Vente-unique CALIFE

Vente-unique CALIFE 2-Seater Convertible Sofa Bed User Manual

Model: CALIFE | Brand: Vente-unique

INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Vente-unique CALIFE 2-seater convertible sofa bed. Please read these instructions carefully before using the product to ensure proper function and longevity.

PRODUCT OVERVIEW

The CALIFE convertible sofa is designed for dual functionality, serving as a comfortable 2-seater sofa and easily transforming into a bed. It features a beige 100% polyester fabric upholstery and includes a 22 cm memory foam mattress for the sleeping area.

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for assembly. Ensure all components are present before beginning.

Required Tools:

- Allen wrench (usually included)
- Screwdriver (Phillips head)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Attach Legs:** Securely attach the sofa legs to the base using the provided screws and tools. Ensure they are tightened firmly.
3. **Assemble Frame (if necessary):** Follow the specific diagrams in your packaging for connecting any frame sections.
4. **Position Cushions:** Place the seat and back cushions onto the sofa frame. The seat cushions are removable.
5. **Initial Conversion Test:** Perform a test conversion from sofa to bed and back to familiarize yourself with the mechanism. Refer to the 'Operating the Convertible Sofa' section for detailed steps.

OPERATING THE CONVERTIBLE SOFA

The CALIFE sofa features an express conversion mechanism, allowing for quick transformation between sofa and bed modes.

Converting from Sofa to Bed:

1. **Clear the Area:** Ensure there is sufficient space in front of the sofa for the bed to extend fully.
2. **Remove Back Cushions:** Gently lift and remove the back cushions from the sofa.
3. **Pull Mechanism:** Grasp the handle or strap located at the front center of the seat. Pull upwards and outwards in a single, smooth motion. The bed frame and mattress will unfold automatically.
4. **Extend Legs:** The support legs for the bed frame should extend and lock into place automatically. Verify they are stable.
5. **Prepare for Sleep:** The 22 cm memory foam mattress is now ready for use. The sofa includes two pillow storage compartments (ranges-oreillers) for convenience.

Figure 3: The CALIFE sofa in its fully converted bed configuration.

Converting from Bed to Sofa:

1. **Clear Bedding:** Remove all bedding, pillows, and blankets from the mattress.
2. **Fold Mechanism:** Lift the bed frame from the center, pushing it inwards towards the sofa base. The legs will retract, and the frame will fold back into the sofa.
3. **Secure in Sofa Position:** Continue pushing until the mechanism locks securely into the sofa position. Ensure the seat is flush and stable.
4. **Replace Cushions:** Place the back cushions back onto the sofa.

MAINTENANCE

Regular maintenance helps preserve the appearance and functionality of your convertible sofa.

Fabric Care (100% Polyester):

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for polyester, testing on an inconspicuous area first.
- **Removable Seat Cushions:** The seat cushions are removable, facilitating easier cleaning. Follow care instructions on the cushion labels if available.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the sofa away from direct sun or use curtains/blinds.

Figure 5: Close-up of the beige polyester fabric.

Mechanism Care:

- **Lubrication:** Periodically check the moving parts of the conversion mechanism. If squeaking occurs, apply a small amount of silicone-based lubricant to the joints.
- **Inspection:** Regularly inspect the frame and mechanism for any loose screws or signs of wear. Tighten fasteners as needed.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Difficulty Converting:**

Solution: Ensure no objects are obstructing the mechanism. Check that the sofa is placed on a level surface. Apply gentle, even force when pulling or pushing the mechanism. If the mechanism feels stiff, a light lubrication might be needed (refer to Maintenance).

- **Squeaking Noise:**

Solution: Squeaking often indicates friction in the metal parts of the mechanism. Apply a silicone-based lubricant to all pivot points and moving joints.

- **Cushions Feel Uneven:**

Solution: Over time, cushions may settle. Rotate and fluff removable cushions regularly to maintain their shape and evenness.

- **Stains on Fabric:**

Solution: Refer to the 'Fabric Care' section under Maintenance for appropriate spot cleaning methods for polyester fabric.

SPECIFICATIONS

Feature	Detail
Brand	Vente-unique
Model	CALIFE
Color	Beige
Material	100% Polyester Fabric
Frame Structure	Wood, Particle Board, Metal
Number of Seats	2
Sofa Dimensions (L x D x H)	150 cm x 94 cm x 85 cm
