ASSEMBLY INSTRUCTIONS

Assembly of the WAMPAT Modern TV Stand is designed to be straightforward. All necessary accessories and a clear graphical installation manual are included in the packaging. Please follow these steps carefully.

Before You Begin

1. Unpack all components and verify against the parts list in the included manual.
2. Ensure you have the required tools (typically a screwdriver, not always included).
3. Clear a spacious area for assembly to prevent damage to the product or your floor.

Step-by-Step Assembly

1. **Assemble the Base:** Attach the metal legs to the main body of the TV stand using the provided hardware. Ensure they are securely fastened.
2. **Install Non-Slip Mats:** Apply the non-slip mats to the bottom of the metal legs to protect your floors and ensure stability.
3. **Construct the Main Frame:** Follow the graphical manual to connect the various engineered wood panels that form the stand's structure.
4. **Install Cabinet Doors:** Attach the cabinet doors. The design features a hidden handle for a sleek look.
5. **Insert Shelves:** Place the adjustable shelves into the open compartments as desired.

6. **Final Checks:** Verify that all screws and fasteners are tight and the stand is stable before placing any items on it.

Operating Instructions

The WAMPAT Modern TV Stand offers versatile storage and display options for your media devices and decorative items.

Storage Usage

- Utilize the enclosed cabinets for discreet storage of items you wish to keep out of sight.
- The open shelves are ideal for media players, gaming consoles, soundbars, or decorative accents.
- Adjust the shelves to accommodate items of varying heights.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your WAMPAT Modern TV Stand.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Protection:** Use coasters or protective pads under hot or wet items to prevent marks.
- **Stability:** Periodically check all fasteners and tighten if necessary to maintain structural integrity.

TROUBLESHOOTING

If you encounter any issues with your TV stand, please refer to the following common solutions:

- **Instability:** Ensure all screws and bolts are fully tightened. Check that the stand is on a level surface. Adjust the non-slip feet if necessary.
- **Missing Parts:** If any parts are missing upon unboxing, please contact customer support with your purchase details.
- **Damage During Assembly:** If a component is damaged during assembly, stop and contact customer support for assistance.
