Important Safety Warning

Do not use this armchair if the weight exceeds 120 kg (approximately 264 lbs). Exceeding this weight limit may result in damage to the product or personal injury.

SETUP AND ASSEMBLY

Your Vente-unique Chesterfield Armchair is delivered largely pre-assembled. The primary assembly step involves attaching the feet to the armchair base.

Components Included:

- 1 x Chesterfield Armchair Body
- 4 x Armchair Feet (typically located in a zippered compartment underneath the armchair or in the packaging)

Assembly Instructions:

1. Carefully unpack all components and ensure all parts are present.
2. With assistance, gently turn the armchair upside down on a soft, clean surface to avoid scratching the leather or floor.
3. Locate the pre-drilled holes or mounting points on the underside of the armchair for the feet.
4. Align each foot with its corresponding mounting point.
5. Securely screw each foot into place. Ensure they are tightened firmly but do not overtighten to prevent damage.
6. With assistance, carefully turn the armchair upright.
7. Place the armchair in its desired location.

OPERATING INSTRUCTIONS

The Vente-unique Chesterfield Armchair is designed for comfortable seating in indoor environments. Its robust construction and quality materials ensure a pleasant user experience.

Usage Guidelines:

- Use the armchair for its intended purpose: seating.
- Avoid standing on the armchair or using it as a step stool.
- Ensure the armchair is placed on a level surface to prevent instability.
- The seat cushion is removable for convenience and maintenance.

CARE AND MAINTENANCE

Proper care will extend the life and preserve the appearance of your buffalo leather armchair.

General Care:

- **Regular Cleaning:** Dust the armchair regularly with a soft, dry cloth.
- **Spills:** Blot spills immediately with a clean, absorbent cloth. Do not rub, as this can spread the stain.
- **Avoid Direct Sunlight and Heat:** Prolonged exposure to direct sunlight or heat sources (like radiators) can cause the leather to fade, dry out, or crack. Position the armchair away from these elements.
- **Humidity:** Maintain a moderate humidity level in the room to prevent the leather from drying out.

- **Sharp Objects:** Keep sharp objects away from the leather to prevent scratches and punctures.

Leather Specific Care:

- For deeper cleaning or conditioning, use a leather cleaner and conditioner specifically designed for corrected grain buffalo leather. Always test any cleaning product on an inconspicuous area first.
- Follow the instructions provided with the leather care products.
- The seat cushion is removable, allowing for easier cleaning of the cushion cover if necessary.

TROUBLESHOOTING

This section addresses common concerns you might encounter with your armchair.

Problem	Possible Cause	Solution
Armchair feels wobbly or unstable.	Feet are not securely tightened or the floor is uneven.	Ensure all feet are securely tightened. If the floor is uneven, use furniture pads or shims under the feet to level the armchair.

Problem	Possible Cause	Solution
Leather appears dry or dull.	Lack of conditioning or exposure to dry air/direct sunlight.	Apply a suitable leather conditioner as per the product's instructions. Relocate the armchair away from direct sunlight or heat sources.
Minor scratches or scuffs on leather.	Accidental contact with sharp objects or general wear.	For minor scuffs, gently rub with a soft, damp cloth. For deeper scratches, consult a professional leather repair specialist or use a leather repair kit designed for corrected grain leather.
