3. ASSEMBLY INSTRUCTIONS

The assembly process for the Nifeliz DIVN Race Car model is designed to be engaging and educational. Follow the included detailed instruction manual step-by-step. Each step illustrates the placement of specific pieces to construct the model accurately.

1. Unpack all numbered bags and organize them according to the manual's guidance.
2. Begin assembly by following the sequence presented in the instruction manual.
3. Ensure all connections are secure to maintain the structural integrity of the model.
4. Refer to the manual for visual cues and part identification throughout the build.

5. DISPLAY AND CARE

Once assembled, the Nifeliz DIVN Race Car model serves as a display piece. To maintain its appearance and integrity:

- Place the model on a stable, flat surface away from direct sunlight and excessive heat.
- To clean, gently wipe with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- Handle the model with care to prevent accidental damage to delicate parts.

7. SAFETY INFORMATION

This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. The materials used are non-toxic Acrylonitrile Butadiene Styrene (ABS). Always supervise younger individuals if they are near the assembly area. This product is intended for building and display purposes.

8. TROUBLESHOOTING

Should you encounter any issues during assembly or with the completed model, consider the following general troubleshooting steps:

- **Missing Pieces:** Carefully re-check all packaging and bags. If pieces are genuinely missing, contact Nifeliz customer support.
- **Assembly Difficulty:** Review the instruction manual for the specific step. Ensure all pieces are oriented correctly and fully connected. Sometimes, a small misalignment can prevent subsequent steps.
- **Loose Connections:** If parts feel loose, ensure they are pressed firmly into place.

9. WARRANTY AND SUPPORT

For information regarding product warranty, replacement parts, or further technical assistance, please refer to the official Nifeliz website or contact their customer support directly. Contact details are typically provided within the product packaging or on the manufacturer's website.
