

Xtrfy M4W-RGB-WHITE

Xtrfy M4 Wireless Gaming Mouse User Manual

MODEL: M4W-RGB-WHITE

1. Introduction

This manual provides instructions for the Xtrfy M4 Wireless Ultra-Light Gaming Mouse, Model M4W-RGB-WHITE. Designed for e-sports, this wireless mouse offers high performance, customizable ergonomics, and extensive settings without the need for software.

2. Package Contents

- Xtrfy M4 Wireless Gaming Mouse
- USB Dongle (2.4 GHz RF)
- Charging Cable (USB-A to USB-C)
- Interchangeable Back Casings (2 sizes)
- AAA Battery (pre-installed or included separately)
- Replacement Mouse Feet

3. Setup

1. **Charge the Mouse:** Connect the mouse to a USB port on your computer using the provided USB-A to USB-C charging cable. The mouse can be used while charging.
2. **Connect the USB Dongle:** Insert the 2.4 GHz RF USB dongle into an available USB port on your computer. The mouse should automatically pair with the dongle.
3. **Power On:** Locate the power switch on the underside of the mouse and slide it to the 'ON' position.
4. **Driver Installation:** The Xtrfy M4 Wireless mouse is plug-and-play and does not require additional software or drivers for basic functionality.

5. Customization

The Xtrfy M4 Wireless mouse offers physical customization options to enhance user comfort and performance.

5.1. Adjustable Ergonomic Shape

The mouse is optimized for right-handed users and features an adaptable ergonomic shape. It includes two interchangeable back casings, allowing you to adjust the size and contour of the mouse to better fit your hand and grip style.

Figure 5.1: Interchangeable back casings for ergonomic adjustment.

5.2. Adjustable Weight Balance

The weight balance of the mouse can be adjusted by repositioning the internal battery. This allows users to fine-tune the mouse's center of gravity for optimal control and feel.

6. Charging and Battery

The Xtrfy M4 Wireless mouse is equipped with a rechargeable battery, providing up to 75 hours of continuous use on a single charge. When the battery level is low, the mouse's indicator light will signal the

need for charging. Simply connect the mouse to your computer using the USB-C cable. You can continue to use the mouse as a wired device while it charges.

7. Maintenance

To ensure optimal performance and longevity of your Xtrfy M4 Wireless mouse, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the mouse with a soft, dry cloth. For the honeycomb shell, use a soft brush or compressed air to remove dust and debris that may accumulate in the holes. Avoid using harsh chemicals or abrasive materials.
- **Mouse Feet:** The mouse comes with replacement mouse feet. If the original feet show significant wear, carefully peel them off and apply the new ones to maintain smooth gliding performance.
- **Storage:** When not in use for extended periods, store the mouse in a clean, dry environment away from extreme temperatures.

8. Troubleshooting

If you encounter issues with your Xtrfy M4 Wireless mouse, consider the following troubleshooting steps:

- **No Response/Connectivity Issues:**
 - Ensure the mouse is powered on.
 - Verify the USB dongle is securely plugged into a working USB port.
 - Try plugging the dongle into a different USB port.
 - Ensure the mouse is sufficiently charged. Connect the charging cable and test if it works in wired mode.
 - Move the mouse closer to the USB dongle to rule out interference.

- **Inconsistent Tracking:**

- Clean the optical sensor on the underside of the mouse.
- Ensure you are using the mouse on a suitable surface (e.g., a clean mouse pad).
- Adjust the CPI settings to a different level.

- **Buttons Not Responding:**

- Test the mouse on a different computer to determine if the issue is with the mouse or the system.
- Ensure no debris is obstructing the button mechanism.

If these steps do not resolve the issue, please contact Xtrfy customer support for further assistance.
