ingredients:** Fill the 400ml blending cup with your desired ingredients. For best results, add liquids first, then soft ingredients, and finally harder ingredients like ice or frozen fruit. Do not exceed the maximum fill line.

2. **Attach Blade Assembly:** Screw the blade assembly firmly onto the open end of the blending cup. Ensure it is tightly sealed to prevent leaks.
3. **Place on Motor Base:** Invert the blending cup with the attached blade assembly and place it onto the motor base. Align the tabs on the cup with the slots on the base.
4. **Blend:** Press and hold the power button on the motor base to start blending. Blend until desired consistency is achieved. For tough ingredients, use short pulses.
5. **Remove and Serve:** Once blending is complete, release the power button and unplug the blender. Carefully lift the blending cup from the motor base. Unscrew the blade assembly.
6. **Enjoy or Go:** You can drink directly from the blending cup, or attach the travel lid for portability.

MAINTENANCE AND CLEANING

Proper cleaning ensures the longevity and hygiene of your blender.

1. **Unplug:** Always unplug the blender from the power outlet before cleaning.
2. **Disassemble:** Separate the blending cup, blade assembly, and travel lid from the motor base.

3. **Wash Components:** The blending cup, blade assembly, and travel lid are dishwasher safe (top rack recommended) or can be washed by hand with warm, soapy water. Use a brush to clean around the blades carefully.
4. **Clean Motor Base:** Wipe the motor base with a damp cloth. Do not immerse it in water.
5. **Dry:** Ensure all parts are completely dry before reassembling or storing.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Blender does not turn on.	Not plugged in; cup not properly seated; power outage.	Ensure plug is securely in outlet; rotate cup until it locks into place; check power supply.
Ingredients are not blending smoothly.	Too little liquid; too many ingredients; ingredients are too large.	Add more liquid; reduce ingredient quantity; cut ingredients into smaller pieces.
Leakage from the cup.	Blade assembly not tightened; cup overfilled.	Ensure blade assembly is securely screwed onto the cup; do not exceed max fill line.
Motor smells or overheats.	Overloaded; continuous operation for too long.	Unplug and let cool for 15-20 minutes. Reduce load or blend in shorter intervals.

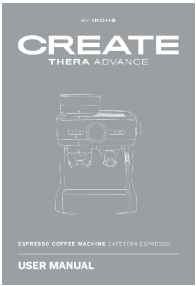

SPECIFICATIONS

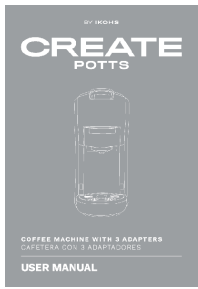

- **Model:** IKOHS MOI SLIM
- **Power:** 230W
- **Cup Capacity:** 400 ml
- **Blade Material:** Stainless Steel
- **Cup Material:** BPA-free plastic
- **Product Dimensions:** 4 x 4 x 12 inches
- **Item Weight:** 2.49 pounds
