WHAT'S IN THE BOX

- 1 x Nerf Elite 2.0 Eaglepoint RD-8 Blaster
- 1 x Detachable Scope
- 1 x Detachable Barrel
- 16 x Official Nerf Elite Darts
- Instruction Manual

SETUP

1. **Attach the Scope (Optional):**

Align the detachable scope with the tactical rail on top of the blaster. Slide it onto the rail until it clicks securely into place. The scope can be removed by pressing the release button and sliding it off.

3. **Load Darts:**

Insert up to 8 Nerf Elite darts into the rotating drum at the front of the blaster. The blaster also features built-in storage for an additional 8 darts on the back stock (4 on each side) for quick reloads during play.

OPERATING INSTRUCTIONS

1. **Prime the Blaster:**

Pull back the priming handle (bolt-action control) located on either side of the blaster until it clicks. This action prepares the blaster to fire a dart.

2. **Aim:**

Use the detachable scope for improved aiming accuracy, or aim directly at your target. The blaster is designed to fire darts up to 90 feet.

3. **Fire:**

Press the trigger to fire a dart. The drum will automatically rotate to the next dart after each shot, allowing for rapid firing.

4. **Reload:**

Once the 8 darts in the drum are expended, reload new darts into the drum from the storage on the back stock or from your dart collection.

Video: A demonstration of the Nerf Elite 2.0 Eaglepoint RD-8 Blaster's features, including its 16-dart capacity, detachable scope and barrel, and bolt-action firing mechanism. The video shows how to prime the blaster, load darts, and fire, highlighting the rotating drum and dart storage.

MAINTENANCE

- **Cleaning:**

Wipe the blaster clean with a damp cloth as needed. Do not submerge the blaster in water or use harsh chemicals.

- **Storage:**

Store the blaster and darts in a cool, dry place away from direct sunlight to prevent material degradation.

- **Dart Care:**

Ensure darts are clean and undamaged for optimal performance. Replace worn or damaged darts with official Nerf Elite darts.

TROUBLESHOOTING

- **Darts Not Firing:**

Ensure the blaster is fully primed by pulling the priming handle all the way back until it clicks. Check that darts are properly loaded into the drum and are not jammed.

- **Poor Firing Range/Accuracy:**

Verify that only official Nerf Elite darts are being used. Inspect darts for any damage or wear. Ensure the barrel (if attached) is securely fastened.

- **Drum Not Rotating:**

Confirm the blaster is primed. If the drum still does not rotate, check for any obstructions or misaligned darts within the drum mechanism.

SPECIFICATIONS

Feature	Detail
Product Dimensions	21.5 x 2.64 x 10.12 inches
Item Weight	1.93 pounds
Item Model Number	F0423EU4
Manufacturer Recommended Age	8 years and up
Release Date	November 22, 2021
Manufacturer	Hasbro
Dart Capacity	8-dart rotating drum, 8 additional dart storage
Firing Range	Up to 90 feet
