

## HOMCOM 831-463V80WT

# HOMCOM Floor Standing Jewelry Cabinet with LED Light and Full-Length Mirror (Model 831-463V80WT) User Manual

Model: 831-463V80WT

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep children and pets away from the assembly area.
- This product contains a full-length mirror. Handle with care to avoid breakage and injury.
- The LED lighting requires an electrical connection. Ensure the power cord is not damaged and is plugged into a suitable outlet.
- Do not expose the product to excessive moisture or direct sunlight.
- Always lock the cabinet when not in use to secure contents and prevent accidental opening.

## 2. PRODUCT OVERVIEW

The HOMCOM Floor Standing Jewelry Cabinet is designed to organize your jewelry and accessories while providing a full-length mirror with LED lighting. It features a lockable door and adjustable mirror angles.

Image 2.1: Overall view of the HOMCOM Floor Standing Jewelry Cabinet.

This cabinet offers ample storage for various jewelry items and cosmetics, making it a versatile addition to your space.

### **3. SETUP AND ASSEMBLY**

Assembly is required for this jewelry cabinet. Follow the manufacturer's instructions provided in the packaging for detailed steps. Ensure all components are securely fastened.

#### **3.1 Adjustable Angles**

The full-length mirror can be adjusted to three different angles to provide an optimal view for dressing or applying makeup. Locate the adjustment pins on the sides of the stand and reposition them to your desired angle.

## 4. OPERATING INSTRUCTIONS

### 4.1 LED Lights Operation

The jewelry cabinet features integrated LED strips around the mirror. These lights are controlled by a touch-sensitive switch located on the mirror surface. Simply touch the designated area to turn the lights on or off. The LED lights provide additional illumination for dressing and makeup application.

## LED LIGHTS

Giving you brighter lights when making up

### 4.3 Ample Storage Space

The interior of the cabinet is designed for comprehensive jewelry organization:

- **Earring Slots:** 100 slots for various earring types.
- **Necklace Hooks:** 24 hooks to prevent necklaces from tangling.
- **Ring Slots:** 105 slots for rings.
- **Storage Shelves:** Multiple tiers for cosmetics, watches, and other accessories.

## 5. MAINTENANCE

To ensure the longevity and appearance of your jewelry cabinet, follow these maintenance guidelines:

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners that may scratch the glass.
- **Cleaning the Cabinet:** Wipe the exterior and interior surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by drying with a clean cloth.
- **Jewelry Storage:** Periodically check that jewelry is properly placed in its designated slots to prevent damage or tangling.
- **Lock Mechanism:** Ensure the lock mechanism operates smoothly. Do not force the key if it feels stiff.

## 6. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Jewelry Cabinet, refer to the following common

problems and solutions:

Problem	Possible Cause	Solution
LED lights do not turn on.	Power cord unplugged, faulty outlet, damaged cord, touch switch malfunction.	Check if the power cord is securely plugged in. Test the outlet with another device. Inspect the cord for damage. Contact customer support if the touch switch is unresponsive.
Cabinet door does not lock.	Door not fully closed, key not inserted correctly, lock mechanism jammed.	Ensure the door is completely closed and aligned. Insert the key fully and turn gently. Do not force the lock.
Mirror is wobbly.	Loose assembly screws, incorrect angle adjustment.	Check and tighten all assembly screws. Ensure the mirror is properly seated in the desired adjustable angle.
