Sluban M38-B0890

Sluban M777 Field Cannon (Model M38-B0890) Instruction Manual

Brand: Sluban | Model: M38-B0890

Introduction

This manual provides instructions for assembling and using the Sluban M777 Field Cannon building block set. This set, model M38-B0890, contains 258 pieces and includes two mini-figures, allowing for detailed construction of a US Marine Artillery Howitzer.

Safety Information

This product is made from non-toxic ABS plastic.
Recommended for ages 6 years and up.
Warning: Small parts may pose a choking hazard. Not suitable for children under 3 years.
Adult supervision is recommended during assembly and play.

Package Contents

The Sluban M777 Field Cannon set (M38-B0890) includes:

- 258 building block pieces
- 2 Sluban mini-figures with accessories
- Instruction booklet (this manual)

Package dimensions: Approximately 28 cm x 23 cm x 5.4 cm.
Material: Acrylonitrile Butadiene Styrene (ABS) plastic.

Assembly Instructions

Follow these general steps to assemble your Sluban M777 Field Cannon:

1. **Unpack and Sort:** Carefully open the package and sort all building block pieces by color and type. This will make the assembly process easier.

2. **Follow the Illustrated Steps:** Refer to the included instruction booklet for detailed, step-by-step diagrams. Each step will show which pieces to use and how to connect them.
3. **Build the Base:** Begin by constructing the main base of the howitzer, ensuring all connections are secure.
4. **Assemble the Cannon Barrel:** Proceed to build the M777 field cannon barrel and its adjustable mechanisms.
5. **Add Details and Figures:** Attach all smaller details, such as wheels, stabilizers, and any other decorative elements. Assemble the two mini-figures and their accessories.
6. **Verify Assembly:** Once completed, check all connections to ensure the model is stable and correctly assembled according to the diagrams.

Operating Instructions

The Sluban M777 Field Cannon is designed for display and imaginative play.

- **Positioning:** The cannon features movable parts, allowing you to adjust the barrel's elevation and traverse.
- **Mini-Figures:** Place the included mini-figures in various positions around the cannon or other compatible building block sets to create dynamic scenes.
- **Compatibility:** Sluban blocks are 100% compatible with major building block brands, allowing for integration into larger constructions.

Maintenance

To keep your Sluban M777 Field Cannon in good condition:

- **Cleaning:** Wipe the model gently with a soft, damp cloth to remove dust. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or loose pieces in a cool, dry place away from direct sunlight to prevent discoloration or damage.
- **Handling:** Handle the model with care to prevent pieces from detaching.

Troubleshooting

Missing Pieces

If you find any missing pieces upon opening the set, please contact Sluban customer support with your product model number (M38-B0890 or SL95760) and a description of the missing parts.

Difficulty Connecting Pieces

Ensure that pieces are correctly oriented and aligned before applying gentle, firm pressure. Avoid forcing pieces together, as this can cause damage.
